Tun Dr Mahathir Mohamad

Saya dan isteri saya mengucapkan Selamat Hari Raya, Maaf Zahir Batin kepada semua rakyat Malaysia, khususnya kepada pembaca blog ini

1. I am told that Sarawak Report had somehow gotten hold of the top secret Auditor General's report on 1MDB. And they say the A.G.'s report is damning. There were so many wrong things, even criminal things done by 1MDB people and the Chairman of the Board of Advisors, which warrant criminal charges being initiated against the Chairman and the staff of 1MDB.

2. But as we all know the other A.G. – the Attorney General declared that the Auditor General's report did not show that Najib had done anything wrong or criminal. The A.G. dismissed the other A.G.'s report but he then invoked the Official Secrets Act to prevent members of the public from accessing the contents.

3. Obviously the two A.Gs, the staff of Auditor General's and the Attorney General's offices and the Public Accounts Committee know the contents of the A.G.'s report. But they are not talking. Their lips are sealed.

4. Then the Finance Minister II resigned from all his posts. He has not explained why he took that drastic action. He is going to Jordan to study religion. Seems that his lips are also sealed. He is dumb now.

5. Looking at the people involved in the setting up and the management of 1MDB, one must conclude that they were chosen because they were dumb. And there must be a lot of these dumb people around. Some quickly resigned, others took a longer time. Some must have been removed or transferred or retired. But the common disability they all suffer from is their inability to talk. They may also be deaf but they are certainly dumb.

6. There is I believe a law about covering up criminal acts. Even dumb people are not exempted from this law. They may be dumb but they are not so stupid that they cannot distinguish between right and wrong. They can read and they can understand.

7. A court of law may not take kindly to their plea of being dumb. They may claim they have been coerced into being dumb. One person may be. Even two or three. But a whole army of people cannot possibly be coerced into dumbness. Their pleas would be rejected by the courts.

8. Then there is a matter of conscience. But there are those who gleefully embellish what they know by telling lies. They cannot be so illiterate as to be unable to read. The press, the alternative media and the specialist investigators like the WSJ and Sarawak Report cannot possibly be fabricating all the massive cheatings the 1MDB is involved in. Until the original report is made public, claims by the stooges that they were all lies cannot be believed.

9. Today you may act dumb. But the time will come when the pretext is no longer excusable. Even if you turn religious, the cover-up will not hold.

10. A third group is made up of people who had been fed with dedak (bran). And the fourth is made up of the mindless supporters. This group believe that a President who is also a party leader is entitled to do anything he likes, including stealing Government money no matter how much. A million or a billion does not matter. It's only about changing "m" to "b" and adding three more zeroes – i.e. adding nothing. For these people, "theirs not to reason why, theirs but to do and die". "My President may he always be in the right, but my President right or wrong". That is their mentality.

11. Between all these dumb people the country is going to the dogs. But who cares!!

12. The day of reckoning will surely come. It will come before the Muslims among them meet their Maker. Mouths will open and words will pour out. Religions will not absolve you. Performing the Hajj, especially with stolen money will not absolve your sins. You will get your just deserts.

VERSI BM

ORANG BISU

1. Saya diberitahu bahawa Sarawak Report, entah bagaimananya, telah dapat memperolehi laporan Audit Negara mengenai 1MDB yang paling rahsia. Dan mereka berkata laporan Audit Negara itu adalah menjahanamkan. Terdapat begitu banyak perkara yang salah, malah perkara-perkara jenayah yang dilakukan oleh orang-orang 1MDB dan Pengerusi Lembaga Penasihat, yang mewajarkan tuduhan jenayah diambil terhadap Pengerusi dan kakitangan 1MDB.

2. Tetapi seperti yang kita semua tahu A.G. yang satu lagi itu (Attorney General) – iaitu Peguam Negara telah mengisytiharkan bahawa laporan Ketua Audit Negara tidak menunjukkan bahawa Najib telah melakukan sebarang kesalahan atau jenayah. A.G. ini menolak laporan A.G. yang satu lagi dan beliau kuatkuasakan Akta Rahsia Rasmi untuk menghalang orang ramai mengakses kandungan laporan.

3. Jelas sekali kedua-dua A.G., kakitangan pejabat Audit Negara dan pejabat Peguam Negara dan Jawatankuasa Kira-Kira Awam (PAC) mengetahui kandungan laporan Audit Negara ini. Tetapi mereka tidak bercakap. Bibir mereka dimeteraikan.

4. Kemudian Menteri Kewangan II meletak jawatan daripada semua jawatan. Dia tidak menjelaskan mengapa beliau mengambil tindakan yang drastik itu. Dia akan ke Jordan untuk belajar agama. Nampaknya bibirnya juga dimeterai. Dia membisu sekarang.

5. Jika melihat kepada mereka yang terlibat dalam penubuhan dan pengurusan 1MDB, seseorang mesti membuat kesimpulan bahawa mereka itu telah dipilih kerana mereka bisu. Dan mesti ada banyak orang-orang bisu sebegini di persekitaran. Sesetengahnya meletak jawatan dengan cepat, yang lainnya mengambil masa yang lebih lama. Sesetengahnya mungkin telah dihentikan atau dipindahkan atau bersara. Tetapi kecacatan umum mereka semua adalah ketidakmampuan mereka untuk bercakap. Boleh jadi juga mereka pekak, tetapi sudah pasti mereka semuanya adalah bisu.

6. Saya percaya terdapat undang-undang mengenai menutup perbuatan jenayah. Bahkan orang-orang bisu pun tidak dikecualikan daripada undang-undang ini. Mereka mungkin bisu tetapi mereka tidak sebegini bisu sehingga tidak dapat membezakan di antara betul dan salah. Mereka boleh membaca dan mereka boleh memahami.

7. Mahkamah undang-undang mungkin tidak dapat menerima dengan baik pengakuan bahawa mereka bisu. Mungkin mereka boleh mendakwa bahawa mereka telah dipaksa untuk bertindak bisu. Kemungkinan seorang. Mungkin juga dua atau tiga. Tetapi sekumpulan manusia yang besar tidak mungkin dapat dipaksa untuk bertindak bisu. Hujahan mereka akan ditolak oleh mahkamah.

8. Kemudian timbul persoalan perasaan yang ada dalam hati nurani. Tetapi terdapat mereka yang dengan penuh cerianya memperindahkan apa yang mereka tahu dengan membuat pembohongan. Tidak mungkin mereka begitu buta huruf sehingga tidak boleh membaca. Akhbar, media alternatif dan penyiasat pakar seperti WSJ dan Sarawak Report tidak mungkin dapat mereka-reka semua penipuan skala besar yang melibatkan 1MDB. Sehingga laporan asal diisytiharkan awam, tuntutan oleh konco-konco mereka bahawa semuanya adalah pembohongan tidak boleh dipercayai .

9. Hari ini anda boleh bertindak bisu. Tetapi akan tiba masanya apabila helah ini tidak dapat dimaafkan. Walaupun anda berselindungkan agama, pengelakan tidak akan bertahan.

10. Kumpulan ketiga terdiri daripada mereka yang telah diberi makan dedak (bran). Dan yang keempat terdiri daripada penyokong yang tidak boleh berfikir. Kumpulan ini percaya bahawa seseorang Presiden yang juga seorang pemimpin parti berhak untuk berbuat apa-apa saja yang beliau suka, termasuk mencuri wang Kerajaan tidak kira berapa banyaknya. Satu juta atau satu bilion tidak mengapa. Ianya hanya melibatkan perubahan "m" kepada "b" dan menambah tiga lagi sifar – iaitu menambah kosong. Bagi mereka, "bukan mereka untuk menyoal sebab mengapa, tetapi bagi mereka ialah membuat sampai mati". "Presiden saya, semoga dia sentiasa berada di landasan yang betul, tetapi dia Presiden saya, betul atau salah". Itulah mentaliti mereka.

11. Di antara semua orang-orang yang bisu ini, negara ini akan musnah. Tetapi siapa yang mempedulikan !!

12. Hari pembalasan pasti akan tiba. Ia akan tiba sebelum orang-orang Islam di kalangan mereka bertemu Pencipta mereka. Mulut akan terbuka dan kata-kata akan mencurahkan keluar. Agama tidak akan membebaskan anda. Menunaikan Haji, terutamanya dengan wang dicuri, tidak akan menebuskan dosa-dosamu. Anda akan mendapat balasan yang setimpal.

The Key to UMNO Success

Is to revamp UMNO mostly on the upper level

Yang nyata Najib Mesti Berundur
Demi Kepentingan UMNO , Kepentingan Malaysia

Saya tak fikir ramai anggota UMNO yg makan Dedak
Ada pun Dedak , Dedak Special macam Bryani Dam
Mereka bersatu demi kepentingan Ummah kepentingan UMNO , Ukhwah bersama

Ada juga rasa senang mereka sudah langkah bendul dengan ketiadaan Muhideen , Mukhlis dan yg
lain lain .Beberapa orang kepentingan UMNO dihentikan juga ramai yg tarik diri
Sudah nyata banyak tak beres akan kepimpinan Najib UMNO sekarang
Tak perlu kemuka keadilan sudah terserlah banyak perbuatan tak betul Najib

Najib Najis Negara
Perosak Bangsa , Perosak UMNO ,Perosak Negara

Mengapakah anda Melindung orang yg sedemikian
Melindung Najis Menghancurkan UMNO , Memiskinkan Malaysia , Mebodohkan Melayu

Najib harus di singkir demi Kepentigan UMNO

Assalamualaikum Tun,

I don't know Tun, have we got lost in translation somewhere here? Did you do it on purpose? Your post on DUMB do make us 'see' but not all 'see' it with an open heart and mind. How do you expect us to interpret this DUMB word, Tun? What Tun really meant here DUMB meaning "BISU", not talking, not speaking, lips are sealed. But most here interpret this DUMB word meaning "Bodoh", stupid and the later surely boils some who is sensitive to this meaning. Thus creates over-excitement and leads to episodes of hot dramas title "The Dumbing of the so and so" by Superman of planet Krypton.

DSN's intelligence squad embedded here has launched a new wave of thinking that if not carefully filtered will trigger anger or hate or even feeling of doubts not towards DSN but towards Tun. That is their main genuine slimy intention. Tun must have a valid reason to why Tun open the door for them. Why is that Tun? To prepare us for the worst of the worst to come? Not to be single-minded? You

know Tun, sometimes it's hard to maintain our calmness when fictitious, insobriety, insensitive insinuations, statements and remarks that could crushed our sensibility and coolness. Alhamdulillah, Tun has taught us well and set an example through his calm tranquility in handling any situations opposed to him. We will not crouch or shrink ourselves in fear. We'll try dealing with them without drumming the calling of 'wars'. Insyallah.

Tun, I think they're afraid of another party busybody or preying on their every steps or moves. They have to be checked on from now onward before everything goes out of balance. When you're pretty much in power you'll insidiously trade in this for that with your next door neighbours or distant neighbours. For what and why? Protection? To understand better this is where sibotak comes into picture.

Tun, I would like to state my mind about sibotak if I may. I hope sibotak don't mind. If I have said something wrong here please forgive me.

I think reading sibotak's writings of his thoughts and understanding from the beginning on the issues facing Malaysia now will explain and give us a wide range of illustrations and occurrences that slipped from our minds, me especially. Sibotak's writings may not be as eloquent like an Oxford scholar or some smart guys here but his presentations are not pretentious, they have substances. He is a skilled intelligent observer. He studied first before he put down in writings. He knows what he's talking about and never derailed from his beliefs and principles of reasoning finding causes and truths. Good work and always remain your true self. Thank you sibotak.

A lot of work has to done to put things right, right Tun. I mean who wants to live in an environment with the smelly stinking messy doings of the miserably current leadership. Things have to be put in their right places for our future generations to live in. They are the future leaders of this beloved country. And we, the older generation, do not want to leave them with a messy country, do we.

I sincerely believe Tun is an exceptional leader, gifted with far-sighted and practical views. Anyone who can emulate Tun's humane values, his way of thinking and working, are definitely the people who have genuine hearts and souls to be better and who sincerely love and respect Tun.

Tun, may I give you my little thought, you may already know yourself but please allow me. I think for you to attain success in your new people's party maybe it's better for you to adopt an advisory role rather than a persuasive one, asked a lot of questions and to listen closely to the answers and pay attention to the energy they exude. Tun, it's easy for you to do that if you're in your head a lot. Thank you, Tun for listening.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety and Thank you Tun.

To the young thinkers, maybe you would like to ponder a little bit on a wise man saying: "I discovered early on that people don't buy from me because they understand what I'm selling. They buy because they feel understood".

Thank you again Tun.

75. Mudah saja jika nak dapatkan undi kaum melayu dan bumiputra di kampung, tok jangut.
84. Just convert dap into the official religion, no one dare to play hard on dap.
85. Even if you failed, you still have plenty of rural malay and bumiputra votes to be exploited for many generations to come.
86. Why waste time in uniting all races as one?
87. Even tok karpal singh almost got himself jailed for being honest as a lawyer for defending the federal constitution.
88. If states' sultan also not worry, who are we to worry since they are the sovereign owners of the states' ancestral land passed down for generations?
89. Pas leaders too yearning to be the wvips like umno and pkr in dictating the federal budget at their pleasure when they win 2/3 majority and march into putrajaya.
90. If you are not moslem, you do not have special previledge in this country.
91. Their ambition is to make this country a moslem nation whereby only they have the pleasure in dictating the federal budget.
92. You can choose to stay and convert yourself as moslem to enjoy the hak istemewa permantly.
93. If you do not want to convert yourself as moslem, vote opposition party is the best option to enjoy the common wealth shared by all citizens.

New party to be form by Tun with some others
 Is a Party of No Choice
 A Party form when plan A Failed
 It was never against UMNO
 It was against the wrong doers of UMNO
 Clearly committed by Najib with No embarrassment

It is the duty of all UMNO members from top to bottom
 To place Right over Wrong
 Forgiving the leader wrong doings is not an excuse
 There are No Sentiments in Politics
 This is not a Love Affairs

Nevertheless Najib was given right to defend but he chooses otherwise
 He beats behind the bush , fooling Malaysia above all fooling himself
 Thus complicates matters and make things ugly for himself
 More doubts will incurs perhaps more wrong doings will emerge

It is every duty of UMNO members to Clear the Air to save Malaysia
Then you have to proves Najib is innocent not just by confessing
Confessing is not relevant here

The Heat is ON
Someone along the Line will get Hurt
Blame Not Mahathir as he tried his best to rationalize by staging his moves
He never take his Kris out so do others

What I see and what I hate to see
UMNO Today
Kuman seberang Laut Nampak
Gajah depan mata pura pura tak nampak

There are wrong doers abetting and it affects UMNO images
That pulled all UMNO members

Salam YAB dan Yang Amat DiKasihi Tun,

1. Saya lebih menyokong senario di mana TS Muhyiddin, DS Mukhriz, dan DS Shafie kekal BEBAS (tidak berparti) dan pada PRU-14 bertanding sebagai CALON BEBAS (di DUN dan Parlimen – 2 seats).
2. Kenal pasti juga calon2 lain yang berpotensi yang boleh bertanding sebagai calon bebas di tempat2 di mana penyokong didapati agak seimbang di antara BN dan Pembangkang (majoriti kemenangan kecil); ini boleh memungkinkan untuk calon bebas yang Tun sokong menang. Saya yakin ramai pengundi2 yang tidak mahu undi BN atau Pembangkang sebab kedua-duanya SAMA HAPRAK.
3. Dalam keadaan sekarang, persepsi pengundi2 terhadap calon2 dan parti amat penting. Jika ada 3 orang calon bertanding, dan 2 calon dari 2 parti haprak (BN, Pembangkang), besar kemungkinan calon bebas yang bersih akan menjadi pilihan.
4. Saya agak keputus PRU-14 nanti akan hampir 50/50 (BN/Pembangkang) dan di sinilah CALON-CALON BEBAS amat berharga. Saya yakin TSMY, DSMM dan DS Shafie yang bertanding di DUN dan Parlimen di kawasan masing-masing akan menang.
5. Andai kata BN memang perlukan beberapa kerusi untuk kekal berkuasa, mahu tidak mahu mereka mesti 'memohon' simpati dari bekas2 pemimpin UMNO yang menang. Saya juga harap mana2 pemimpin UMNO yang tidak mahu terus bersubahat dengan DSN, untuk keluar UMNO/BN selepas menang (jadi bebas) PRU-14. Sekurang-kurangnya mereka boleh menebus kesalahan dan dosa lampau mereka.
6. Tun juga mesti lihat/ kaji keputusan PRK Kuala Kangsar dan Sungai Besar. Pada hemat saya, agak ramai pengundi2 yang tidak TERIMA HAKIKAT (menolak) yang Tun berada (walaupun Tun bukan ahli parti Pembangkang) bersama Pembangkang dalam kedua-dua PRK tersebut. Soal suapan memang memainkan peranan tetapi faktor2 lain juga menyumbang kepada kekalahan PH. Tidak semua orang 'redha' dengan suapan.
7. Kita mahu kurangkan (mustahil untuk dihapuskan) RASUAH yang berleluasa yang dipraktikkan oleh DSN melalui kepercayaan 'Cash is King'. Namun, bukankah Anwar Ibrahim & gang juga telah lama merasuah orang melalui pemberian pelbagai ganjaran & wang (politik wang). Di Selangor juga ada 'wang sedekah' ('beli' sokongan?).
8. Anwar ialah pemimpin yang menggunakan wang secara berleluasa untuk menang dalam pemilihan parti semasa dalam UMNO. Bukankah beliau juga didakwa dapat 'elaun' yang mencecah berjuta-juta ringgit sebagai Penasihat Ekonomi Selangor satu ketika dahulu? Langkah Kajang /Permatang Pauh satu pembaziran wang (boros?). Anwar juga bersikap 'diktator' (PKR parti keluarga). Parti2 Pembangkang yang lain2 pun sama. Cakap saja berdegar-degar – hipokrit.
9. Dari dulu lagi saya sudah katakan yang DSN belajar (meniru) dari Anwar Ibrahim & Pembangkang – politik wang, liberal, tunduk kepada kuasa asing, etc. Ini jelas kelihatan sebaik DSN jadi PM. Banyak keputusan2 DSN memihak kepada Pembangkang.
10. Saya berdoa agar apa saja keputusan yang Tun buat tidak akan lebih memburukkan keadaan. Takut nanti "keluar mulut harimau, masuk ke mulut naga pula." Lebih memudharatkan.
11. Yang pasti PM Najib @ Ah Jib Gor yang KORUP (2.6 Billion-ringgit PM) sudah tidak layak jadi PM Malaysia, dan wajib berundur sebelum 'nasi menjadi bubur'. DSN cuma layak memimpin mereka yang 'bodoh/bisu' dan yang sanggup makan dedak.

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

I had wished Mahathir had joined DAP, which I believed would have embrace him.

Creating a new party would just be another competitor of many.

DAP had tried to be a multi-racial party. Unfortunately, it had too many Chinese. If Mahathir had joined DAP, there will be big influx of Malays and more importantly, rural Malays. DAP can then be truly multi-racial.

Malaysia is a beautiful country Its people are beautiful. It has been independent for (i think) 59 years. Its about time, Malaysians stop thinking of being Malays, Chinese or Indians. Malaysians should just be Malaysian. One people.

In Thailand, the citizens think of themselves as Thais and not the individual races. In Australia, when you fill up forms, there is no question on your race.

The new party is a party of No Choice
It was never against UMNO
It is of no choice as Malaysia Judiciary System Failed to its Foundations
Just because the Head AG Apani feel comforts by being pad by the PM
The Hatred towards PM Najib will grew

The new party laid by Tun Mahathir
May or may not win the Election
UMNO if not defeated will also be Damage
Lots of UMNO damages are already seen today
Its a point of no return once starteD

To karl again,
What is really your intention when you submitted all those negative comments in chedet?

If they are to influence other visitors to sympathise with Najib, or to go against Tun M, or to believe in your never substantiated accusations/slanderous garbage, you definitely know the answer -total

failure.

So far, none of us has the slightest of believe towards you.

Create enmity -yes.

Belittle yourself -yes.

You are the incapable one!

You are also "telling" us you are the corrupt one.

Finally, what have you achieve in chedet?

Assalam Dearest Tun,

For someone of karldai's intellect which have been contaminated by dedak he will not accept the fact that whoever eat chillies will feel the heat.

To retaliate he will naturally tell us all these recycled slanderous stories about our well-known elderly statesman but that will not change the fact that the rakyat want Pee M Najib down even he creates nice beautiful stories of his Pee M.

To address his dedak denial syndrome, I would suggest that he reduces his dedak level intake and take some serious advice from our good friend here Mr Average Joe.

I for once is taking Average Joe advise not to show anger, discourtesy, malice and arrogance in giving comments here.

I also humbly beg forgiveness from everyone here one more time after all it is still the month of Syawal if indeed I offended anybody here.

Long live Tun and wasalam.

To karl,

For someone that I presume having a good education and exposure, you are most disappointing.

To put it more bluntly, if you are to make similar comments in Najib's blog, I won't be surprised if some of Najib's supporters are to turn their backs against Najib after reading your blatant and irresponsible accusations.

My sincere advice to you, go to Malay kampungs and you may find some success among some of the villagers, purely due to their ignorance, even if only temporary.

Teori tong sampah dari seseorang yang teramat tersepit seperti Karl, yang sekali2 tak memperdulikan dan terfikir untuk menangani rungutan perihal penyelewengan terkini, tetapi mencari dan/atau mengada2kan kesalahan orang lain agar konon2 ianya boleh menepis buruklaku berleluasa terang2an yang dilakukan olehnya dan oleh kumpulan/pihak yang dia sokong!

Baling batu sembunyi tangan, perbuatan yang terlalu kerap dilakukan oleh si Karl di Chedet, serta ditambah pula hipokrasi yang terlalu terbuka untuk disangkal.

Sehingga kini tak seorang pun yang mampu dipengaruhi, menunjukkan ketidakupayaan dan ketidakcerdikan Karl sebagai seorang yang tidak sedikit pun punyai pengaruh! Hampas aka dedak. Hanya itu sifatnya yang sebenar.

Terlalu banyak dan juga bermacam2 jenis soalan yang ditujukan kepadanya tapi tidak satu pun telah dijawab oleh Karl, malah dia terus menerus membuat fitnah dan juga mereka2 teori2 tong sampah.

Tipikal macai setia Najib. Hanya nak cari/ada2kan kesalahan oleh musuh politik, tetapi 1MDB sikit pun tak berani jawab. Memalukan bangsa, menghabiskan beras aja!

Peace to you/Salam to you Karl,

Please correct me if I'm wrong, from what I understand, you are stating that our current predicament stems from Tun Mahathir himself. Ergo, you seem to imply (again correct me if I'm wrong) that Tun is not sincere in his efforts, and it will be a total waste of time to follow his new party as it will just be an extension of the current UMNO, propagating the same mistakes.

However stating this fact alone is not enough, I am unclear on your proposed call to action. I am willing, for the sake of further discussion, to hypothetically concede you are correct, that the above conclusions are true.

I would be very much interested to hear, as someone in my position (UMNO member of no consequence and on the fence), what would you suggest I do?

Without a call to action, your message will seem to be just very cynical and pessimistic, and I am not willing to concede you are merely a complainer. I am sure you already have a proposed solution in mind. Perhaps in your blog you have done so, if you post a link to it I will be very much happy to read it.

PS: I have read the Rashomon story at your blog. It is a very interesting story on the role of perspective and interest on how we justify our actions. Sad to hear about the old wig maker.

Thank you.

We should be building our own Water Filtration , our own Basic Needs
With having our own resources , enough land but very Dumb system

This is Dumb . This is embarrassment

The Dumb and The Genuine

For someone of Dr M's intellect, what drives him to use vile words like "Dumb", "Pemakan Dedak" and "Makan Rasuah" repeatedly on the rakyat, on his own people, must have been a rigorous and calculated move.

There is a history to this.

Before he resigns after 22 years of tremendous success in developing his CRONIES into billionaires, abusing the DEB whilst failing the Malays economically, Dr M left the people with a simple meme – "Melayu Mudah Lupa", that triggers and keeps them at a lower self-esteem with a higher level of

anger towards the rich. Immediately, the focus of failure shifts towards the Malays, and it's no longer Dr M's fault..

The poorer Malays are pitted against both the Chinese, and the affluent Malays who benefit from Dr M's capitalistic policies. Even in Dr M's time, Cash (capital) Is King. However, keeping that aspect of his administration a secret is, of course, Dr M's expertise and to his credit, his sleight of mouth is unmatched by any living politician, except the Prince of Sg Buloh.

It is therefore not a miracle when the poorer PAS is ever so genuinely envious of their richer brothers-in-Islam in UMNO. They are infected with a mind virus, a meme, that they 'Forget Easily', mudah lupa, attention deficient, poor memory a.k.a. Dumb. All these factors contribute to their current stance against everything 'Kafir' and 'Money'.

I noticed that in one comment thread, the word '*genuine*' was mentioned by **HBT** for a total of six times. Genuine interest, as in the [Rashomon story](#), can be just an illusion embedded in each character's self-interest and personal ambitions, which can take many forms and permutations, giving rise to several different versions.

A newer version of UMNO, the party, is in the making. Will this be a Dumbing Down Dedak version, a 3-D that will make the box-office or not, is not hard to guess.

Assalam Dearest Tun,

To karldai The Dedakian Kiddo,

You still are a karl-dai even if you have wanted to act cunning like a jac-karl to intimidate us here.

You still are a typical dedakian who will always wanted to enter frame into other people's affair which will affect your corrupt master not so good political future.

I can understand why you are so scared about this new party affair because it will affect you livelihood your supply of bran. You are worried because you knew that a large number of people will instantly join the new party, and it's membership could be as high as the Citizens' Declaration.

Thank you for your concern kiddo but as for now I'm enjoying every single day partying with a fool like you. I'm always happy to make some adjustment or correction towards your childish comments here but the last time I do agree with you what not.

As for your dismay on character assasination and name calling, I'm sorry if it hurts because I thought it's normal for a young fella like you to have a nickname so much so when there are so many karl around. This is also known as character building name not otherwise. Don't worry your character remains and not been assasinated.

Then again I'm very happy to say that your prediction will be right as there will be a lot of smart people around in this new party as compared to your Najis party where it is proven that there were a lot of this dumb people from top to bottom with the exception of its outstanding President who is exceedingly clever plus cunning in getting billions of ringgits of donation for himself.

Always ever happy not angry karldai kid to answer you even though you haven't answer or reply to me directly as you always did to sibotaklah, hbt, umranrc and others, now I feel like been

discriminated and sad .

Thank you and sorry Tun for wasting your space for karldai kid.

Assalamualaikum Tun,

There are many die hard umno supporters who become very defensive you first mooted the idea of forming a new party. Some became became angry while some see it as a complete betrayal. All that gung ho about 1MDB scandal where billions are missing, the paralysis of the the investgation team, PAC, parliament, supreme council, the WSJ report on houses purchased in the millions, all dissappear the moment Tun Mahathir wanted to form a new party.

For these people, if you do not what Tun to form a new party, provide the solution. Is there anything else Tun has not done?

Talk face to face, done, scold in public, done, waited for AG report, done, waited for PAC report, done, ask UMNO member to pass resolutions for Najb resignation, done, sue Najib, done, ask parliament to force Najib to resign,done. Everything under the sun have been done. Bear in mind, if Najib continue to be PM it is the rakyat that will suffer. I agree the opposition too is full of defects, but the other alternative is to allow Najib to continue as PM.

Perumpaan yang mudah, adalah seorang yang ada sakit kencing manis. Kakinya telah dijangkiti kuman (pemimpin yang mengamalkan budaya rasuah atau cash is king atau you help me or I help you). Kerana sayangkan kaki tu (UMNO) terpaksa biarlah kaki melarat sampai kuman jangkiti seluruh badan (menjadi failed state atau negara gagal) atau potong kaki tersebut sebelum ia melarat (tapi dah x dpt jalan tapi hidupla).

Keputusan yang diambil untuk tubuhkan party baru bukanlah mudah tetapi its eather that or kita kena terima rasuah sebagai cara hidup Malaysia. Mungkin kena buat hari rasuah sebagai public holiday selepas ini.

Dumb people – how appropriate a title.

Malaysians were laughing at Singapore when she first introduced “new water”. Malaysians say Singaporeans are drinking their own urine. Now Singapore is selling new water to Malaysia. Malaysians are now drinking Singaporeans’ urine.

How Dumb!!!!

A’salam Tun,

A’salam as well to the people who frequent your blog Tun. This particular post, I wish to address to my brothers and sisters here.

As someone, who just recently been on the other side of the political divide and ideology, I feel it behooves me to share my perspective to the people here. There’s a substantial amount of people who, because of lack of information from the media, also frequent this blog to see what Tun has to say due to current events. And as they finish reading Tun’s articles they, of course, will read the comments to see the type of people that supports Tun.

Leaders attract like minded people. The comments section, they will conclude, be a reflection of TUN’s inner minds. So I urge my brothers and sisters to be always humble and courteous when giving their opinions.

I am one of the 'dumb' people Tun mentioned here (for unless I am brave enough to support him openly, I am not arrogant to think of myself as any other). 'Dedaks' I have received, and I am ashamed. As I have mentioned earlier, fear is the only excuse I can give, and I would be the first to admit, it is a flimsy one.

Why do I share this? See, whenever I hear people accusing me of thus, I become defensive. 'You don't know how horrible it is to feel trapped, don't be so holier-than-thou' is what springs to my mind first. The more I am accused the more I become defensive, and subsequently angry. And as my rage grew, of course I would attack in kind (for an attack is what I perceive it, not an admonition).

I make no justification, I freely admit what I did, and my perception, was wrong. The point what I am trying to make is, I was not swayed by TUN's scathing words (although true), in fact I felt more entrenched. What moved me was TUN's integrity (for he was persistent and consistent), strength (for without him, we would all just keep the status quo) and most of all love (for I can see no other reason for him risking everything at the sunset of his life). And he was humble. Being with the opposition, and a weaker position at that, is something he felt is something that has to be done for the Rakyat.

So I urge everyone here, my brothers and sisters, the Rakyat and the world are watching. Let them see our integrity, strength and love, more importantly humbleness, as we write the words. Let us not show anger, discourtesy and malice, and more importantly arrogance. For isn't the sons and daughters the reflection of their father? (for a father is what Tun is to us).

I humbly beg forgiveness if what I write offends, it is not my intention. I hope my message comes across to my brothers and sisters here, for I am eager to join my Father in his fight soon.

W'salam Tun, everyone. Thank you again for being there for us.

It is important to acknowledge to Malaysia
The formation of a new party is plan B not A
With intentions to remove the Big Tumor
That could kill Malaysia

Najib was given the chance to walk away with respects despite many rascal wrong doings
He was given the chance to prove himself
But he choose otherwise

He is behaving like the US & The Jews
They Criminalize everywhere openly yet they say they are innocent
As they thought they are super power , they have the weapons & influence
They can do anything
Same here Najib he thought he has the power

Sadly Sultan did not do their duty as part of the Constituency
Probably , They are used to sit & wait since decades
or perhaps they don,t know what to do

Here we need no siding from any Sultan
We needs the constituency as a whole to be rational
Something is simply not Right
In Malaysia , Today

It's alike Zakir Naik , Arwah Ahmed Deedat and most of the Islamic Preacher
They are True Seekers
They studied the Quran , The Hadiths above they even go depth to other religious beliefs books, Bible
,Torah ,the Hindu , the Buddist scriptures etc
Just to know the Truth and They gives their alms the Truth for Mankind
They gain no commissions from it

Yet they are accused of bad mouthing other religion
They are accused of insulting other religion
Well Did they ?
To clarify truth they need to open up everything on the table
Every evidence on the table , Islam, Christians , Hindus , Buddists etc
Lets see each other scriptures and make humanly sense from it
The logic of science , mathematics to narrow us with facts
Not human thinking , not some comics nor Disneyland fantasies
Zakir Naik even confessed if there are proves in the bible
That Jesus says He is God , He Zakir Naik , will converts to Christianity

Same here if Najib is True
He will not play hide and seek behind his appointed AG
Let the Truth prevails
If He is innocent He has the right to sue every of us here for Defamation
And his follower can legally gets some commission
Its Big money here . Thousands will be Sued , domestic and international , WSJ etc

I personally will embrace Najib and do belief the whole Malaysia will loves our PM

***** Important Notes *****

The formation of a new a Party ,is the plan B not A
Its mere a moves to place Justice on the Table
As Justice represented by the appointed AG has collapse

And We don,t want to collapse UMNO nor want to hurt any
Someone will get hurt here
Simply , some very things are not right , it has to be open

So why makes things so difficult ?

The question remains. Do you support or do not support a dictator to rule our beloved country. This column titled DUMB PEOPLE 2. Are we all dumb or just plain ignorance? Do you ever bother to read SR? Do we know that the PM has become a billionaire just overnight? What I see here is solely non-sensical arguments and comments. Why not we focus on current issues like 1MDB, and related country's affair rather than hurling at each other. Let us unite against those who whitewash their sin in the name of the God and those who attempt to hide their misdeed by seizing the freedom of speech and cyberbullying.

71. If menu gunting salad also can be served, it simply means mak cik2 ini adalah the dumb chefs who cant even serve their honorable guests properly.

72. Yeah, the words 'extremely careless' is a hit too in the world of politics that can put us in a very difficult and dangerous situation domestically and internationally.

73. DAPigs hew can be labelled as sexy to you karl but to the voters of his race he is only a dumb politician who cant even read properly.

74. To karl, mak cik2 ini might be karl's assets, but to karl's genuine supporters, mak cik2 ini might be a liability.

76. To mak cik hajar, she thinks its dedak, but to her genuine supporters, they think is cake.

77. By the end of the day, is it dedak or cake, it is very much depend on the role of the parties' members and machineries in presenting their cases to the voters.

78. Of course lge can choose to sue here and there as cm penang cum dap sg too.

79. By the end of the day, its still up to the voters to decide.

80. Angry politicians will attract angry voters.

81. Angry here, angry there, you need a moderator to cool off their heads, dont you think so?

82. If you cant cool off their heads, I afraid sir karl, they might repeat the same mistakes that shall make you loose more genuine supports.

I buka tengok ada lagi sesi jawab menjawab, tertanya pulak dia ini punya blog ka I

masuk. 

Ooo I juga tak pergi link yang dia kasi. I pernah jengah a few earlier, twitter accounts belonging to young men. Nothing special just a normal twitter account with a few hundred followers.

My son sendiri pun tidak begitu keen dengan politik, dia lebih sibuk bekerja, pergi gym dan keluar dengan kawan2 bila free. Takat komen2 biasa tentang hal semasa apa yang dia fikir betul, nothing over over macam sipolan.

Gang dia banyak yang sokong PKR, then again ramai anak muda yang I kenal begitu, yang liberal PKR dan yang religious PAS, dan lazimnya hanya yang dibayar saja akan cakap pasal bende yang sama ulang2 untuk jatuhkan nama baik Tun.

After all apalah nak dikisah tentang seorang lelaki yang berumur 92 tahun nak buka parti baru. He just

an old man, apa harm yang dia boleh buat to a young man like him.

Goodnight my dearest Tun Mahathir, sleep tight!

The Dumb Majority

I suspect a large number of dumb people will join Dr M's new party, and they must not be turned away nor discriminated from getting their membership instantly approved. Numbers are crucial but do not jack them up ridiculously high like the Deklarasi thing.

Apart from dumb people, another quality of people that the new party must welcome and source out for is the angry type, the ones like Makcik Hajar @Batu and Makcik Faridina. This type of members are very important in any political organization. Remember Hew the DAPigs Superman? Angry is the new sexy. Think about it, no kidding.

With the right mixture of dumb and angry people in the bottom half of the cesspool to ensure the smarter ones are kept safe and comfy at the top, the party is ready to Batu & Berguling ...

Fellow Malaysian Muslim/Muslimah, I hope the future generation will not be intimidated by the wrath of God if you stand up for your country. Knowing the fact that our (P)ee (M)alaysian is a Muslim, that you must condone his misdeed or close one eye eventhough we know our PM steals, robs and embezzle or you can refer it as PECAH AMANAH. Whatever it is, I see no point if the Malay community is afraid to make a change.

Not interested in Comics nor Fairy Tales

The Fairy tales Najib should say
While he was walking along Cho Kit with Rosmah in a very quiet evening
Suddenly 2.6 Billions of money fell from the sky
Instead of Fooling us all it came form Sauds
And this Sauds is Dead and no evidence of 2.6 billion accountability , memo etc

Well Karl

Salam Dearest YAB Tun,

Allow me Tun:

Thanks 'Average Joe' (Jul 16,2016 11:50 PM). Democracy works well if the voters know 'what is right and what is wrong' (not merely blind /dumb followers), and of course cannot be easily bought with all kinds of 'dedak' and 'sedekah'.

But we must not forget that the main reason/objective for changing a government is to get a better group of leaders to lead this country. We are in a situation where both sides (current Government and Opposition) are equally bad. It's now choosing between "the devil we know and the so-called 'angel (hypocrites?)' we don't know" -> "better the devil you know than the devil you don't".

I hope we are not pressuring Tun too much to 'save us' from all the MESS created by DSN's regime. We must remember Tun is already 91 years old.

Thanks Tun.

Assalamualaikum Ayahanda Tun,

Pa-dumb-nya Sebuah Demokrasi Oleh Najis Razak.

Sudah lama Ajib Al Jolo pen-dumb jadi Diktator untuk lepaskan den-dumb pada rakyat jelata dengan cengkaman kuku besinya supaya tiada siapa boleh menghalangnya memperkosa perbendaharaan negara tercinta ini.

Dalam blog ini pula ada tentera sibernya tapi pangkat prebet je sebab jeneral2 sudah ramai terkorban, siapa lagi kalau bukan kha-dumb Ajib Al Jolo iaitu si karldai.

Kedangkalan karldai berhujah sinonim dengan nama glamournya. Yang sudah dibakulsampahkan adalah Demokrasi Rakyat untuk menutup penipuan Ajib Al Jolo yang telah lama terbongkar namun orang spesis ini memang tidak kenal erti malu atau sememangnya tiada kemaluan? Termasuklah budak karldai si kha-dumb Ajib tu (seronok tak rasanya kena tanggung Ajib?).

Usaha menurunkan Ajib dari takhta akan lebih berkesan dengan penubuhan parti baru termasuklah dengan cara yang sah bukan luarbiasa seperti undi tidak percaya atau deklarasi rakyat.

Peranan Tun Dr Mahathir dalam menyatukan pihak pembangkang dalam satu pakatan dan perikatan pembangkang akan memungkinkan perkara2 yang disebut luarbiasa tadi termasuklah bakal memenangi PRK yang terdekat ini manalah tahu budak karldai boleh cadangkan pada bosnya suruh test power sekali lagi, minta Lebai Ahmad Husni letak jawatan ahli parlimen Tambun sebab dia pun dah nak sambung mengaji di Jordan, ada berani?

Makanya seperti yang telah dicakap oleh Pee M anda, proses penubuhan kerajaan baharu akan dilaksanakan melalui PRU14 belum boleh diterima sehingga tiba masa PRU 14 nanti ya. Simpan dulu 'I

told you so' tapi jadilah kha-dumb terbaik dengan terima arahan dari 'I told you to do so'

Betullah telahan Tun pihak Ajib iaitu Raja Tunai memberi dedak barulah boleh bergerak jika ada habuannya maka tidak hairanlah sang karldai mengandaikan belanja yang besar di pihak Tun kerana sambutan hangat rakyat tanpa dibayar.

Patutlah payah sangat atau lama sangat nak keluaran TSMY dan DSMM dari parti Najis menurut analogi karldai – bola pancit tapi tak lunyai lagi mana boleh rembat karldai ooi, hang tendang kuat mana pun dia takkan pi jauh, baiklah takpa hang kaki keldai apa tu no.

Hang mesti kenai siapa jadi referee tu dia tiup wisel pun tergap2 dan beri hangpa kemenangan percuma dengan papan skor mencatatkan berapa kawan2?

Ya betul tu 2.6 billion – 0.

Harap2 pakcik pandi berhenti jadi referee upahan bukan apa takut2 tertelan wisel nanti.

Dulu team bola rakyat belum benar2 sepakat dan bersatu apatah lagi rejim Najib bermain secara suapan referee dan linesman berbayar, pihak yang menjaga keselamatan pemain dan penonton hanya bertuankan rejim Najib sahaja dan sorakan penonton turut berbayar untuk meraikan kemenangan penuh penipuan.

Sekarang pihak sebelah sana mula menggigil apabila bekas pemain legenda negara yang merupakan bekas pemain Piala Dunia yang disegani masyarakat antarabangsa mula menyatukan kesemua pemain2 berkaliber negara yang bermain atas semangat kebangsaan dan sayangkan negara ini bukan seperti sebelah sana yang bermain kerana wang ringgit berjuta2 tiap seorang.

Tambahan pula di kalangan penyerang2 berbisa rakyat ada 3 orang bekas pemain sebelah sana yang sanggup menolak pelbagai tawaran jawatan dan wang ringgit demi cinta mereka pada negara dan memastikan kemenangan rakyat.

Akhir sekali buat pengetahuan si kha-dumb merangkap keldai tunggangan Ajib Al Jolo mana ada pengurus bolasepak dunia yang dipimpin orang muda yang berjaya dan ternama? Semakin tua seseorang pengurus pasukan itu maka semakin liciklah beliau mengatur strategi permainan untuk menjamin kemenangan apatah lagi pengalaman beliau tiada tolok bandingnya.

Makin tua makin berisi bukan macam orang tu makin tua makin berkarat – bukan karat besi up sikit karat emas dan intan pertama – makin kaya raya daa...

Tang yang last saya bersetuju dengan karl iskandar, siapa kata saya jenis tidak boleh terima pendapat orang yang betul tetap betul dan yang benar tetap benar, ya pada usia sebegini lanjut hampir satu abad dan adakah kita yang muda ni boleh sampai usia bonus tersebut YABhg Tun Dr Mahathir dan isteri selayaknya menghabiskan masa bersama anak cucu dan sebagainya TETAPI kerana buruk seekor ni yang sedang mengganaskan membahayakan rakyat dan negara tercinta maka Tun terpaksa korbankan semua di atas.

Tun M sahaja yang boleh jinakkan buruk bibir pink ini

Wasalam Ayahanda dan Bonda Tun.

Assalamualaikum Tun,

Tun, since the topic is still on Dumb so I got the green light to use it, ya Tun. Don't anyone gets so sensitive over it. I won't have used this word if Tun had not used it himself. Dumb meaning (1) Bisu, Dumb meaning (2) Bodoh.

Tun, your brave initiative has infuriated, embittered and devastated the worlds of DSN and his DD followers. It has erupted their everyday lives into chaos. Tun, to satisfy their Big Boss the DD followers say all sorts of nasty things. They have an instinct for conflicts rather than harmony.

In that chaotic moment, I imagine they would say something like this: "Why can't Tun just let us be?"

Why can't Tun leave us alone in peace, so happy as we are now with our 'dedak' lives. We don't mind being DD as long as our barns get refilled regularly. Go away, Tun please go away."

And I imagine Tun would reply something like this: "No, I cannot do that. You DD people have eaten enough. You did many wrongs for so long. You robbed your own people aplenty. You leave them with huge debts while you enjoy their hard-earned money. The people are tired of settling your debts. The people say your debts are your debts, why burden them. So the people declared you must go. It is my duty to put things back in their right places. Now, go play Hide-and-Seek if you can. We'll catch you later."

Never take for granted the people's hospitality in letting the DD stay for too long in power. When they over-stayed and paid their rents with corrupted money then that's the time for them to pack their bags. Some can afford to go to the VI or any getaways in the Caribbean, where billions are secretly stashed there for them to enjoy, live and makan². Maybe that chubby whizz-kid, who loves extravagance lifestyle, is willing to take them stay in his multi-million dollar yacht or mansions, somewhere in NY or elsewhere around the world. (Where on earth is that chubby kid anyway?)

Tun, when they leave, they leave us with piles and piles of rubble and scars so deep that it's difficult to forgive and forget. But Malaysia must go on. We can pick up the pieces and be happy again not for ourselves but for OUR FUTURE GENERATIONS. Everything that is done, every sacrifices made, every humiliations hurled at, every sweat and tears dropped, are all for our children and their children's children. It's for people like YOU...you the generasi sopan-santun, berbudaya tinggi, berbudi bahasa, berfikiran kreatif etc etc. It has always been about YOU and for YOU. Tun is not selfish. This is not about Tun's political agendas. If it is Tun would have stayed on while he was still popular.

Tun, what is this ekonomi gelap? Who engaged in this ekonomi gelap? How and when and why did it happen? Are there many loopholes in our commercial laws that these 'smart' opportunists can do businesses (ekonomi gelap?) right under their very noses? What has been done to catch them, the ekonomi gelap culprits? Ooo...by implementing the cut-throat, their saviour,...GST! This is said by the T.Kewangan II. Well then, so robbing from the poor, the helpless, the unfortunates, the kampong folks, the youngsters, the almost poket-kosong people is the only way and the right thing to do? This what they say, to catch a thief is to be a thief.

Tun, the current government has failed in maintaining the smooth running of the country's economy system. They have mishandled and failed to check-on the implementations but instead let loose all the slick opportunistic scavengers to manipulate the loosed financial system and easily made billions from it. The financial system failed under their management and the rakyat are forced to pay the price. This so true too of the 1MDB financial scandals that left behind huge debts that is a great burden for Malaysia to handle. 1MDB was kept alive from borrowed money, borrowed from the country's funds, funds of the people, for the people. 1MDB is a government entity, the people as guarantors have to pay its debts. For this to collect as much money as possible the government became creative. That's when and why GST comes into existence, the removals of subsidies, increase in tolls and transportation, increase in essentials items etc etc...

See Tun, how they spin this gst like it is dropped from heaven. Can we see corruption coming into picture? No? If not why then this ekonomi gelap happened? Why 1MDB failed and accumulated so much debts? Shouldn't the smart guys in MoF rectify this matter without burdening the rakyat? We

have the rules of laws to protect the country from thieving, kan Tun. I'm no economist but this is my understanding.

Tun, why not take from the very very rich and the very very famous who stashed away their million and billions of money of-shores to help the country cover-up the debts? These people did so just to evict from paying taxes, kan Tun. This is so unfair. This is so not right, morally and ethically. Can't they make it unlawful, Tun? Then again I'm no lawyer.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. take extra care in your safety and Thank you Tun. Good luck in your new undertaking Tun.

A little note:

It is difficult to be motivated when a man (young man?) feels he is not needed. To become motivated again he needs to feel appreciated, trusted and needed. Not to be needed is a slow death for a man (young man?).

Yes faridina, we don't want anything to happen to any man or young man. So stay, shall they. Thank you.

Thank you Tun.

Salam Tun.

1. Bila Tun ucap bodoh kepada golongan tertentu pasti akan mengurangkan sokongan atau kawan untuk di pengaruhi.
2. Ada manusia yang kurang senang bila di gelar bodoh. Walau pun tiada tindakan balasan pada pandangan Tun . Sebabnya perasaan itu boleh tersimpan di dalam hati.
3. Walau pun apa yang di katakan Tun itu betul, manusia ini di jadikan Allah s.w.t mempunyai nafsu yang berkehendak atau tidak apa yang ada pada malaikat dan iblis.
3. Jadi manusia mudah terjerumus kepada perbuatan baik atau buruk.
4. Malah perbuatan baik atau buruk salah satu yang menjadi penilaian terhadap amalan manusia di dunia dan hari akhirat.
5. Jadi berhati-hati pendekatan yang di ambil kerana ada sesetengahnya tidak baik di dunia walau pun perbuatan itu baik di akhirat.
6. Sebab itulah contoh-contoh dari Nabi Muhammad s.a.w semuanya terpuji kerana didikan dari Allah s.w.t. untuk membimbing manusia ke jalan yang benar.
7. Seorang manusia yang sebaik Nabi Muhammad s.a.w tanpa ucapan bodoh pun ada yang memusuhinya inikan pula di gelar bodoh akan dapat di buat kawan atau pengikut.

8. Adakah manusia ini benar bodoh ? sehinggakan yang menciptakan manusia itu sendiri berkata celakalah manusia yang melakukan perbuatan salah di dunia tanpa memikirkan balasan hari akhirat.

9. Tun Parti baru akan lebih bermakna kalau soal seperti GST, mengurangkan beban cukai rakyat dengan mekanisma dari sumber lain seperti dari hasil bumi iaitu yang bukan dari kewangan rakyat berpendapatan rendah.

10. Perkara di atas wajib di ubah jika rakyat memilih Parti Baru ini dan menjadi perjuangan utama Parti ini. Jika tidak rakyat akan anggap Parti ini hanya serpihan oleh pemimpin yang gila kuasa menjawat jawatan mengaut keuntungan kewangan setelah di sisih Parti lama.

11. Kalau ini menjadi keutamaan Parti maka dengan ini Rimba Emas mengistihar diri menjadi ahli dan menyokong Parti yang di asas Tun ini.

12. Moga Parti ini di berkati dan mendapat bimbingan Allah s.w.t. AMIN...

Wallahua'lam.

Salam again Tun,

Just a short response @Hajar:

I totally agree with your prediction, that if the new coalition wins in the coming election, then the one to reap most of the benefits will be the more established opposition parties. Perhaps even Anwar Ibrahim will be the next PM (I admit this thought is disconcerting, if not abhorrent to me).

Alas this is something that we from the previous UMNO will have to accept. There is a price to pay, and we have to pay it. I am sure Tun himself see this. But I am of the opinion that Tun is struggling to protect the integrity of our democratic country, its laws and principles, instead of accolades or position.

Even if the leaders from the opposition, once they have won, prove to be inept then as long as our democracy holds, it is a matter of voting them out of office, and having all the check and balances still solid in place if our democratic principles and constitution holds.

If we accept the current situation in Malaysia, where the judiciary, executive, Rulers etc are subject to the whims of a single person, then we expose ourselves to dictatorship and the crumbling of our democratic institution.

So the current fight is bigger than merely who becomes the next PM, or what policies should be used. It is the fight for Malaysia's integrity, values and democracy.

Thanks again Tun, w'salam.

Salam Tun,

I'm quite sure that on your next posting, you'll put up the reasons on why you took the initiative to form a new political party. It is your prerogative and yours alone and definitely NOT our place/level to tell you on what your next action is.

However, for all those who are against the current wrong doings, can we discuss healthily on this subject?

Should Tun form a new coalition?

If you are in agreement with the new formation, state reasons.

If your answer is otherwise, state reasons also.

By providing these healthy outputs, perhaps many of us can learn further.

Thanks All.

Thanks Tun.

Agreed with Karl

But then again, not unlike poetry, politics is the art of the possible, and Dr M knows very well that it's not about being right or wanting what is right. It is not even who is right, but who must go. And Dr M is promiscuously not keeping dumb about it.

Right or wrong is not what Dr M really cares about, like the criminal case of fake Deklarasi signatories, so long it can be sensationalised for political mileage it's good to go. The problem, there's simply so many many miles ahead, but with so little time left. Now, this truly is an M-Dilemma.

Perhaps Tun Mahathir is a Politician

Agreed with yr point

Well I,m not a politicians

And I need an answer

Did Najib did Right ?

If so there's no need to hide behind his appointed AG

and at the relevant time

Najib should not suddenly nor his Govt decides to take 1MDB as OSA

If it is to be classified earlier as OSA

Today Malaysia nor the World would'nt know what the hell is 1MDB

If he is a True gentleman or a good leader

Just let it flow and lets the Law deal with it

He will be Defended by the Govt for Free and the Best above all

And we Malaysia will be behind him

It's then we see the Truth and Najib will credit it well

In a Murder Investigations , The professional investigator were equip with proper attire as not to corrupt the investigations
Najib walk in freely , turn the table around
Then he says everything is Good

Tun is a Politicians, you may have yr reasons
Well I,m Not nor I am any member of any party ,not UMNO nor Opposition
Do I have a Voice here ?

“Dumb-lema Dr Mahathir”

Dalam diam-diam, objektif Deklarasi sudah dibakulsampahkan kerana unsur penipuan dari sejak awal lagi, di mana tak sampai 100k tandatangan diputar menjadi 1.2juta, jika terus dibongkar akan terburai kemaluan pihak penaja.

Dengan penubuhan parti baru Dr Mahathir, maka berakhirlah percubaan untuk jatuhkan kerajaan UMNO melalui kaedah luarbiasa. Kalah referendum PRK, kalah teruk di Sarawak telah menjadi iktibar bagi penubuhan parti baharu ini.

Kini, seperti yang telah dicakap oleh PM, proses penubuhan kerajaan baharu akan dilaksanakan melalui PU14. I told you so.

Permainan politik lebih 20 bulan oleh Dr M dengan kempen yang sudah pastinya menelan belanja amat besar dari poket kroni, akhirnya kecundang dengan Mudin dan Mukriz dirembat keluar padang, seperti bolasepak pancit yang lunyai dan tidak berguna lagi.

Wisel penamat ditiup referee dengan nyaring dengan papan skor mencatatkan 20 – 0.

Dumb-lema Dr M kini ialah mengatur barisan pemain team baharu untuk menentang pasukan Juara bertahan.

Kelihatan satu team yang carca marba akan dibentur oleh pengurus pasukan yang pada usianya lebih relevan jika dilihat bermain dengan cucu cicit di taman atau mengerjakan amal ibadah untuk persiapan akhirat.

Wallahu'alam

Salam Tun,

It occurred to me that now that you have formally decided to be involved back into party politics, I would be very much be interested in your opinions (perhaps in a future article) on how you would win

the hearts of the people of Sabah and Sarawak. I feel these two states(partner?) Will be crucial in your attempt to topple the BN coalition. I am sure some of our brothers and sisters from there are reading your blog and it will be an opportunity lost if we do not reach out to them.

I see no way for the new coalition to win if it is not able to make any kind of headway in those two states (partner).

Thank you, and all the best Tun.

P/S: Personally I feel the 1MDB issue is a dead end. Perhaps it is time to talk about how the coalition will repair Malaysia once it receives the mandate of the people.

Dear Tun,

I was one of your Web Shapers on your e-Government task force and later I ran a Smart Schools consortium project but all of this was many years ago and unfortunately I left Malaysia about nine years after we first started on your visionary plan. I have been watching Malaysia from afar and I am saddened to see how it has lost its way since your stewardship ended. As a foreigner I must respect your country, society and politics and not comment, but I think that I can say that the country needs to get back on track again.

In my humble and outsider's opinion, it is time to take back the country and once again bring in solid and predictable good Governance as was in place when you led the way. The country needs someone who they can respect, look up to with confidence that all of society will be Governed equally and fairly and in my humble option, that is you.

I wish you my sincerest best wishes and I look forward to the day that you can once again lead the country out of the situation it finds itself in today and to a point where it is looking to the future once again with pride and confidence.

Thank you and my sincerest best wishes for the future.

Salam Tun,

Congratulations on the initiative to form a new Party.

Sesungguhnya Allah tidak mengubah nasib kita, melainkan kita sendiri berusaha mengubahnya.

Walaupun rintangannya pasti hebat....

You have the wisdom, you are our legend, you are our special one.

As we may acknowledged, The General election may came sooner than we expected, as they taught they have gaining the supports and before more exposures of their wrongdoings being known to public.

The supports they get is merely on the money they throwing & the fear is from their own shadows.

The rakyat money which is being stolen and spend by them were also would not be as much as before, as they already spend a lot to bribe & 'bran' the dumb & dumber.

May Allah grant your efforts to release Malaysia from this Modern Tyranny & from being the 'puppet' of The New World Order.

Hopefully Malaysia would not go bankrupt.

The GST collections is no more going to help this crooked goverment, as they don't even have the money to refund the tax payer.

Ya Allah....makbulkanlah doa kami. Selamatkanlah kami dari kesengsaraan, penipuan & penyiksaan orang2 yang lebih mengutamakan dunia daripada agamamu...Aaminnn.

Why 'they & their'? Because the whole administrations are being corrupted.

So sad & so shame
Auzubillahi Min Zalik.

Assalam Dearest Tun,

Well karldai boy is now into poetry pulak but he is not counting that's for sure.

You only highlighted about the so-called 'criminal case' of fake Deklarasi signatories which cause hardship to millions of citizens, sending the stock market and ringgit down and most importantly robbed the rakyat's billions of ringgit, not to say it tarnished the image of this country all over the world and became news headlines worldwide.

I'm crying for Malaysia .

No wonder the 'gagap' AG placed the PAC report under OSA solely because there are too too too many obvious wrongdoings that could easily indicate the Advisor, FM and Pee M into some 'criminal charges'.

Thank you 'daun keladi' Sarawak Report, it took me 2 days to read and digest the report. Everyone of us can read pak cik and mak cik at the kampung also can read it because it is written in Bahasa Melayu.

Therefore special thanks to karldai boy for raising the SR issue and many thanks to SR which became our first source of information beginning early last year and as at today any news from SR will straight away goes to our smart phones.

What I love most about SR is that it comes together with solid evidence to support its news.

This PAC report can be read and can be easily understand by any secondary school boys to see the magnitude of wrong doings that were very very alarming but not to karldai boy.

By the way karldai boy, Tun have no crown now.. Today the crown is in the hand of your master Ajib Al Jolo and your closing statements should be written ;

"Most of the time, very dumb people will play smart but dirty, so as to hide the crown inside his wife's 1.2K hair and have already standby and pack their bags to run away just in case the rakyat were to able to snatch the crown from him."

Wasalam Tun.

Salam YAB dan Yang Amat DiKasihi Tun,

1. Tun, mohon Tun jelaskan apakah OBJEKTIF UTAMA penubuhan PARTI BARU yang Tun telah secara rasmi khabarkan kepada umum.
2. Adakah sekarang objektif utama ialah untuk tumbangkan BN / UMNO?
3. Bukankah objektif utama 'Deklarasi Rakyat' ialah untuk menurunkan PM Najib @ Ah Jib Gor dari jawatan PM, dan bukannya untuk tumbangkan BN / UMNO.
4. Apapun Tun mesti fikir sehabis-habisnya sebelum penubuhan parti baru dilakukan.
5. Sentimen dan perasaan sesetengah pihak yang pernah menyokong Tun semasa Tun PM mesti hormati/dijaga dan diambil-kira.
6. Jika Tun (dll.) masih berpendapat bahawa penubuhan parti baru perlu, lebih wajar Tun beri orang lain yang tubuh parti baru tersebut (mungkin TS Muhyiddin jadi salah seorang pengasas kerana dipecat dari UMNO), dan Tun cuma beri sokongan moral.
7. Saya tidak mahu lihat situasi di mana Tun berjaya MEMBANTU Pembangkang menumbangkan BN (saya yakin Tun boleh), tetapi selepas itu Tun dipinggirkan (Tun cuma dipergunakan untuk mencapai matlamat politik sesetengah pihak); dan lebih pilu lagi jika Tun pula dicanangkan (dikambing-hitamkan) sebagai pengkhianat yang menumbangkan BN / UMNO. Segala kemungkinan ini boleh berlaku. Parti yang akan Tun tubuh ialah parti yang paling BARU dan tidak mungkin parti baru akan diberi keutamaan. Jangan haraplah TSMY atau DSMM akan dilantik ke jawatan PM / TPM jika Pembangkang menang (dengan usahasama parti baru yang Tun tolong asaskan). Di mana mahu diletak pemimpin2 Pembangkang sedia-ada? Ramai yang sedang 'kelaparan' dan menunggu 'peluang keemasan'.

8. Saya mohon Tun fikir semasak-masaknya apa yang wajar Tun lakukan.. Lagipun, pada pengamatan saya, Pembangkang yang ada sekarang sama HAPRAK dengan rejim Najib (mungkin lebih teruk setelah berkuasa). Saya tinggal di Selangor dan saya tidak boleh terima bila lihat perkara2 seperti arak/ maksiat/ LGBT/etc. semakin berleluasa di Selangor; bukan bertambah baik seperti dijanjikan Pembangkang. Saya tidak hairan/hadap dengan 'sedekah' air yang tidak seberapa – ini lebih teruk dari 'BR1M' sebab saya & ramai lagi yang wajib bayar pelbagai jenis zakat pun dapat sedekah ini. Pesta arak pun sudah pernah berlaku di Selangor. Bimbang nanti di seluruh Malaysia dibolehkan pula minum arak di khalayak ramai jika mereka berkuasa. Jangan nanti LGBT pun boleh ada pesta sendiri seperti yang saya pernah lihat di Amsterdam.

9. Rejim Najib yang dipenuhi dengan 'orang-orang bodoh dan bisu' memang patut gerun dengan perkembangan terkini jika benar Tun dan Pembangkang akan bergabung untuk tumbang BN/UMNO. PM Najib wajar meletak jawatan untuk selamatkan BN / UMNO.

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Dear Tun,

As much as you have loved UMNO and BN, as much as your heart has been shattered by this break-up, don't ever look back Tun Mahathir. We all talk about the paradigm shift all the time, but we never could really do it ourselves. Now is the time we change our paradigms Tun. Change the way we look at things.

The same advice goes to uncle Lim Kit Siang and the Chinese, the Indians, and the rest of Malaysians of the various ethnicities. Don't succumb to these killers that kill your own sanctity – your 'holier than thou' attitude and vengeance. I know uncle LKS has a big heart. However PKR Dr. Wan Azizah and family have yet to learn how to forgive to discover just how much things can change if only you change the way you look at things.

My family and I we stand by you dear Tun Mahathir and all the Pakatan Harapan leaders and others who genuinely want to lift Malaysia and her people from spiralling down the slope.

Take good care Tun.

Dumbing Down the ...

Dr Mahathir. How do I dumb thee?

Let me count the ways.

Nope. I don't think it is possible to silent Dr M with any amount of poetry.

But then again, not unlike poetry, politics is the art of the possible, and Dr M knows very well that it's not about being right or wanting what is right. It is not even who is right, but who must go. And Dr M is promiscuously not keeping dumb about it.

Therefore, even as the PAC Report has established facts and figures from many authentic sources including JAN, SPRM and BNM – they will never satisfy the greed and hunger of SR for sensationalist journalism that feeds on fabricated stories, twisted news, outright lies and dirty moves – just like how Xavier Justo lost his million dollar booty to them. 'Thievery' should be SR's middle name. Where there is no honor amongst thieves, Justo got himself the dump and dumb alright.

Sometimes, very smart people prefer to play dumb, and allow the fools to snatch and run away with their own crowns.

In this scenario, the best you could do is to stay quiet and move on, but knowing that you aren't smart enough, you'll jump in and therefore inadvertently exposed yourself. The whole point to the exercise here is to show to everyone who you really are, and now, all of the literate Malaysians can laugh their heart out as the joke is on you.... Hahahaha....

Yg perlu nak Renovate
Yg perlukan modal yg besar
Belanjawan yg mahal gila

Bukanlan Bangunan Putra Jaya berwajah Indah
Bukanlah Jet PM yg berhiasan Mewah
Bukanlah image luar

Yg perlu kita Renovate sekarang adalah
System Kerjaan yg tidak Betul
Berlanjawan melibihi Pendapatan sampai Malaysia di kelilingi Hutang Piutang
System Kerajaan yg Kuntang kantil sekarang
Dalamn juga Luaran

Semua Negar ada masaalah masing masing
Semua manusia ada masalah masing masing
Semua Keluarga pun ada masalah masing masing

Masalah sebenarnya bukanlah masalah tersebut
Masalaah sebenarnya adalah cara kita bersama
Bijak menghuraikan masalah tersebut dengan
Pemikiran yg Bijak , Perlaksanaan yg Matang

Bukan sikit sikt nak keluar duit
Sikt sikit nak tekan minyak
Lihat saja mana Badan Kerajaan Malaysia , Pentakbiran Kerajaan Malaysia
Perlabuhan Kerajaan Mlaysia yg benar benar bikin duit
Banyak buang duit dari bikin duit
Selamat dan Shukur kita ada sumber alam yg bernafaskan kita
Bayangkan jika kita tidak ada , macamana ?

Berjimatlah semasa berada
Jangan sampai tak ada , baru nak Jimat

Menubuhkan Parti untuk hapuskan yg merosakan negara
Adalah secondary attempt apabila primary attempt mendapatkan Keadilan Gagal
Macamana tak berjaya
AG nampaknya di pegang , Magistrate tak bolih buat apa apa
Maka tiada siapa yg boilh angkat ni perkara keatas meja Keadilan
Sultan pun saya lihat dalam Constituency Kerajaan macam tak nak amik tahu
Ini pun juga Tugas Sultan , Tak perlulah sampai nak tunggu Tun pergi menghadap
Tun nak pergi pun di sekat
Kenapa pula Sultan tidak bolih hulur tangan pada Tun pada Malaysia
Kami bersama bukan buat andaian , bangkai sudah busuk , sudah berulat
Jangan sampai nanti mudaratkan kesehatan kita bersama termasuk Sultan juga
Baru nak cari Ubat

Sebenarnya Malaysia tidak akan Rumit
Jika Paklah mendengar nasihat Tun
Jika Najib mendengar nasihat Tun
Ini punca segala masalah Malaysia sekarang

Kenapa pula nak dengar cakap Tun ?
Tun sudah terbukti selama 22 tahun menerajui Malaysia , UMNO
Dengan tenang , maju dan jaya
Seharusnya Paklah & Najib bersamping Tun untuk mendapat bimbingan

Saya yakin ada anasir luar yg mempegaruhi Putrajaya selepas Tun bersara
Anasir luar perlu hanya pegang satu atau dua kepala untuk mematungkan Malaysia
Tak perlu satu Malaysia
Lihat saja sekarang budak J.Low bolih amik kesempatan
atas diri Najib dengan sekelip masa
Sejurusnya keatas Malaysia dengan masa yg singkat dan kesempatan yg luas
Apakan lagi Anasir luar yg kita tidak sedari ?

Inilah akibatnya apabila Anak derhaka pada Ibu bapa
Akibatnya rumah tangga porak peranda
Adakah semasa Tun berkuasa kelihatan yg Tun amik Kesempatan sampai
Najib & Paklah tidak mahu sama sekali ikut bimbingan Tun

Putra jaya perlu di bedah siasat
Jikan benar ada anasir luat yg memegang tali
Maka akan selamanya Malaysia akan di gugat
Kita sama kita akan berkelahian tidak sudah sudah
Sudah terbukti nyata sekarang

Putra Jaya sudah di Sihir
Ketara sangat maka banyak soalan yg perlu di jawab
Najib menguruskan wang macam air , banyak paip bocor
Air dah melimpah keluar masih kah kita kata bocor sikit ?

Di sini perlu kita berkerjasama untuk memperbaiki paip yg bocor
Dinding dinding yg usang , lantai yg dah reput , betulkan atap zinc yg banyak berlubang

Saya tak bolih terbayang macam mana Najib
Boilh dalam keadaan sedih bercerita dengan orang bawahan beliau
apabila pekung beliau pecah

Mungkin scenerionya ialah
Saya perlukan wang ni semua untuk UMNO untuk PRU yg lalu
Keadaan wang UMNO kemarin tidak mantap jadi terpaksa saya bertindak bergini
Ok lah Jip , kita faham tujuan murni anda
We close 2 eye not 1
Tapi untuk UMNO berapa , baki nya yg lebih mana ?

Reliable sources from the Swiss bank UBS have flagged Singapura's controller MAS on suspicious transactions linked to 1Malaysia Development Bhd. However no one is talking openly, dumb is the word!

The Singapura regulator refused to reply directly except to refer to its previous statements made on March 31 and May 24, which is of no help.

Now things seem to have become political!

Najib may have requested Singapura's assistance for the latter to clear all 1MDB related transactions, which Singapura willingly agreed provided that....

Let us all Malaysians (other than those shameless macais that blindly support Najib & Rosmah come rain or shine) hope Najib's arrangements with Singapura is not detrimental to Malaysia.

Setuju dengan idea "amd trmz" tentang penubuhan parti baru dengan formula B.

Usah Tun berfikir ke belakang tetapi fokus ke hadapan.

Mungkin ada berpendapat dan percaya pada sejarah, kononnya perkara yang sama akan berulang kembali iaitu kegagalan Dato Onn menubuhkan parti baru.

Tun, yang berlalu adalah sejarah dan realiti masa silam. Jika kita percaya "kegagalan masa silam akan berulang" kononnya, ianya bagi saya satu pemikiran yang kurang bijak.

Dengan penubuhan parti baru, disertakan dengan slogan "BERANI KERANA BENAR, TAKUT KERANA SALAH" sudah cukup menggerunkan parti UMNO dan komponen BN.

Saya percaya juga untuk seketika dan peringkat awalnya, ianya wajar dibuka kepada semua kaum dari Perlis hinggalah ke Sabah. Motif utama adalah untuk menggulingkan kepimpinan Naji\$ Razak.

Ia wajar di bahagi kepada 5 kawasan seperti:

1. Zon Utara (diketuai oleh Mukhriz)
2. Zon Timur (diketuai oleh Ahmad Said)
3. Zon Selatan (diketuai oleh Muhyiden Yasin)
4. Zon Tengah (diketuai oleh Sanusi Junit)
5. Zon Sabah dan Sarawak (diketuai oleh Shafie Apdal)

Tun adalah penasihat parti. Manakala Shafie Apdal adalah bakal PM dan Mukhriz adalah bakal Timbalan PM.

Kita boleh wujudkan parti campuran yang terdiri dari parti pembangkang dan beri kabinet bayangan seperti:

1. Menteri Kewangan adalah Rafizi dari PKR
2. Menteri Kerja Raya adalah Tony Pua
3. Menteri di Jabatan Perdana Menteri (berkait dengan agama Islam) adalah dari PAS
4. Menteri dari PAN
5.
6. Menteri-menteri besar/ketua menteri

Saya yakin jika diberi jawatan dalam kabinet bayangan semasa PRU14 dengan adil dikalangan pemimpin-pemimpin yang ada karisma dalam parti-parti pembangkang, sudah pasti ianya mampu menggerunkan BN dan lebih hebat lagi dilihat sebagai penyelamat masa depan Malaysia dan disokong oleh majoriti rakyat.

JANGAN LUPA ...untuk di kampung-kampung dan luar bandar, kaedah menyedarkan rakyat dan tujuan gabungan parti pembangkang perlulah edaran risalah-risalah dari rumah ke rumah. Kebanyakan golongan tua khususnya tahu membaca tetapi tahap celik IT masih rendah. Oleh itu kaedah ini dirasakan lebih berkesan. Ini kerana kebanyakan golongan ini kurang membaca melalui sebaran internet tetapi lebih percaya dengan media TV/Radio yang nyata 99% adalah pro kerajaan.

Disertakan dengan janji yang rasional demi kesejahteraan semua rakyat yang berbilang bangsa, saya yakin ianya pasti disokong majoriti rakyat.

JANJI NAJIB MAMPU DIGULINGKAN DAN PEMAKAN DEDAKNYA DISINGKIRKAN SEKALI.

UMNO SUDAH TIDAK RELEVAN LAGI KERANA MAJORITI AHLINYA UTAMAKAN "CASH IS KING".

INI JANJI KITA

Wassalam Tun.

Salam!

Sukar untuk kita atau pihak berkuasa luar negara mendakwa Najib kerana Najib merupakan ketua negara.

Tun kena membuat perancangan supaya mereka-mereka yang ada kaitan dengan jenayah atau penyelewengan yang melibatkan 1MDB didakwa di luar negara. Kita perlukan kes mahkamah yang melibatkan 1MDB dibicarakan di luar negara. Dari situ, nama Najib dapat dikaitkan secara lansung dengan penyelewengan 1MDB.

Selamat berjaya Tun!

Jika kewangan 1MDB Najib bolih mengalir macam air sesuka hati beliau
Sampai berbillion tanpa segan dan silu hingga kini jadi cakapan 1 Dunia

Bagaimana pula urusan yg lain ?

Urusan dalam negeri dah ketara apakan lagi urusan luar negara ?

Ini kalau di bongkar semua laci laci , bawah tilam , bawah carpet
Mesti banyak lipas , pijat , kutu babi silap silap babi hutan pun ada

Tidakkah penganut Najib rasa rimas , macam rasa macam berabuk , berhama

Rasa macam Gatal gatal , mengeyam gitu

Kami tidak menyatakan akan ada kesalahan Jenayah

Kami 1Malaysia perlu perkara bergini di selidiki secara democracy

Hak democracy Najib juga Hak democracy Rakyat

Ini cara macam Gangster

Macam gangster Club Malam yg kasi makan pegawai Kerajaan

Tapi ini lebih dashyat

Jeruk makan Jeruk , Dah tak Beradat lagi

Wahai penganut yg takut

Penganut yg pentingkan diri sendiri

Penganut yg buta mata

Ini soal serius , soal masa depan Malaysia

Ini tidak bolih di jadikan Budaya
Kalau si Tua bolih si Muda pun bolih
Kalau semua bolih , kedepan , kebelakang lepas tu U-turn
Berliwat lebih Mulia

Kasihannya bukan penyelesaiannya
Ini bukan perosalan Tun Mahathir
In persoalan Kepentingan Kemakmuran Malaysia
Esok jika Tun tiada , Isu 1MDB akan timbul lagi
(Menitis saya untuk menaip esok jika Tun tiada)
Akan timbul seribu Mahathir lagilah
Oi ! mana ada orang tua yg berumur 91 tahun sanggup kedepan untuk ini semua
Oi ! apa yg si Tua bolih dapat ?
Kasi si tua ni duit pun dia tak nak lagi lah
Berapa banyaklah si tua ni bolih makan ?
Nak kasi bertina , fikirilah saudara

Ini Wira Negara yg Tulin ,sampai terbatuk batuk beliau berhujah demi perjuangan beliau
Tun Permata Malaysia

Perkara sebergini tidak akan akhir begitu saja
Pembangkang lain akan menyalak sebab perbuatan ini
Amat memalukan , membenci kan Rakyat ,perbuatan Terkutuk
Perkara bergini menghina Rakyat

Untuk seekor , sanggupkah anda berdepan dengan beribu ?

Umranrc. You are barking up the wrong tree.

It is the expert in the PAC, perhaps Tony Pua of DAPigs, who you should send your quiz to get the proper answer.

Anyway, your assertions are too familiar in the Red Bean circle, and I suggest you hook them up to compare notes.

Salam Tun,

Mohon laluan...

"even when my ideas are running counter to the popular belief"

Well.... this is where you are 100% wrong Karl. It is not a 'popular believe' but it is a FACT.

You want to challenge that? Answer those questions that was posted before this.... anyway since you're not smart enough to search for it, I pasted again here:

"1. Wang SRC RM 42 juta, sahik mengalir dalam akaun peribadi Dato' Sri Najib. Apa sebabnya?

2. Alasan yang bertukar-tukar dari masa kesemasa dari Dato' Sri Najib mengenai derma 2.6B. Mula-mula langsung tidak mengaku, kemudian mengaku kerana PRK, kemudian kerana IS, kemudian dipulangkan.... yang sebetulnya apa?

3. Kenapa Pengerusi PAC memadamkan perenggan mengenai pendedahan BNM mengenai Syarikat Good Star (yang menerima sebahagian dari duit) TIDAK ADA kene-mengena dengan 1MDB-PetroSaudi JV, tanpa mendapat persetujuan keseluruhan ahli-ahli PAC?

4. Kenapa laporan AUDIT oleh Jabatan Audit Negara terhadap 1MDB dirahsiakan? Sehingga menimbulkan syak wasangka yang tinggi oleh keseluruhan masyarakat antarabangsa kerana pendedahan Sarawak Report, adakah SR menipu? Jika SR menipu, dedahkan laporan supaya kita semua boleh membetulkan keadaan."

If you do not know the answers, please shut up and go back to school where you belong. And I've talked to many of my Master's Students, all of them rationally knows there are too many wrong things going on.... so do NOT say that you represent your generation.

Thanks Tun.

Assalamualaikum Tun,

Tun, please can I have a few moment with your loyal fierce fighter, Sdr Faridina.

Please faridina, don't blame yourself. It's not that I became a victim because of you. All that happened was because women's reputations have never been spared. Women have always been made a mockery, without their consent their lives invaded, abused, bullied and displayed as exemplary to show-off how more powerful, intelligent and worldly men are, this refers only to the heartless, merciless, no respect and love for their womenfolks. Thank you, faridina. May Allah Bless you. Thank you Tun for this moment.

Tun, Malaysia will be reborn again! With the freshness brought by the new people's party with non-corrupted leaders, Malaysia is set again to the right path. Malaysia under her current leadership, sadly to say has gone wild and rampant with corruptions. Corruption has become an epidemic. It has laid its foundation so strong it has become like normal in people's everyday livings. It has infested all the institutions you can think of. Corrupted leaderships will breed corrupted followers. Corruption will lead to a failed nation. Thus came the light in the form of Tun's people's party to help save Malaysia.

Save the nation, that's the main purpose of this new formation. People have to know the real reason behind it. Tun, the kampong folks they need extra reasoning, more diplomacy and deep amount of patience. They cannot be rushed, Tun. But then time is short. Time to work is now. It all depends on your art of persuasion and your charismatic-self to influence them in bringing them to you, and don't they expect any 'gifts', ya Tun. It all comes to the sincerity of their hearts.

Tun, the Malays who support and join this new party must have a set of new mentality (the Malays here refer to the ex-Umno). They must sacrifice and leave behind their gah of ketuanan, as a little spark of it will lead to racism. They too must set themselves free of the snobbish attitude and air of high and mighty. The rich Malays and the more educated must share their wealth and knowledge, help the weak and the young to stand on their own and not depend too much on tongkats. All must work together. All must help each other. Set aside all differences and be united. Only then people, all Malaysians, can put their trusts in this new people's party.

Tun, these concerned issues need to be studied thoroughly and the significance. This new people's party must not be like Umno, the Umno you left behind for good. It must have its own life, its own independence, functions and guidelines. You know very well, kan Tun, you've been there before. We don't want "pisang berbuah dua kali", as the wise Malay saying goes.

Tun, I believe DSN and his Najibutics (Najib Fanatics) will not wait a little longer to accelerate at top speed to spin-off and manipulate the situation for their own political survivals. They will deploy their armies of spinners even before you set the momentum. They will blurt out that Tun is only doing for his political agendas. Tun, they are wriggling on hot seats! Tun, watch out too for any sneaky trojan horses. We have to watch our backs always.

Tun, I laid out my thoughts here out of my sincere concerns to you and your new baby. But you Tun as wise as you are, you know better than I do. Well Tun, when everything is set in order, please tell me

how do I get on board. Can't wait to set sail with you and your loving loyal wife and company. May Allah gives His Barakah to this new people's party.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety and Thank you Tun.

Assalamualikum Tun,

Penubuhan parti baru memang tak lari dari 'pros and cons' . Kadang-kadang kita kena letakkan diri kita mengikut keadaan. Katakanlah saya ialah penyokong UMNO yang tak bersetuju dengan pemimpin yang sedia ada. Apakah pilihan saya? Adakah saya akan keluar dari UMNO dan menyertai parti pembangkang sedia ada. PKR yang diasaskan oleh DS Anwar Ibrahim yang dari dulunya menentang ideologi UMNO dan ketika ini pergolakan dalaman PKR yang mana Rafizi sendiri mendedahkan salah laku pemerintahan Azmin atau DAP yang kita tahu perjuangan kaumnya lebih diutamakan atau PAS yang pada asalnya adalah pilihan alternatif tetapi dengan perpecahan dalaman parti itu sendiri menyebabkan tertubuhnya AMANAH.

Adakah TSMY dan DSSA akan menyertai parti pembangkang sedia ada yang mereka sendiri menentang semasa PRU13 lalu. Mereka nak sebuah parti yang menyokong ideologi asas UMNO iaitu menjaga kepentingan orang Melayu dan Bumiputera dan satu kerjasama yang dapat membetulkan salah laku yang berlaku pada kerajaan sekarang ini. Kita tahu untuk membetulkan UMNO secara dalaman tidak akan berlaku sebab semua ketua negeri, bahagian dan cawangan 'TAKUT' untuk melepaskan kedudukan mereka dan keistimewaan yang mereka ada sekarang ini.

Ini adalah satu peluang atau platform bagi mereka yang mahukan perubahan tapi tidak akan menyertai parti pembangkang yang sedia ada. Mereka mahukan identiti mereka sendiri daripada menumpang parti lain.

P/S: Ini adalah pendapat saya sendiri dan bukannya pendapat ramai.

"2. Beliau seorang yang telah makan dedak terlalu banyak"

Mereka2 yang dah disuapkan dedak oleh Najib sekarang hampir kesemua senyap seribu bahasa, termasuk tukang tiup trumpet Najib si Salleh Keruak. Najib tak lama lagi duduk kat situ, jadi pemakan2 dedak tu tengah dok fikir masa depan masing2 macam mana nak selamatkan diri, dah takde masa nak pertahan Najib.

Si Hanafi Mamat tu, semacam juga si Annuar Musa, berkemungkinan besar belum lagi dapat dedak Najib, atau dedak yang dah diberi belum kenyang perut, atau tak kenyang2 (kelahap)! Jadi mereka tu mengharapakan sangat pemberian dedak kali terakhir (last bus) dari Najib!!

With the right people, a solid platform and at the right time – it will be a definitive turn for Dr M to usher in his supporters, including those in PAS and PH towards a new beginning and with one direction.

Congrats Dr M, for having the courage and resolve to start over.

PARTI BARU?

Mengikut formula matematik

FORMULA A

Parti baru berbilang kaum pimpinan tun + Pakatan Rakyat + NGO anti nejob + orang berpengaruh = Jahanam.

AMARAN: Ingat!! sejarah dato onn tubuh parti berbilang kaum Independence malayan party IMP + Tak dapat sokongan = Jahanam/Bubar

FORMULA B

Parti melayu baru pimpinan tun + Pakatan Harapan + NGO anti nejob (MELAYU,CINA,INDIA) + orang berpengaruh dalam politik (cth sanusi junid dll) + ahli amno tak sehaluan nejob masuk parti melayu baru = berjaya!!

Cadangan

Penaung/Pengerusi/Penasihat= TUN DR M

Presiden=Datuk Shafie Apdal (buat pemilihan presiden)

Perlu diingat bahawa majoriti rakyat malaysia masih berpendapat bahawa parti mewakili kaum adalah lebih baik.

ELAKKAN SEJARAH PARTI IMP DATO ONN BERULANG KEMBALI,...

Assalamualaikum W.Wb.

Tun yg di kasihi,

Saya terbaca laporan akhbar Sinar Harian On line hari ini melaporkan kata kata Dato' Hanafi Mamat Setiausaha UMNO Kelantan tentang Tun. Saya amat kasihan kepada beliau kerana pandangan beliau terhadap Tun dalam laporan tersebut menggambarkan beliau seorang yang sama ada :-

1. Beliau seorang yang tidak sekolah
2. Beliau seorang yang telah makan dedak terlalu banyak sehingga kena kanser otak
3. Beliau seorang OKU ENT @ DUMB BELL
4. Beliau seorang yang tidak jujur kepada diri nya sendiri kerana di bibir berkata lain di lubuk hati berkata lain.
5. Atau beliau mempunyai sakit mental yang tak dapat berfikir
6. Atau apa apa yang sewaktu dengan nya.

Akhir akhir ini banyak sangat komen komen macai macai NAJIB yang dah tak tentu arah dan menggambarkan mereka sedang dalam ibarat cacing kepanasan. Ku Li juga sudah tidak mahu bertanding dalam PRU 14 kerana sudah lanjut usia. Sejak bila pula sedar dah tua bangka ? Dah join

dengan shahrir. Dah tua ke atau takut tak akan menang lagi ? Sendikri jawab lah dan simpan sendiri jawapan nya. Yang jelas bukan kerana dah tua tapi takut tak menang. The Fear Factor.

Sesama lah kita lihat kedepan. Tahniah lah kalau Tun dah buat parti baru. Boleh lah emel kat saya borang nak jadi ahli. Kalau boleh saya nak bertanding dalam PRU 13 bawah parti Tun kerana saya nak minta jawatan PERDANA MENTERI MALAYSIA YANG KE 7. HARAP HARAP DAPAT JAWATAN TU KERANA saya dan Tu ada gelombang yang sama walaupun tidak bersua muka. Banyak hal yang berlaku seperti yang saya ingin lakukan jauh hari sebelum Tun melakukan. Jadi saya telah transfer gelombang itu pada Tun kerana Tun duduk di tempat nya sedangkan saya tidak di tempat nya. Jadi kali ini saya harap saya dapat bertanding di PRU 14 atas tiket parti Tun dan akan menang menjadi PERDANA MENTERI KE 7.

Semoga Allah SWT memberikan kesihatan dan kekuatan kepada Tun supaya dapat meneruskan perjuangan yang belum selesai.

Wasalam.

2. Sinical remarks – done, no effect.
3. Resigned – done, no effect.
4. Harsher remarks – done, no effect.
5. Stand on opposite side – done, no effect.

After 5 steps to correct the wrongs, I guessed the next best thing would be to fight fire with fire....

As a strong supporter against the proven wrong doings of the current leader, I pledged my allegiance towards this new coalition set up by Tun.

Salam Tun,

I agree wholeheartedly with your attempt at a new party Tun. I have to clarify, I am not sure if this is the best thing to do, but I am in agreement that with the formation of this new party, it shows to people your commitment, belief and sincerity in your actions. It is inspiring. To be more specific it is inspiring to us UMNO members who are in limbo. Though I have disagreed with some of your policies in the past, I have never doubted your love for the country.

I will admit to you Tun, and everyone here, that I am a coward. Even as I write these comments I do not dare to come out and profess my support of you directly (for support you I do). For that I am

ashamed. My family and I am fully entrenched with the current government and fear has coursed in my blood into paralysis. I fear for myself, but moreso I fear for my little son. I am aware with what is happening in Malaysia at the moment he will eventually pay the price but my fear makes me see the future as oh so far away. The noose hanging around my neck is much more a reality.

I see you Tun, struggling so hard and I am moved to tears. You out of all us actually have the most to lose (and lost you have). I am amazed how someone 3 times my age could be fighting so hard. And your actions have lit a spark in my heart. As I see you struggle my fear starts to fade, replaced by love and courage. Soon I feel I will have enough to support you openly. Perhaps with this new party. The current UMNO has reached a point of no return. It has to either die to pay for its misdeeds (as a drugdealer has to be hanged), or rule as a dictatorship (as what happened in Burma before). In short, there is no point in trying to rehabilitate it as it will either lose all credibility (as USNO in Sabah did) or become a Fascist party.

Be strong Tun, know that your actions are giving courage to us cowards. I am hopeful that I will soon be counted among the brave and will have the strength to join you before this country is irreparably damaged.

Love and all the best to you and your family. Thank you for still looking after us.

Asalamualaikum Yang Dikasihi Tun dan Keluarga

Apakah Tun sudah muktamad dengan parti baru sebagai platform perjuangan?

Saya waspada dengan tindakan itu atas alasan yang berikut:

1. Siapakah nanti ahli dan penyokong parti baru itu? Parti Melayu atau Pelbagai Kaum?
2. Bergabung dengan Pakatan Harapan?...memang itu yang wajar...tapi mampukah Pakatan Harapan bersatu? Parti parti dalam PH adalah serpihan UMNO (kecuali DAP) yang masing masing punya agenda tersendiri dan mereka satu masa dulu bermusuhan dengan Tun. (Masa kini pun ada lagi). PAS kini longlai dan pucuk pimpinannya condong kepada Najib. PKR masih ada gegaran gegaran dalaman yang membuat parti tersebut berkocak dari masa kesemasa. Amanah pula serpihan PAS dan belum nampak taring dan juga kurang ketokohan.
3. Ketokohan dan pengalaman Tun memang satu kelebihan dan terbukti selama ini. Namun apakah rakyat atau penyokong parti baru ini nanti punya iltizam dan kesanggupan untuk berjuang bersama Tun? Adakah mereka benar ikhlas dan bertindak atas kesedaran menegakkan kebenaran?
4. Kita tahu darah "berpolitik" dalam diri Tun memang tak dapat disangkal. Namun yang kita hargai dan sanjungi ialah darah "Perjuangan Membela Bangsa dan Tanahair" yang tak pernah lekang dari diri Tun hingga kehari ini...dan itu jugalah yang Tun lakukan sekarang. Pandangan dan kepimpinan Tun melangkaui batasan parti politik yang agak sempit kerana parti punyai agenda mereka tersendiri.
5. Pandangan saya...sebagai mantan Perdana Menteri yang telah banyak berjasa kepada rakyat dan negara...sewajarnya Tun mengelak untuk kembali ke dunia politik parti.

Tumpukan usaha untuk menyatu padukan rakyat tanpa mengira aliran politik dan terangkan kepada mereka apa yang sebenarnya berlaku sekarang. Memang Tun sedang melakukannya sekarang...tapi kita kena gembeling tenaga dan sumber dalam kumpulan yang lebih besar dan meluas.

Insyallah Tun, Kedurjanaan dan Pengkhianatan Najib akan terungki akhirnya. Kalau pihak berkuasa dalam negara kita gagal menjalankan tanggung jawabnya...kita bernasib baik kerana pihak berkuasa serta pengamal media luar negara sedang mengambil tindakan dan menyebarkan maklumat yang dirahsiakan oleh Kerajaan Najib. Tekanan dan Pendedahan yang berterusan dari mereka dan digandingkan dengan usaha gigih seperti yang Tun lakukan sekarang akan menghimpit Najib hingga beliau pastinya terkulai.

Itulah jalan terbaik.

KEBENARAN AKAN TERSERLAH AKHIRNYA.

KESEDARAN PENOLAKKAN RAKYAT TERHADAP RASUAH AKAN MENJADIKAN NEGARA LEBIH AMAN DAN SEJAHTERA.

Teruskan usaha Tun!

Salam YAB dan Yang Amat DiKasihi Tun,

Tun, atas sebab-sebab tertentu yang saya rasa tidak perlu dinyatakan di sini, saya TIDAK SETUJU dengan rancangan Tun (dll.) untuk menubuhkan parti baru.

Mesti 'orang-orang bodoh' dalam rejim Najib 'bergumbira' sakan dengan keputusan Tun. Yelah, sekarang mereka bolehlah bermaharaja-lela dan meraikan kejayaan mereka 'hijack' sepenuhnya parti yang telah Tun bina semula dengan bersusah payah selepas diharamkan angkara perbuatan pengkhianat2 parti ketika itu.

Ini cuma pandangan peribadi saya (maaf Tun), dan saya yakin ianya tidak akan mengubah keputusan / pendirian Tun.

Dulupun saya tidak setuju bila ramai yang sarankan supaya Tun hadir pada demonstrasi Bersih 4.0 (dan Tun hadir).

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Assalamualaikum Tun,

Saya bersetuju dengan cadangan penubuhan parti baru. Pada pendapat saya, parti ni harus mengekalkan perjuangan asal umno. Seperti yang kita tahu, umno sekarang bukanlah umno dulu.

Umno sekarang ada parti untuk sekelompok elit yang hidup dan mati adalah untuk Najib. Parti baru ini adalah untuk mereka yang mahukan umno dulu tetapi tidak ada tempat untuk sokong umno sekarang kerana umno sekarang telah dikuasai Najib dan pada masa yang sama tidak dapat menyokong pembangkang kerana berlainan ideologi. Parti umno baru ini perlu berhati-hati untuk hadapi tohmahan terutama bersenkongkol dengan DAP. Saya tau DAP tidak seteruk disangka dibanding dengan skandal 1MDB tetapi itulah mainan politik yang bakal dimainkan. Orang-orang kampung dan yang bodoh taksud umno mungkin termakan dengan mainan ini. Parti baru ini bukanlah bertujuan mengambil penyokong parti pembangkang lain tetapi untuk menarik penyokong BN sedia ada untuk sokong parti baru ini terutama dari kalangan orang muda mudi. InsyaAllah, saya juga akan menyertai parti baru ini. Harus diingat, ini mungkin perjuangan yang penuh berliku, dan umno akan mengerahkan segala instrumen kuasa untuk mengagalkan parti baru ini. Tetapi sekurang-kurangnya ada obor kebenaran yang dinyalakan untuk mereka-mereka yang cintakan kebenaran dan keadilan. Saya juga setuju Tun menjadi founding member dan penaung kepada parti baru ini. Semoga usaha ini mendapat rahmat dan keberkatan dari Allah kerana menegakkan kebenaran dan menentang kemungkaran.

Tun
My thinking You don,t need a Coalition Party
This isn't about going against UMNO
This is about displacing The right over wrong
The wrong is the leader , Najib
And those with him who feared the Truth
Who unable to be a True Man

Yr new formations of a new party
Is The filtration of good from bad from UMNO
An invitations the good from Opposition ,PAS ,PKR ,DAP
And the new Youth of Malaysia
NOT a tool for the Opposition
Foundation of yr new Party is the same purpose as UMNO
But a new name for that purpose
Since the Leader is wrong

Geographical affects has to take place
Again and again our efforts is never against UMNO
Its against the Wrong Leadership even at the expense to close the name UMNO

I felt humiliated very low very angry
When my Leader cannot comes with a good reasons for his mistakes , wrong doings , offenses and perhaps criminal intentions
He refused to clear the air which he himself pollute
He burn the forest unable to explain the reasons why
He thinks he is now in the upper hand
He is capable to wrestle a one 91 yr old Mahathir
Capable of contesting the few Opposition Party
But he will face a thousand Mahathir after the true Mahathir

Its the same They might be on the upper hand today
Likewise if AG Apandi do not know his balance

ASSALAMUALAIKUM Tun Dr Mahathir Bin Mohamad.
Di sini ada sebuah sajak ilham dari saya sendiri untuk dikongsi bersama.

NAKHODA KAPAL

Berdiri megah ditengah kotaraya
Menjadi mercu tanda negara
Ihlah bapa permodenan Negara
Mempamerkan kemajuan bangsa
Lahir seiring matlamatnya
Memimpin dan membangunkan Negara
Menogkah arus kemodenan dunia
Mengapai cita cita dan wawasannya

Memimpin Negara dua dekad lamanya
Menjadikan Negara ini terkenal diseluruh benua
Membuka mata Negara besar dunia
Disegani kerana ketegasannya dan kepemimpinanya
Membuka minda bangsa dalam banyak perkara
Melayu mudah lupa nukilanya
Fikirannya jauh menjangkau masa
Memikirkan anak bangsa serta arah tuju negara

Lahirku di zaman pemerintahanya
Membesar di bawah wawasannya
Yang hanya berapa tahun lagi tibanya
Disemai semangat Malaysia Bolehnya
Linangan air mata mengiringi pengunduran
Namun aku pasti ada juga ketawa gembira
Merajukkah dia atau kerana faktor usia
Hanya dirinya dan YANG MAHA ESA mengetahuinya

Tahun berlalu pemimpin bertukar
Pelbagai sejarah dan isu tercipta
Politik sentiasa menjadi isu utama media
Pembangunan dan rakyat sering menjadi alasannya
Perjuangannya masih belum selesai
Demi melihat bangsanya Berjaya
Keluar dari kepompong kemiskinan minda
Maju dan berwawasan seperti khalifah yang sepatutnya

Dicemuh malah di caci maki oleh anak bangsanya sendiri
Dek kerana kritikan dan persoalan serta teguranya
Sedih..anak bangsanya sendiri!!
Betullah katanya...MELAYU ITU MUDAH LUPA

MENKRIK TIDAK BERERTI MENENTANG
MEMUJI TIDAK SEMESTINYA MENYOKONG
MENEGUR TIDAK BERMAKNA MEMBENCI
BERBEZA PENDAPAT ADALAH KAWAN BERFIKIR YANG BAIK.

Assalam Dearest Tun,

Please allow me some space here to address the issue of one not so bright karlboy.

I'm sorry if indeed I'm the one who insist that other commentators should come out and do some bashing to this poor boy who is all alone in this honourable blog of yours and as a result one good housewife became the victim of this boy anger towards me.

I agree with most of you here that we should just ignore this karlboy and carry on with many other serious issues.

However I guess this applies to most of you here but not to the few of us who will keep on baby sitting this little boy until he sleeps and keep quite.

Most importantly this is a game of distraction so much so that he will not be focusing on Tun but to us instead.

A normal human being will not be able to take this kind of treatment forever and eventually he will call it a day but instead if he overstayed then he might be truly a karldai not karlboy anymore.

Agree with Sudin agreeing with pakpandir08 this time around. Pak Pandir's gave one good piece of advice as a seasoned commentator here.

Wasalam Tun.

Assalamualaikum Tun,

A moment please Tun.

This simple mind of a housewife interprets it the way a normal woman would feel...victimised and discriminated. Never underestimate a woman's intellectual. She maybe lemah kefahaman but she learns from experiences as time passes by. Look through the eyes of a woman and see what she sees and not what a man sees. They may see through the same window but standing at different angles thus their views are not the same. What I see is something so cruel, mean and not very nice.

I will try to ignore and skip over as advised but if ever the other side goes overboard I will not hesitate to adorn in combative gear and defend my Tun from malicious made-up stories. The truth is I'm not brave and skilled enough in combating arguments and confrontations like most here, in fact all here whether with or opposing Tun. But not a coward.

Therefore, I a simple housewife humbly thank each one of you for the kind words of comfort, support, encouragement and the colourful and beautiful pieces of advice. Tun must be proud to have beautiful people like you. Thank you again. May Allah forever Bless you all.

Thank you Tun for this peaceful moment. May Allah Bless you Always Tun. May Allah Protect you Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety. Good luck in your new undertaking. Everything good comes from Allah.

I end with the wise saying by Tun: "People tend to respond more positively to the friendly approach than confrontations. Pushed into a corner even the weakest will fight."

BN ready to face 'anyone, anytime, anywhere'

PETALING JAYA: Barisan Nasional is ready to face "anyone, anytime, anywhere" for the future of the country, even the new opposition coalition announced by Tun Dr Mahathir Mohamad, Barisan strategic communications director Datuk Abdul Rahman Dahlan said.

He welcomed the formation of the new grouping, but described it as a "dangerous liaison", adding that the announcement by the former prime minister is not surprising to many people after his attacks on the current Barisan leadership.

To Karl,

Look back at your statement and see what's wrong with it? Don't try to hide as people now are not as stupid / dumb as you think.

Your Statement:

"If some dude creates a story that you and he have been sleeping together, would you even dignify it with a response?"

The Facts:

- Who are creating story?
- What happened now is YOU GET CAUGHT of something fishy, and you just silent for that
- If there were stories, it was mainly due to you keep quiet when get caught, or the explanations from you sound childish
- If you wanted to avoid more stories in future, then you should just prove yourself with some convincing forensic evidences
- But funny thing is you are not willing to do that to stop more new stories coming out. I guess a normal person don't even need to think using his/her brain, just using the butt to think also can feel something are not right

Khabar Tun menubuh parti baru begitu merangsangkan. Rakyat nak harapan baru. Arena politik tanahair memerlukan nafas baru.

Tibalah masa untuk terlahirnya sebuah parti untuk Rakyat Malaysia yang berbilang kaum. Rakyat nak sebuah parti yang berlandaskan konsep "Parti Negara" Allahyarham Tun Jaafar Oon, di mana kepentingan Negara diutamakan.

Hari raya yang lepas biras saya kata kat Kelantan pun orang dah berbelahbagi pasal PAS.

Kemudian dia tanya apa pendapat saya?

Saya kata kalau PAS campur PKR dan DAP macam dulu mereka akan menang.

Salam Dearest YAB Tun,

Allow me Tun:

Alahai! The dumb person has spoken (<http://chedet.cc/?p=2186#comment-133832>), but as always his response was 'hampeh / nothing' – merely a stupid and 'merapu-meraban' response.

Wahai 'Mak Cik Karl' @ SiDung*, where are the answers to my questions (<http://chedet.cc/?p=2186#comment-133819>)?

Why do you like to call others 'Mak Cik'? OCD (Obsessive Compulsive Disorder) I guess...Or may be that's how you show your utmost respect towards others. I'm just imitating you.

The missing 'Dr. Jafri' (@ Dr. Hampeh!) also left us with his OCD remarks (in his comment). Are the two of you related and are having the same 'health issue'? Mental problem? Same ward?

My advice to you: Please stop eating 'dedak'. It's not good for your health 'Mak Cik Karl'. Sooner or later the 'dedak' @ 'rasuah' is going to affect your physical and MENTAL.health (your family too).

P/S: Mak Cik Faridina , thanks. It's easy to handle this dumb person...Let's follow his style.

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Assalamualikum Tun,

Pada pandangan saya mereka ni bukannya bodoh tetapi 'pandai' manipulasi keadaan dan masa. Mereka yang dilantik akan dimanipulasikan oleh individu atau kumpulan yang mempunyai agenda tertentu. Mereka 'pandai' mengubah undang-undang yang memihak kepada mereka dan boleh menutup kesalahan mereka.

Pada masa sekarang inilah golongan penyokong sama ada kumpulan atau individu 'pandai' menampilkan diri sama ada dimedia sosial atau lainnya dengan harapan 'orang atas' kenal mereka dan akan datang mereka diberi kedudukan.

IMHO sekarang ni yang memegang kedudukan takut untuk melepaskan kedudukan mereka kerana mereka tidak akan dapat kedudukan yang sama dimasa akan datang. Mereka 'pandai' berlakon bodoh.

Saya gagal sebagai menteri atau timbalan menteri jika dalam jabatan saya kakitangan saya disiasat atas kes penyelewengan, rasuah dll. Saya akan melepaskan jawatan kerana sifat tanggungjawab tapi sebelum penyiasatan penuh dibuat. Tetapi sekarang kita lihat mereka akan ditukarkan portfolio ke kementerian yang lain dan yang dulu bekas menteri yang digugurkan kerana beberapa kes dilantik semula.

Kita tahu seseorang itu membuat salah tetapi kitalah yang bersalah kerana menyatakan perbuatan tersebut betul. Setiap individu ada 'jiminy cricket' yang memberitahu setiap perkara yang kita lakukan itu sama ada betul atau salah.

Saya lihat sekarang ni pemimpin yang memimpin telah hilang 'conscience' atau 'jiminy cricket'nya telah dirantai atau dihalau.

Apa yang boleh menyelamatkan mereka sekarang ialah jika setiap individu bahagian atau cawangan membenarkan 'jiminy cricket' nya membetulkan keadaan. Tapi dalam keadaan sekarang sukar bagi saya untuk melihat perubahan.

Dear Tun,

Just nak komen sikit pasal komen-komen negatif daripada mana-mana komentator yang sengaja menyerang peribadi Tun serta menyebabkan kekecohan dalam blog chedet.cc ini. You must have your

own reasons for letting these negative comments to be published. Bravo Tun. There will be all kinds of people out there and they have their rights to say what they want but ultimately whatever they say will really reflect who they are or what they are. You are not the least affected Tun. Tak luak tak rugi satu apa pun. Yang nampak burok perangai dan biadab adalah mereka juga. Biarkan mereka terus menulis atau mencerca memaki (gembala babi dsbnya) sebab segalanya seperti cermin akan reflect pada mereka sendiri juga.

Kepada Puan Housewife, just ignore this Karl Iskandar or whoever. There'll be lots of his/her likes out there. Jangan baca la apa yang dia komen, skip them. Kalau u respon lagi dia suka. U won't want to be in the same boat he rides. Nanti bila boat tu terbalik dan karam dia pun tinggal sejarah. Let's benefit our time by contributing positive thoughts in Tun's blog, let's support Tun the best we can. Ignore the bullies.

Dearest Tun Mahathir, we support your efforts in realising a new political platform for the Malays. UMNO hanya tinggal namanya sahaja yang gah sedang perjuangannya sudah berderai dimakan oleh penyakit rasuah dan gila kuasa rejim Najib.

Salam Tun,

Sedikit nak berborak dengan Puan Sri Sense...

Yup, betul la, biar la dia bercakap.... tetapi biarlah bercakap tentang fakta serta membuahakan pendapat secara berilmu dan bukannya main hentam tak kena tempat.

Sebagai contoh, penulisan dari Tok Jangut dan PakPakdir08, sungguhpun adakalanya pedas, pendapat-pendapat yang dibawa oleh mereka perlu kepada kupasan fakta yang lebih meluas. Disini lahirnya perbincangan yang positif dan insya Allah membawa kepada kemajuan semua.

Sebenarnya saya (dan mungkin ramai lagi) sedang menunggu pembentangan-pembentangan fakta secara terus dari budak tak cukup akal ini tentang soalan-soalan yang dilemparkan sebelum ini....

1. Wang SRC RM 42 juta, sahah mengalir dalam akaun peribadi Dato' Sri Najib. Apa sebabnya?
2. Alasan yang bertukar-tukar dari masa kesemasa dari Dato' Sri Najib mengenai derma 2.6B. Mula-mula langsung tidak mengaku, kemudian mengaku kerana PRK, kemudian kerana IS, kemudian dipulangkan.... yang sebetulnya apa?
3. Kenapa Pengerusi PAC memadamkan perenggan mengenai pendedahan BNM mengenai Syarikat Good Star (yang menerima sebahagian dari duit) TIDAK ADA kene-mengena dengan 1MDB-PetroSaudi JV, tanpa mendapat persetujuan keseluruhan ahli-ahli PAC?
4. Kenapa laporan AUDIT oleh Jabatan Audit Negara terhadap 1MDB dirahsiakan? Sehingga menimbulkan syak wasangka yang tinggi oleh keseluruhan masyarakat antarabangsa kerana pendedahan Sarawak Report, adakah SR menipu? Jika SR menipu, dedahkan laporan supaya kita semua boleh membetulkan keadaan.

Banyak lagi soalan-soalan yang perlu dijawab akan tetapi, malang sekali, mereka-mereka yang diberi tugas untuk mematahkan perjuangan Deklarasi Rakyat ini memilih untuk tidak menjawab soalan sebaliknya cuba untuk membuat 'character assassination' terhadap Tun. Hahaha.... teramatlah bodohnya.

Seperti yang selalu saya katakan, sekiranya ada diantara kita yang mempunyai perbezaan ideologi politik, elok juga kerana sekurang-kurangnya kita boleh luaskan minda untuk memahami lebih banyak perkara. Dan, perbezaan itu sepatutnya diterjemahkan dalam bentuk hujah-hujah yang bernas dan bukannya penulisan bodoh yang dipaparkan.

Sekali lagi saya ulangi, Tun dengan Aruah Datok saya (Mohamad Isamdar Bin Salimmullah) ada sedikit pertalian dimana Aruah biasa membeli pisang dari Tun semasa di Kedah dahulu dan semasa hayat Aruah, apabila Aruah sempat bersolat Jumaat di Masjid Negara, sekiranya ternampak, Tun akan memanggil Aruah sebagai 'Mamu' untuk duduk bersama-sama Tun di saf yang pertama. Akan tetapi ini TIDAK bermakna saya sendiri sentiasa bersetuju akan kesemua polisi-polisi yang diperkenalkan oleh Tun (telah dibentangkan sebelum ini tentang beberapa polisi yang tidak dipersetujui). Bagaimanapun dalam hal menentang kecurangan wang Negara ini, persetujuan saya sememangnya tiada belah bagi lagi.

Terima Kasih Tun.

Karl relishes and look forward to you all to argue and counter him.He enjoys being in the limelight

My advice to all readers – Jangan layan aja. Jgn balas, bahas atau beri opini pada dia.

Once Karl do not receive any argument or response from you all, he will eventually make himself disappear from this blog.Bcos he knows he is not wanted anymore.

Simple aja. Thats how I treat with people like this guy Karl.Since we cannot block or delete him from this blog, we might as well jangan layan aja. Just skip his comment (period). Dont waste time being emotional.

Aslm.

I have to state clearly here that my comments are focused and corresponding to issues taken on by Dr. Mahathir on his blog, and NOT to indulge in personal attacks as what Makcik Faridina, Hajar, Housewife have each developed into their personal OCD cum addiction towards my comments.

What the Makciks reveal in their mental and emotional prolapse, says a lot about the process of Dumbing Down of the Tunatics (Tun Fanatics), who whenever feels threatened by reality, will mob-ify into a solid waste of ideas. It's like the same shit, different smell being regurgitated in a loop under their programmed consciousness. It becomes a hardened habit, and devoid of intellectual curiosity, with their single-mindedness and mortal fear of being wrong.

Enough said already, and please allow me to rephrase my meta-communication with Makcik Housewife so that it is now an open invitation to all for an intellectual discourse and analysis:

To a woman. Married and chaste.

If some dude creates a story that you and he have been sleeping together, would you even dignify it with a response?

Now, let's say he goes further to amplify this story so that more people have access to it, hence creating a scandal around your good self. To a point, you may need to speak up to defend your honor and reputation.

Later on, some but not all people found out that he is your ex-husband, who in his old age suffered a selective memory condition ...

I'm sorry and equally surprised that Makcik Housewife took to an emotional spin off of that piece, without considering the psychological cognitive aspects of the transcription.

Assalam Dearest Tun,

Bravo Housewife that was indeed a good and touching reply, very very motherly. Many2 thumbs up here for sure. You wrapped it all and clarified on behalf of all ladies here.

That dumb boy could not even think of a decent analogy that will support his arguments but what to do this is the trademark of the dedakians.

He should not be talking about his honour and reputation in someone else blog when at the same time discrediting and show no respect for the blog owner.

Karl can always move his fat ass out of here if he feels that he is being bullied and by the way Karl can get the very much more respect and honour in own blog or if he decides not, then as I have said before he will eventually lost a lot of respect from his very own followers and they will eventually unfollow him.

By right Karl should have quote an analogy like this “how could I not retaliate back aggressively when they kept kicking on my fat ass and sometime came knocking on my head, I know I'm only a donkey but at least they can show me some respect, a nice obedient donkey serving loyally for my master”.

Wasalam Tun.

p/s – For Hajar, our own other makcik above have now replied as I could not do it before as you know why as you might be alone to fight for the ladies before. Hajar, Housewife and Umranc are among Tun's many loyal extremely great fighters here and I salute them.

Selamat Hari Raya, Maaf Zahir Batin kepada Tun dan Tun Dr Siti Hasmah. I wish you and Tun Dr Siti Hasmah, "Happy Belated Birthdays!" too. May Allah SWT continue to bless you and Tun Dr Siti Hasmah.

1. I hope you would form a new party (as reported) soonest possibly. As with dealings with any bullies, you have to bring the fights to them lest they would continue to bully you! Whether you would win or lose in those fights, it does not matter. What matters is that you would not allow those bullies to continue bullying you! Fight we must; no retreat, no surrender! We must persevere in facing adversity. We must close ranks (within all opposition parties) and equip ourselves (with sufficient funds viz. 'war chests' and resources) to challenge those bullies. God willing, we shall overcome all obstacles thrown at us by those bullies!

2. Let us go already, Tun! You have done it all before, and I have full confidence in you to do it all over again now! We are running out of time; two years is a very short time (albeit a threat by those bullies of invoking the NSC when they so please! As it were, we are already witnessing prelude to it, as we speak!) Believe me, they are many of us who are waiting for you to initiate this new party. As it were, 1.2+ million Malaysians are with you already (and counting, I believe!). Many, many, more silent Malaysians are waiting for you to form a new political party, as a platform, for us to chase those bullies out of Putrajaya! Trust me!

3. We need PAS, PKR, DAP, and all other various opposing parties including PERKASA to join us in our pursuit of freedom from the shackles of those big bullies. This fight is about the future of our generations. It is bigger than mere race, religion, and racism. It is about dignity and integrity. We want to be as proud a Malaysian, as we once were! We have to give equal if not better opportunities, for our future generations to lead a better life; better than what we had enjoyed under your premiership, for 22 years. We want them to be proud Malaysians with dignity and integrity, forever!

Sekian, Tun, terima kaseh. Wassalam.

P.S.

Dear Housewife,

Do not despair! You have to learn to ignore those paid bloggers. They work in cohorts with one another. Those names are just pseudonyms; they are nameless, faceless, and heartless bunch of bullies. Their SOP is to "kill the Messengers, and not to read those messages!" They would attack you personally, to gain psychological advantages over you and all of us; same as what they have been doing and would continue to do to Tun and to all those who are against them. They are neither young or old, male or female, Malays, Chinese, Indians, Punjabis, Eurasians, etc. They are just mere robots under instructions and paid and or compensated highly, by their Paymasters! Just enjoy your time here in Tun's Blog. If Tun (and the Admin) allowed them in (while knowing their identities), just let them be. Someday, they works shall end when their paymasters stop paying them! Nothing is personal. They are doing all those dirty works just because their paymasters are paying them to do so. Hence, let us focus on ridding those paymasters from paying them rather than entertaining and or rebutting them, and win our psychological war with them! Cheers!

To Karl,

You are just a coward based on your comments:

– “If some dude creates a story that you and him have been sleeping together, would you even dignify it with a response?”

If you wanted to express an example, you should express it correctly. It should sounds like this:

- Your wife found a women belongings in your cupboard. You just silent when your wife wanted a clarification from you
- After some time you admit its belonged to a neighbor. And it was a private gift from your neighbor to you
- Questions arise why your neighbor gave you such gift, and within the neighborhood people are asking around. The incident create impacts to your family reputation
- Your father then clarifies that he checked the CCTV and nothing wrong with it
- However, people within the neighborhood still continue to gossip about this due to curiosity
- Questions: since it was a truth, why don't you just share the CCTV to clear up yourself so that the gossips can be stopped there?

Syabas saya ucapkan pada Muhideen kerana
Berani kerana Benar menuruh Audit 1MDB di bongkarkan
Kenapa audit 1MDB di classified sebagai Secret Official Act

1MDB is a common investment
Bukanlah satu rahsia kerajaan yg perlu di sembuyikan
Lainlah lah Military Secrecy , misalnya Najib nak takluk Singapura, Thailand ke , Secrecy against
Terrorists atau menyentuh Racial Harmony

Ini fasal hutang bertimbun 1MDB , 1Malaysia nak bayar
Nak pakai duit siapa ? Duit Bapak siapa ? Duit Nenek siapa ?
Kemana pergi itu semua duit sampai membeban kan Rakyat ?
Apa kejadah bolih jadi Rahsia Kerajaan ?
Bila belanja , bawa keluar duit 1MDB suka suka hati hingga 1MDB berhutang .Sekarang bila rakyat
ingin tahu , jadi pula rahsia Kerajaan under Official Act .Eh ini apa punya penyagak dah !
Nak tipu pun janganlah tipu si penipu

1MDB perlu ada transparency
Ini hak 1Malaysia
Sebab Rakyat juga yg membayarnya
Alamak ! si Raj pun asik tidur je
lalah dasar orang kenyang , tidurlah
Tidurlah.....tidurlah wahai Permaisuri
TidurlahJangan Bangun lagi bagus

Dimana Semangat Perjuangan kita sebenar sebagai 1 Malaysia
Ini baru persoalan wang ,persoalan dalaman kita sama kita
Bagaimana pula jika kita Malaysia digugat seperti
di Syria, Iraq , Libya oleh suara asing

Tolong jawab Tuan AG
Anda adalah the Main Character here
Anda mewakili Kehakiman

Najib appoint awak itu kuasa dia , dia berhak
Tapi awak yg di amanahkan untuk Keadilan
atas sumpah yg awak telah lakukan
Keadilan Tidak kenal siapa , walau anak kesayangan awak sendiri

Ini Ujian berat bagi awak
Hormatilah Tugas awak

You are the main character here
Not Najib not Mahathir
Bukan Pas bukan UMNO

Assalamualaikum Tun.

Yep. Si bodoh cuba mentadbir negara. Segala respon dijawab dengan penyelesaian bodoh. Dah la bodoh, sombong pulak tu. Bodoh sombong.

Kita bukan takut pada orang bodoh. Kita cuma berhati hati dengan penyelesaian bodoh orang gila kuasa je. Nanti rakyat terbeban.

Kawan saya kata, sebelum orang buat aku, baik aku buat orang dulu.

Ada orang taksab pada misteri. Ada kata perlu jahat untuk berjaya. Ada kata perlu baik untuk berjaya.

Ada kata berjaya bila kaya. Ada kata berjaya bila miskin. Ada kata berjaya bila dengar pendapat orang orang lama.

Saya tak tahulah. Saya fikir saya berjaya dalam 'bidang mentadbir Malaysia' apabila idea ekonomi saya pada 2008 diterima setelah ditapis oleh Tun Mahathir kemudian melalui kuasa vip, kemudian berlaku pertukaran portfolio menteri, kemudian Pak Lah bersara, kemudian ekonomi Malaysia distabilkan dengan keadaan global.

Malah keadaan politik semasa dapat distabilkan buat sementara waktu.

Ia berkenaan perpaduan antara berbilang bangsa. Mengurangkan jarak antara kaya dan miskin. Keanjalan Malaysia menghadapi gangguan global.

Kita telah melepasi krisis semasa itu dan telah terbukti penyelesaian tersebut berkesan.

Kini kita menghadapi masalah terbaru. Seperti saya katakan, InsyaAllah pada masa mendatang segala masalah akan ditemui penyelesaiannya melalui jalan tasawuf.

Malah MH17 juga ditunjukkan jalan penyelesaiannya oleh jalan tasawuf.

Maka saya katakan di sini. Untuk berjaya seperti Tun Mahathir, jadilah hati yang baik.

Hai jiwa yang tenang. Masuklah ke dalam jamaah hamba hamba-Ku.

Al Fajr. InsyaAllah.

Terima kasih Tun.

Tun

You deserves a good retirement

But it seems with yr spirit & of now what happen to Malaysia

To UMNO , to the Anak Bumi

It is a call for you to wake up from yr bed and put Right for Malaysia

As what LKY mention in his speech before his Death

He will wake up from his Grave if any happens in Singapore

Now Lky is contesting to become God against God

On earth He is God of No Mercy Kuan Yew

On death he is contesting to be God of Mercy Quan Yin

Just form a new face of UMNO Foundation with a better name

Better images , better and qualified team of people

With you laying down the new stone of UMNO

The new UMNO will filter the good people from UMNO ,PAS ,PKR & DAP

You do it now , you will have publicity without any news media

It will be an impact to the rest of other party especially UMNO

Najib can have the old UMNO ALL by himself

Shared with the First Lady Gaga of Malaysia with their family and name

UMNO lama

Najib Rosemary Family & Anak Menantu Snd Bhd

You just need to lay the Foundation

And lets Muhideen , Mukhlis & many more good guys from UMNO ,PAS ,PKR & DAP

Will together hold the flag of our new Party

To a point, you may need to speak up to defend your honor and reputation.

Well said Karl. Couldn't agree more with you. This should also apply to the honorable and distinguished Prime Minister Najib Tun Razak. All he needs to do is to declassify the Auditor General's report to prove to the world that he is clean as a whistle.

Assalamualaikum Tun,

Tun, I just arrived home from fetching my son, feeling tired and half asleep, my hands decided to reach out for the laptop and just wanted to have a quick look at chedet as I have to get up early at 4.30am to send my son to work, my routine job every weekdays. My eyes went wide open! I got an unloving, unmotherly reprisal from a young educated man 'met' here in Tun's blog. I think he won't care what I think but I would like give a piece anyway.

Dear karl yang bersopan santun,

Kamu kata pertama kamu sebagai Muslim, kamu bersama agenda Islam. Keduanya sebagai Melayu Nasionalis, mempertahankan hak Melayu.

Kamu kata blog Tun satu wadah yang serius bagi pemikir politik menyantuni idea dan analisis dengan fikiran yang kreatif dan berkongsi manfaatnya bersama Tun.

Kamu kata setiap peserta yang mengirim komen seharusnya menjaga adab penulisan dari segi ejaan, penggunaan bahasa, penyampaian idea yang melambangkan budaya berfikir yang tinggi, sopan-santun dan selaras dengan aspirasi Tun.

Kamu kata umur biologika seseorang itu tidak menjamin kematangan berfikir melalui tulisan mereka.

Adakah kamu ingat kata2 kamu ini, dear karl yang budiman, seorang Muslim, seorang Melayu Nasionalis? Sila rujuk penulisan kamu: Jun 26, 2016 12.52pm, tajuk: Hak Istimewa

Dengan kata2 dan perumpamaan yang amat tidak manis ini tidak melambangkan kamu seorang Muslim jati, seorang Melayu Nasionalis jati.

Kamu sudah lupakah kamu keluar dari perut siapa?

Kamu sudah lupakah siapa menyusukan kamu?

Kamu sudah lupakah siapa mendodoikan kamu?

Kamu sudah lupakah siapa basuh najis kamu?

Kamu sudah lupakah siapa suap kamu apabila lapar ?

Kamu sudah lupakah siapa bersengkang mata tak tidor apabila kamu sakit?

Kamu sudah lupakah siapa gosok basuh pakaian kamu?
Kamu sudah lupakah, dear karl yang berfikiran dan berbudaya tinggi?

Siapa lagi kalau bukan makhluk ciptaan Allah yang bernama Gadis, Perempuan, Wanita, Isteri, Makcik, Nenek, Housewife.

MEREKA ini adalah saya dan saya adalah MEREKA (belum nenek lagi)
Adakah ibu, kakak, isteri, makcik, nenek kamu juga MEREKA?

Kamu saya anggap sudah matang, berpendidikan tinggi, diberi ilmu tinggi dunia dan akhirat sehingga boleh digelar SEORANG MUSLIM MELAYU NASIONALIS. Kamu fikirkan sendiri apa tindakan kamu selepas ini.

Your response shows who you really are. Yes, you are very creative indeed, with ideas way beyond anyone's imagination. I knew I took a risk when I decided to respond to your writings. Actually, I want to know and see what and how you would react, to anyone's responses or comments for that matter, so that I could give you the due respect, if you deserved. Your friends here before you are much better and well-mannered and could conversed and exchanged thoughts, eventhough sometimes quite fiery, intelligently and comfortably, well almost.

But you, my dear karl yang berbudi bahasa, you are a great disappointment to me. I just don't know what to think of you now. But you don't care what I think, do you?

As a woman, a mother, a housewife I wish you all the very best in your life. May the women around you love and respect you as much as you do to them.

Tun, this is all for tonight. Yes, of course Tun I admit I'm hurt, which woman doesn't when you have been degraded so low by someone you don't know or hate. But I braced myself for something like this to happen. I'm just human. I'm just a housewife. Thank you Tun.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care Tun and Thank You Tun.

Masyarakat pilih kamu bukan untuk kekayaan atau hanya merasmikan majlis pembukaan, majlis makan bersama anak anak yatim dan rumah orang tua, itu setakat taraf guru besar dan ketua kampung pun mampu....di mana kah kamu wahai normala dan juga azalina apabila spa spa urut

semakin berleluasa di kawasan2 kamu...jangan jadi pemimpin jika tidak memantau seluruh aspek kawasan kamu...

Salam YAB dan Yang Amat DiKasihi Tun,

1. Sebenarnya bila baca tajuk artikel Tun, 'Orang Bodoh', saya rasa seolah-olah Tun mengiktiraf dengan 'gelaran' SiDung* yang saya beri kepada orang suruhan (pemakan dedak) rejim Najib

bernama 'Karl'. Macam sama pula pemikiran saya dengan Tun (perasaanlah sikit...).

2. Mereka dalam rejim Najib dan semua yang menyokong kemungkaran serta bersubahat melakukan suapan rasuah memang wajar digelar 'dumb people / orang bodoh @ dungu' sebab masih tidak faham2 (dosa & akibatnya) walaupun Tun telah cuba berkali-kali untuk 'menegur' mereka secara berhemah dan cakap berlapik.

3. Ada juga beberapa kali saya tulis yang SiDung*@Karl sama dungu dengan bos/tuan dia, PM Najib @ Ah Jib Gor. Orang dungu saja yang tidak faham bahasa, tidak tahu malu (muka tebal; sanggup hina/fitnah Tun di blog milik Tun), kurang ajar, serta terlalu perasan / syok sendiri.

4. Saya juga sudah dapat agak yang SiDung* akan melatah dan panas bont*t bila baca penulisan Tun ini.

5. Memang betulpun sebab dengan tidak semena-mena mereka yang pro-TUN dituduh 'the real dedak eaters & dumb followers' oleh SiDung* (Jul 13, 2016 10:33 AM). Nampak benar pemikiran SiDung* tidak matang dan dangkal seperti yang dia selalu pamirkan. Sepatutnya dia MENYANGGAH atau berhujah berdasarkan fakta, dan buktikan yang dia dan mereka yang dalam rejim Najib tidak bodoh seperti yang digambarkan oleh Tun. Tunjukkan bukti (transaksi / dokumen), dan bukan sekadar mengungkit kisah2 lampau yang dijadikan 'cereka – fitnah' semata-mata untuk menjatuhkan kredibiliti dan imej Tun.

6. Yang sedang di puncak kuasa ialah DSN & gang, dan yang sedang dihakimi oleh rakyat kerana rasuah & salah laku ialah rejim Najib, bukan Tun M. Cuma orang bodoh @ dungu (seperti SiDung*) saja yang asyik cuba mengalih perhatian rakyat kepada isu2 lapuk yang sepatutnya ditangani berpuluh tahun dahulu (jika betul bermasalah & ada bukti).

7. Kepada SiDung*@Karl, sila jelaskan kepada pembaca2 di sini di mana wang RM 28 Billion milik 1MDB yang 'lesap / hilang'. Siapa yang songlap wang ini? Tolong jawab jika anda & DSN di pihak benar. (Orang ini tidak pernah jawab soalan; pandai mencela/ memfitnah saja).

P/S:

– Saya rasa SiDung* sudah 'tidak waras' bila tuduh mereka yang pro-TUN sebagai 'the real dedak eaters' sebab Tun tidak punya 'dedak' untuk ditabur – kuasa pun tiada. Mungkin dia tidak dapat terima hakikat /kenyataan sebenar (in denial) yang dia salah seorang 'dedak eaters' yang ditaja oleh

rejim DSN (berat tanggungan dosa 'makan suap/dedak'). Dia ni ibarat 'PENCURI SEBENAR' yang tuduh atau menjerit kata orang lain 'pencuri' untuk dielak dari ditangkap.

– Kita tengok nanti apa pula 'penghinaan' yang akan dihambur oleh SiDung* kepada kaum wanita. Orang ini sebenarnya 'muflis hujah'.

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Now, let's say he goes further to amplify this story so that more people have access to it, hence creating a scandal around your good self. To a point, you may need to speak up to defend your honor and reputation.

Dear Tun,

Happy belated birthday dearest Tun Dr. Mahathir and Tun Dr. Siti Hasmah :*

I hope it isn't too late to wish you both a very happy and blessed 91st and 90th birthday. I just got lost track of time somehow and aahh I forgot it's 10th of July! and 12th of July!

I wish you both dearest Tun Mahathir and Tun Siti Hasmah many happy returns of your birthday, semoga Tun berdua sihat sentiasa, dipanjangkan usiamu, dilindungi dan diberkati Allah, diterima Allah segala ibadahmu serta pengorbanan yang tidak pernah mengenal erti lelah dan jemu.

Tun banyakkkan bersabar dengan segala apa yang berlaku di hadapan mata kita hari ini. Saya sayang Tun, sayang Tun Siti Hasmah. Kami sayang Tun berdua. Kami faham apa yang sudah melanda negara. Bukan kami tak sayang bangsa dan agama, tetapi teraju negara harus ditukar kepada mereka yang benar-benar bertanggungjawab, beramanah, berkredibiliti dan berintegriti menjaga bumi Malaysia beserta rakyatnya yang berbilang bangsa keturunan dan agama. Kami sedih diperlakukan seperti anjing yang menyalak bukit. Kerajaan BN di bawah Dato Najib sangat menekan kami, kami rasa tertipu, dirompak simpanan kami demi kelangsungan tembolok hawa nafsu Dato Najib, isterinya, anak-anaknya, kaum kerabat dan handai taulannya.

Rakyat memang sudah lama nampak dan sedar bahawa kerajaan Dato Najib dianggotai oleh manusia-manusia opportunist yang sanggup membodohkan diri mereka kerana sesuap nasi. Minta maaf cakap, orang Melayu yang menyokong UMNO Najib sekarang sudah tidak mempunyai nilai moral values lagi. Walaupun mereka begitu sensitif apabila disentuh isu agama Islam, tetapi saya berpendapat mereka sendiri tidak tahu hujung pangkal agama yang sebenarnya. Mereka tidak dapat menilai yang mana betul yang mana salah kini. Suapan atau bribery daripada kerajaan Dato Najib mereka anggap tidak salah. Termasuklah ibadah Haji yang diperolehi daripada sumber haram kerajaan Najib ini (1MDB) duit hasil pengubahan wang kotor. Sedihnya hati saya melihat bangsa Melayu Islam yang masih buta di bawah pengaruh toxic cash is king Najib. Punuh segala nilai dan values bangsa Melayu Najib.

Saya berhak bercakap sebab walaupun kami daripada keturunan bercampur darah Melayu – Cina, arwah bapa kami adalah berbangsa Melayu Islam. Orang berketurunan Melayu Islam sepatutnya adalah bangsawan orang yang punya nilai harga diri tinggi apa lagi bila Al-Quran dijadikan pegangan. Orang Cina juga bukanlah bangsa yang bangsat seperti yang sering digambar dan dilabel oleh orang Melayu. Allah telah cipta create bangsa Cina di bumi ini seperti juga Dia telah create bangsa-bangsa lain di dunia ini. Saya merasa sangat sedih apabila ada segelintir orang yang tidak bertanggungjawab seperti Karl Iskandar yang menggunakan perkataan 'gembala babi' dan 'pigs/DAPigs' untuk melabel bangsa Cina. Orang Cina tidak akan dapat mengambil alih negara ini dengan memerintah sendiri. Mereka tahu hal ini. Orang Melayu tak usah bersangka buruk. Orang Cina pun harus belajar supaya menghormati orang Melayu dan jangan sengaja menyakitkan hati saudara kamu. Apa yang sangat kurang di kalangan bangsa-bangsa rakyat Malaysia sekarang adalah rasa SALING MENGHORMATI antara mereka yang membibitkan rasa angkuh sombong ketuanan bangsa sendiri, lantas membuahakan rasa benci. Inilah juga kebodohan yang sebenarnya. Kalau dengan bangsa asing seperti orang putih, orang arab dan lain-lain, bukan main lagi kita orang melayu dan cina berbaik dengan mereka. Terutama bila kita dah di luar negara jadi kelompok minoriti. Tak malu sungguh. Adik-beradik sendiri di bumi tanah tumpah darah ini kita tidak berbaik. Berubahlah wahai bangsa-bangsaku.

Tun Mahathir yang dikasihi, kami rakyat sudah lama merasai derita di bawah pimpinan kerajaan UMNO-BN yang diteraju Dato Najib and clan. Sudahlah menteri-menteri Najib nampak sangat bodohnya, mereka juga nampak irrational dan rakus gelojoh. Begitu juga para penyokong UMNO jelata yang masih rabun buta menadah suapan bribery daripada kerajaan UMNO Najib.

Sayang Tun kini dan selamanya. Happy birthday again Tun berdua. I love you both dulu, kini dan selama-lamanya :*

Assalam Dearest Tun,

Glad to hear that Naj donkey (karl@karldai) is responding very well to our comment here.

For audience not from Malaysia, perhaps you should be aware that Karl is a very rare spesies of dedak eaters from the Y generation who could not stand on his own and have to depend on some corrupt master and this dumb boy inherited many of his master bankrupt idea to counter us.

Typical style of an idiotic boy whom when you called him dumb then he will retaliate and call you dumb as well.

Karl @ karldai glad to hear that you admitted that Najib is guilty because you said that fate is written in the stars that with followers like most of us here it will take the next karma for Dr Mahathir to accomplish his final episode of "mission impossible".

However I should not be reminding a young donkey like karl that this days "Nothing is Impossible" and as at early last year do you karl honestly think it is possible for a Prime Minister of Malaysia to have RM2,600,000,000.00 in his own private bank account?

Well that's it for now and readers and I are eagerly waiting for his donkeyish response .

Wasalam Tun.

Assalamualaikum Tun,

I could sense a tinge of sarcasm in this piece of entry, Tun. This time you told them off at point blank. Off being polite and nice. These keras kepala people need a real hard knock on their heads.

Remember you said this Tun: "I'm brash and abrasive but that's because I've noticed when people are nice and polite they never get anywhere".

Tun, how could they allow themselves to be led by the dumb (bisu? bodoh? whatever), doltish tongue-twisted leaders. The 1MDB mess is ever-expanding and it doesn't seem to want to disappear as they would like it to be. The dumbshow needs good dumb actors to go on. Fee is jolly good.

I'm really dumbfounded by this karl. I thought he's a composed person ever ready to endure and withstand any sinister remarks and comments calmly and counter- attack intelligently with real documented facts. We have been waiting and waiting for the 'pencerahan' but it never came...what a disappointment. All we ever got, since the times of his gurus were here, are denials after denials,

remarks and statements with the same lines of lies given exactly like DSN's minion followers who are the real dedak-eaters.

His reply sounded unsteady and emotional and showed disrespect to the other race. What's his purpose? To show-off the ketuanan? Make peace not hatred. If this person wants to embrace politics as his hard-earned living, he must be able to withstand and face all sorts of people with different views, beliefs and understandings.

This karl embedded himself here so what does he expect when he got entangled with us here. Hugs and kisses? No! Of course not...he expects a showdown and Tun has many loyal fierce fighters here like whom he always refer to as Makcik Faridina. Hope he doesn't run away and stick around awhile, not like his gurus, all escaped to who knows where. May they be healthy and fine with all the juadah raya.

Tun, can't wait to hear your next move. It's going to be a very exciting piece of news. May Allah Bless you Tun. May Allah Protect you always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take care of your safety and Thank you Tun.

Assalamualaikum Tun,

Selamat hari raya kepada Tun sekeluarga.

The recent elections has just been concluded during the Ramadhan month. Both seats was won by BN. The other side was quick to say this is the endorsement of the rakyat towards Najib's leadership. Many political anyalist are saying the same tune.

But what they forgot to point out, even during Pak Lah time, by elections have always been won by BN. That didnt stop the rakyat to deny Pak Lah and Najib 2/3rd majority in GE 12 and GE13. In fact Najib lost the popular vote in GE 13.

However, the by elections can serve as a guide on what wrong and what went right by both BN and Pakatan. The obvious weakness in Pakatan was there was no unity. The biggest mistake was to cut off PAS. Pas, although cannot hope to win in the next GE, has decided to play the role of spoiler, splitting the votes of the oppositions. I believe PAS is not doing this service for free. UMNO must pay and I think we will see this in the passing of the hudud bill in October.

It is clear UMNO is very much beholden to PAS. PAS can ask for anything from UMNO. Why stop with hudud bill? Why not hand over the nothern states to PAS?

PAS is like the young wife UMNO wants. But at the same time the first wife (MCA and geng) is helplessly watching on the side. If the first wife divorce, they risk losing the minister positions and all the other goodies.

We will see how this plays out in October.

I will talk about forming of new opposition party in next posting.

Anyone keen to seek the truth about current topics especially 1MDB should read up alternative views and reports on the subjects other than that what is being written in the prime media. Read the exposes (leaks) of WSJ SR and other reputable international publications with an open mind. Then come to your own decisions and conclusions on the subjects. Try having amicable discussions and discourses with others based on your own perspective and understanding. Agree to disagree. Possibly never use an ad hominem argument to counter another argument based on feelings or prejudices, other than on facts, reason or logic. Avoid personal attacks on one's character when attempting to address the issue at hand or in individual debates. It is always easier to attack one's social, political or religious views than to address the topic being discussed when you nothing much in substance to say.

Assalamualaikum,

Sebenarnya sudah terang lagi bersuluh penipuan yang dilakukan oleh penjahat2 negara ini semua. Tetapi yang lucunya, orang2 bodoh terlalu ramai. Malahan usaha untuk memperbodohkan rakyat juga tidak perlu. Malahan munculnya pencacai yang paling bodoh keluar untuk mempertahankan penjahat2 ini semua. Dari sebuah negara yang progresif, maju, makmur dan berintelek kini Malaysia dikenali sebagai sebuah negara yang dipenuhi badut sarkis (diketawakan orang).

Sebenarnya tidak ada keperluan untuk menggantikan BN dengan Pakatan. Sementelah, Pakatan yang terumbang ambing dengan perpecahan dan perbezaan ideologi yang sangat ketara, ianya bukanlah pilihan sebagai pengganti BN. Tetapi sistem dalaman BN dan pemerintahan negara haruslah berfungsi dengan baik untuk mengesan dan membasmi penipuan dan penyelewengan. Takkan sampai kesemua orang dalam BN dan pemerintahan negara ini kaku tak boleh berfikir dan bersuara. Bak kata Tun, keseluruhan armada memilih untuk 'buat bodoh jer' memang tak boleh dimaafkan.

Jikalau kesemua orang dalam BN tak boleh nampak dengan jelas penyelewengan besar yang berlaku dalam 1MDB maka bukan sekadar bodoh lagi dah. Ini dah mendekati penyakit buta hati. Barangkali terlalu banyak termakan dedak ataupun mengambil rasuah.

Dr Mahathir's D-Team

As the Malay saying goes, "pukul anak, sindir menantu", Dr M blaming his detractors and calling them dumb in full view and presence of his own minion followers who no doubt, are the real dedak eaters, still unable to follow their commander's cheesy, I mean easy, instructions every step of the way. Ironically, Dr M flogging dead evangelists (DAPIgs) for resurrection has shown better results.

Fate is written in the stars that with dumb people and followers like Makcik Faridina on his side, it will take the next karma for Dr Mahathir to accomplish his final episode of "mission impossible".

Laporan audit 1MDB oleh Sarawak Report baru saja bermula. Banyak lagi yang akan dibongkarkan.

Laporan dari Bank Negara dan MACC belum diambilkira.

Macai2 Najib tiba2 senyap, sunyi sepi, kecuali trumpet Najib yang bergelar Salleh Keruak yang kedengaran.

Apa dah jadi pada menteri samseng Nazri?

Ajalina tiba2 hilang modal bercerita....

Rahman Dahlan pun entah dimana bersembunyi.

Shahril 1 juta dan Ahmad Maslan 2 juta dah lama kena gam.

Zahid pula dah lama tak berani nak sebut 1MDB, tengah gelabah mencari helah siapa penderma RM2.3 bilion yang pernah dia akui bertemu!

Budak KJ pun tengah gelabah camna nak rahsiakan RMbillion di Swiss bank yang dia kumpul tujuan nak beli jawatan PM....

SEMUA TAK BOLEH DIHARAP!!

Assalamualaikum, Tun.

Kata Tun "Agama tidak akan membebaskan anda. Menunaikan Haji, terutamanya dengan wang dicuri, tidak akan menebuskan dosa-dosamu." ini baik, dan harus dihayati bersama.

Pada zaman ini, masih ramai yang berpendapat bahawa mereka boleh makan suap, dan buat sewenang-sewenangnya dosa, dan kemudiannya menunaikan Haji untuk menghilangkan segala-gala dosa dan "membersihkan" diri. Ini bukannya nilai Islam, dan bercanggahan dengan ajaran. Isya-Allah golongan ini patut dihukum dalam hayatnya dan di akhirat nanti.

The so-called "dumb people" are not dumb naturally, but made to be dumb, and they are willing to be "dumb", for self-interests at the expense of the public's and nation's interests.

These dumb people who were involved in scams should be punished severely, upon conviction. Rakyat are still curious to see further actions taken on the culprits, who have caused the nation debts because of their misuse and abuse of power and funds.

Dear Tun

It makes me feel so sad

I don't usually get emotionally effected by your article but this one hit me.

I ada sebut earlier bila lihat perangai anak2 melayu dalam bulan ramadan dan bulan syawal, buat I tertanya2 mana hilang nilai dan adab bangsaku.

Bertudung tapi tidak mendidik anak2 yang bertudung berpuasa dan menghormati bulan puasa, membiarkan anak2 perempuan bertudung dan anak2 lelaki mengganggu orang tak dikenali dipagi

raya. Bersikap kurang ajar terhadap orang yang lebih tua. Jawab menjawab nak tunjuk pandai. Semua ini bukan budaya yang baik.

Thank you Tun for sharing your thoughts!

Nak share lagu lama sini, hayati senikata nya

Ilham dari pujangga
Berdiam diri bukan ertinya kau salah
Biar cercaan sekali datang menimpa
Sudahlah memang adat di dunia
Bersuaralah kamu pada perkara berguna
Itulah sifat orang bijaksana

(...ia anak muda tidak kerana tergelincir kakinya
tetapi matinya anak muda itu kerana tergelincir lidahnya
berdiam dirilah kamu kepada perkara yang bukan-bukan
bersuaralah kamu kepada perkara yang memberi kebaikan...)

Berikanlah tenaga
Untuk nusa dan negara
Ini zaman kemajuan
Jangan kita ketinggalan

Kasih sesama manusia
Apa di atas sayangkan diri anda
Pandang yang satu kepada yang ramai sayang
Pandang yang ramai kepada yang satu

(...usahlah ditanya apakah bakti negara untuk kamu
tetapi tanyalah apakah bakti kamu untuk negara
berjasalah kamu untuk keharmonian negara...)

apakah pendapat kau atas kewajiban muda-mudi...

...pembela, harapan dan tiang negara, bangsa dan negara...

IH:

Tunggukanlah hati mu

Jauhkanlah diri mu

Seorang persalah akan sedaya upaya menutupkan keaibanya
Yg menjadi jangkal sekarang seorang wakil tertinggi keadilan kelihatan tidak adil

Maka lahirlah puaka puaka yg bermaharaja lela sekarang
Sudah terserlah sekarang, puaka puaka ini sudah menunjukkan tanduk mereka
Sebab Keadilan kelihatan lemah
Yg bakal tinggal adalah penyagak di kalangan anggota UMNO
Maka lambatlaun UMNO akan Tumbang

Pertanyaan pertama saya pada pengetua AG Apandi yg di lantik Najib
Memang benar untuk menuduh dan menghukum sesaorang bukanlah senang
Perlu Bukti perlu Saksi
Sebab kasihan dan amat zalim menghukum seorang yg di fitnah dan yg tidak bersalah
Dalam masa yg sama juga adalah tidak wajar dan tidak adil
Jika tertuduh tidak di siasat dengan cara professional dan rapi
Kehakiman tidak kenal siapa ?

Kehakiman wakil kebenaran . Jika ia gagal melaksanakan tugasnya maka akan timbul gejala Sial di kalangan masyarakat kita

Atas dasar apakah anda berkeputusan Najib tidak buat Kesalahan ?
Sedangkan Bangkai 1MDB sudah terbau busuk seluruh Malaysia malah seluruh Dunia
Mengalahkan asap jerebu akibat kebakaran hutan di Indonesia

Menagapa ia di ketegorikan sebagai rahsia Kerajaan sedangkan ia bukan merupai satu jenayah Terrorist , Military atau Political Threat
Bangkai 1MDB sudah membebankan 1 Malaysia
Dan Dunia luar , AG luar negara masih menyiasat dan menuntut keadilan akan kesalahan 1MDB di negara yg berkiatan

Begitu juga dengan Cek yg di sign Najib , Cek tidak tahu tapi sign dan pengakuan dapat duit kononya dari Saudi
Tidak umumkan dari awal dah terserlah dah belanja kasar baru buat pengakuan
Siapa yg bolih percaya Tuan AG ?

PM berhak menukar system , AG atau rombak Kementeriannya untuk memperbaiki membangunkan Malaysia . Tapi apa alasan beliau menyuntik AG baru setelah terserlah bau busuk ?
Yg jadi soalan adalah sekarang pendirian anda sebagai seorang tertinggi yg mewakili system Kehakiman . Sebab jika salah ia amat membimbangkan dan bakal menghancurkan system Democracy Malaysia

Memang salah dan zalim jika kita menghukum orang yg tidak bersalah
Juga akan tidak benar jika seorang yg terserlah kesalahanya tidak disiasat rapi secara rational bukan favoritism

Begitu juga tuduhan semasa era Tun Mahathir
Yg menghina dan menuduh Tun adalah CheGu Rasuah hingga budaya beliau terbawa sekarang
Kenapa tak timbulkan dari dulu ?
Apa kenyataan nya yg terserlah ?
Apa Proton , Twin Tower yg Tun banggunkan ada duit hilang ? Berapa Trillion ?
Atau apa projek Tun yg kehilangan duit yg sampai Malaysia berhutang ?
Kasilah Tahu dan sekarang pun bolih di siasat
Buah siapa yg hilang ?

Ini Perbezaanya
Dan amat menakutkan jika wakil Kehakim gagal melaksanakan tugas mereka dengan berani dan benar
Sebab ia bakal menjadi tauladan yg busuk dan bahaya untuk negara

Assalam Dearest Tun,

I got it Tun especially point no. 10, this is a very much awaited topic and together with the rest we will get rid of the few dumb people here and when the going gets tough, the tough gets going I guess.

The award for the dumbest people here goes to none other than karldai@karldumb@donkey the so called idiotic boy who is a dedakian and his task is to discredit Tun in whatever means possible to him so as to earn a living.

Don't be a crying baby here little boy and start accusing us of character assassination and what not because you deserved it!

People of your age with a sound mind will be a force to reckon and they are from the Y generation who dares to stand and speak out the truth.

Bung Karno used to say "Give me 10 young men, I will undoubtedly shake the world".

Shame on you karldai or should I say pity you karldai because at your age you can't even earn a decent living and have to survive on dedak but I can understand that being a young man with no proper qualification or a young man with no guts you might be easily manipulated.

You don't belong here karldai because people of your age are the ones who have been very vocal and their young mind will always go against the establishment and by any chance could you be the 'sotong one' with no balls?

Come on little fella look at most of us here, we are not so young like you but we dare to speak out the truth because we care about your generation and the generation after you.

I therefore urge my fellow commentators here to educate this poor idiotic little boy karldai because he has gone much overboard and thought that he can be accepted here among the rest of the dumb people here if any.

Thank you Tun for releasing this wonderful topic and it is a relief to be able to release some of it to a young donkey named karldaiiiiiiii.

Wasalam Tun.

Bekas Timbalan Perdana Menteri itu mendakwa, beberapa petikan yang dikatakan bersumber

daripada laporan akhir Ketua Audit Negara, Tan Sri Ambrin Buang mengenai 1MDB seperti yang didedahkan oleh portal Sarawak Report beberapa hari lalu mengandungi maklumat-maklumat penting berkaitan penyelewengan syarikat berkenaan.

"Ini termasuk kehilangan wang berjumlah USD7 billion (RM28 billion) yang dibayar kepada beberapa buah syarikat palsu yang tiada kaitan dengan urusan 1MDB.

"Bagi yang mungkin terlupa akan janji Perdana Menteri ini, saya ingin memetik tulisan beliau dalam portal NajibRazak.com yang disiarkan pada bulan Mei 2015.

...

Menerusi muat naik status di laman Facebook beliau, Muhyiddin turut memetik kata-kata Najib "adalah tidak adil bagi sesetengah ahli politik mensabitkan kerajaan dalam mahkamah pendapat awam sebelum fakta sebenar dikemukakan oleh pihak berkuasa yang sah iaitu Ketua Audit Negara dan Jawatankuasa Kira-kira Wang Negara (PAC) yang bersifat dwipartisan...sementara itu, tolonglah, jangan buat spekulasi dan kesimpulan, tanpa menggunakan maklumat yang akan dibentangkan oleh Ketua Audit Negara, yang mengandungi laporan terperinci tentang kewangan 1MDB".

Kata Najib lagi, "jika kita bersikap ikhlas untuk mencari kebenaran di sebalik dakwaan itu, kita perlu mendapatkan maklumat daripada sumber yang sah (seperti Ketua Audit Negara) dan bukan daripada portal berita pihak ketiga atau blog dalam talian yang mungkin mempunyai agenda tersembunyi."

Actually Tun M already mentioned about this missing ('lesap') money much earlier in Tun's past articles on 1MDB.

Dear Tun,

Many happy returns of the day to you and your wife. Happy anniversary also.

Many people try to run you down. Yes you have made mistakes but who hasn't?

When people say things about you, i often wonder if your family or background reflects what nasty things they write about you. Surely if you were a dictator your family would be broken and there would be strife.

Yet I cannot see it. In your family there is respect and love. In your family there is support and wisdom. People think before acting. Dr Siti Hasmah and yourself have brought up fine, independent thinking children who are not spoilt. Your marriage is solid and respectful of each other.

If you were a poor leader it would reflect at home. You can seem good as a public figure but the reflection of character is really how the home is like.

I know you have put your all into Malaysia, have not required anything in your name because you see it as service to the nation. Hence when they run you down and call you all sorts of names i think it is impossible that you are what they say you are.

I know you have tried your best and are doing your best to save us. As I always say, it is the rest of us who fail you because we are not of your calibre. We have selfish interests, we are weak.

Foreign Intervention will not happens as Malaysia is not much of their interest

Politically nor Malaysia poses a Threat to them

Simply its more to Economic interest

Hopefully foreign investigations on 1MDB will open up every drawers

Najib is in the upper hand today

That does not mean He is Right

He is hiding at the Mercy of UMNO

Voters vote for UMNO not Najib
All may see him as wrong doers but not proven
His not gentleman as innocents is seen obviously many wrong doings
He appoints his new AG to be safe

AG of his duty : How did AG Apandi comes to conclusions
Najib did nothing wrong
What is the foundations of his judgement ?
Did AG follows the procedure of proper investigations ?
Perhaps its based on Najib Confession .
Base on confessions any idiots can do so

Proven Najib wroted cheque not knowing what he sign for
Needs stern interrogations Right and Left
Not asking a multiple choice questions with answer a , b or c
This is not a SPM test paper . This is getting the Truth

I see We need a Platform
We need to Contest on the next PRU
Tun you are the chosen one to form
But of course we don,t want to burden you ,you should retire
But you need to Jump start a new Party
Party alike UMNO not Muhideed nor Mukhliz joining the opposition Party

Malaysian are tired of Oppositions and much upset with UMNO today
No doubts they still votes for UMNO
Its like the malay saying

Buang mati emak , telan mati bapa
Tak bolih telan , tak bolih buang
Akhirnya kami Komoh komoh saja di mulut
Tapi hingga bila ?

Yr new party is a Fresh of UMNO Foundations with different images
I do belief you will have the support and finance
