The 1MDB Saga (Part II)

1. 1MDB, presumably upon advice of the company's adviser i.e. The Prime Minister bought Government land in Kuala Lumpur at RM 60/- psf in an area where land had been sold for as high as RM 7000/- psf. Najib who is also the Finance Minister should have sold the Government land at near market price. By selling it at RM 60/- psf, the Government lost a lot of money.
2. There is a clear case of conflict of interest when the Minister of Finance is also the adviser to 1MDB. If it was not Najib who approved this sale, then who did? The officer approving this sale should be charged with losing Government money.
3. This land was revalued upwards so that the asset of 1MDB increased to RM 50 billion Ringgit.
4. Similarly the Sungai Besi airport land was sold to 1MDB. The price is not known but effectively 1MDB already owned the land and have made preparations for moving the RMAF base to Subang. Revaluing this land would increase the asset of 1MDB. Again the Government lost a lot of money.
5. 1MDB then sold a portion of the land in Jalan Tun Razak to Tabung Haji at RM 3,500 psf. Thus a fund contributed by intending pilgrims was used to repay 1MDB loans. This is grossly unfair to the intending pilgrims, most of whom are poor.
6. Land was also bought in Penang for higher than market price. This land is occupied by nearly a thousand squatters. Besides Penang is ruled by the opposition party. It is unlikely that development plan for this land would be approved.
7. 1MDB stand to lose more money because of this purchase.
8. All of 1MDB other investments have yielded hardly any profit. 1MDB simply cannot repay the RM42 billion loans that it had taken. There is evidence of fraud and unexplained loss of money. Claims that the money has been properly invested and is giving profits cannot be verified. No documentary proofs can be found as to where huge sums of money are being kept.
9. The belief is that the 2.6 billion Ringgit in Najib's private accounts is from 1MDB has not been properly and credibly refuted.
10. The fact that Najib has not sued Wall Street Journal for exposing many of the wrongs committed by 1MDB and Najib himself seems to prove that what the newspaper had reported is irrefutable. So is the failure to sue Sarawak Reports on 1MDB and Najib's 681 millions USD in his private account.
11. This is only a part of the 1MDB story. There are more scandals involving the 1MDB than any other funds in Malaysian history. This is a part of the reason why Najib should cease to be the PM of Malaysia.

Saga 1MDB (Bahagian II)

1. 1MDB, kemungkinan atas nasihat penasihat syarikat it, iaitu Perdana Menteri telah membeli tanah Kerajaan di Kuala Lumpur pada harga RM60 setiap kaki persegi di kawasan mana tanah telah dijual pada harga mencecah RM7,000 setiap kaki persegi. Najib yang juga Menteri Kewangan sepatutnya menjual tanah Kerajaan pada harga hampir harga pasaran. Dengan menjual pada kadar RM60 setiap kaki persegi, Kerajaan telah kehilangan banyak wang.
2. Jelas terdapat konflik kepentingan apabila Menteri Kewangan adalah juga penasihat kepada 1MDB. Jika bukannya Najib yang meluluskan penjualan ini, maka siapakah yang melakukannya? Pegawai yang meluluskan penjualan ini harus didakwa atas kehilangan wang Kerajaan.
3. Tanah ini telah dinilai semula ke atas supaya nilai aset 1MDB meningkat menjadi RM50 bilion.
4. Begitu juga tanah lapangan terbang Sungai Besi telah dijual kepada 1MDB. Harga jualan tidak diketahui tetapi pada hakikatnya 1MDB sudah pun memiliki tanah ini dan telah membuat persiapan untuk memindah pangkalan TUDM ke Subang. Dengan menilai semula tanah ini nilai aset 1MDB akan sekali lagi meningkat. Sekali lagi Kerajaan kerugian banyak wang.
5. 1MDB kemudian menjual sebahagian daripada tanah di Jalan Tun Razak kepada Tabung Haji dengan harga RM 3,500 setiap kaki persegi. Ini bermakna dana yang disumbangkan oleh bakal jemaah Haji telah digunakan untuk membayar balik pinjaman 1MDB. Ini adalah tidak adil kepada bakal jemaah yang sebahagian besarnya terdiri daripada mereka yang miskin.
6. Tanah juga telah dibeli di Pulau Pinang dengan harga lebih tinggi daripada harga pasaran. Tanah ini diduduki oleh hampir seribu orang setinggan. Selain daripada itu Pulau Pinang diperintah oleh parti pembangkang. Tidak mungkin rancangan pembangunan untuk tanah ini akan diluluskan.
7. 1MDB menghadapi kemungkinan kehilangan lebih banyak wang kerana pembelian ini.
8. Semua 1MDB pelaburan yang lain hampir tidak menghasilkan sebarang keuntungan. 1MDB tidak boleh membayar balik RM42 bilion yang ia telah pinjam. Terdapat bukti penipuan dan kehilangan wang yang tidak dapat diterangkan. Dakwaan bahawa wang telah dilaburkan dengan sempurna dan akan memberi keuntungan tidak dapat disahkan. Tiada terdapat bukti dokumentari yang boleh menunjukkan di mana jumlah wang yang banyak itu disimpan.
9. Kepercayaan bahawa RM2.6 bilion dalam akaun peribadi Najib adalah dari 1MDB tidak disangkal dengan sempurna dan kebolepercayaan.
10. Hakikat Najib tidak menyaman Wall Street Journal kerana mendedahkan banyak kesalahan yang dilakukan oleh 1MDB dan Najib sendiri seolah-olah membuktikan bahawa apa yang akhbar itu laporkan tidak dapat disangkal. Begitu juga kegagalan untuk mendakwa Sarawak Report mengenai 1MDB dan USD681 juta dalam akaun peribadi Najib.
11. Ini hanya sebahagian daripada cerita 1MDB. Terdapat lebih banyak skandal yang melibatkan 1MDB daripada mana-mana lain dana dalam sejarah Malaysia. Ini adalah sebahagian daripada sebab mengapa Najib perlu berhenti menjadi PM Malaysia.

Ali Tinju lodges police report against Jamal Yunos

KUALA LUMPUR: Former soldier Mohd Ali Baharom, also known as Ali Tinju, has lodged a police report against Datuk Jamal Md Yunos after the Sungai Besar Umno chief allegedly threatened to assault and shoot him.

When met outside Dang Wangi police headquarters Thursday, Mohd Ali claimed that Jamal had called him on Wednesday at about 6.30pm after he made a statement that Jamal was unfit to contest in the Sungai Besar by-election.

"He was rude over the phone and started threatening that he will assault and shoot me. That is why I am lodging a report against him," he said.

Mohd Ali also alleged that Jamal liked to "show off" his firearms to people which could indirectly endanger the lives of those around him.

Recalling an incident, Mohd Ali claimed that during the red shirt rally, Jamal took out two guns and allegedly allowed his men to fiddle with them.

"He was showing off the guns to people and even left the weapons unattended in the hands of those who do not have a permit.

"Just imagine if the guns were in the care of someone reckless, that would surely put a lot of people's lives in danger. So I urge the police, especially Inspector-General of Police Tan Sri Khalid Abu Bakar, to revoke his firearm licence," he said.

Attempts to reach Jamal have been unsuccessful.

The former allies were notorious for allegedly spewing racist comments during various incidents including the Low Yat brawls in 2015.

However, Mohd Ali decided to distance himself from Jamal after the latter said there might be a riot during a demonstration in Petaling Street last year if the Domestic Trade, Cooperatives and Consumerism Ministry failed to act on complaints of illegal Chinese traders there.

Mohd Ali was charged in July 2015 with sedition for inciting racial tensions in his speech before the riot in front of the Low Yat Plaza on July 12 at about 8.30pm.

The charge was then withdrawn in October in the same year following a review of evidence and witness statements.

Law Minister Nancy Shukri said in a written reply to Puchong MP Gobind Singh Deo in Parliament that the Attorney-General withdrew the charge against Mohd Ali after reviewing all the evidence and statements.

Jamal himself was arrested in September 2015 when he was picked up for making threats of a race-fuelled riot in Petaling Street.

He was, however, not remanded and released from the Dang Wangi police station the following day.

Assalamualaikum Tun,

Tun, kata si gabenor bnm baru dia optimis terhadap kemampuan kerajaan DSN memenuhi semua tanggungjawab hutangnya. Dia yakin sentimen lebih baik selepas isu 1MDB selesai. Tun, bukankah dulu minta 6 bulan untuk selesai? Tak selesai lagi ka? Kerajaan sepatutnya pandai urus tadbir kewangan negara tapi ini tidak nak pelingkup adalah, sebab kerajaan DSN tak pandai buat bisnis. DSN ni nak swastakan Malaysia ka?

Tun, tahap pengetahuan ekonomi saya ni takat tahu belanja dapur je (tu pun kadang2 terlajak juga), so Tun mungkin ada orang macam saya ni nak kunyah dan telan semua sekali gus susah sikit, pasal permasalahan dan kesan-kesannya yang wujud angkara 1MDB@DSN kepada rakyat. Apakah impaknya kepada rakyat...rakyat atasan, rakyat pertengahan dan rakyat bawahan? Apakah impaknya kepada rakyat...yang ada banyak duit, yang ada sikit duit dan yang takde duit langsung? Saya rasa ada rakyat pertengahan dan bawahan yang ada sikit duit dan yang tak berduit tak tahu atau kurang ambil tahu akan impaknya kepada mereka, mungkin sebab kerajaan DSN sengaja sembunyikan dengan cerita2 "all is fine" saja. Dengan menyalurkan, menyumbangkan banyak duit atas nama ikhsan dan pembangunan maka rakyat pun ingat..."oh ok everything is indeed fine, thank you DSN for the "sumbangan".

Maybe Tun, the next Part Tun boleh elaborate more, tekankan impak hasil daripada kewujudan dan ketidakbijaksanaan DSN urus tadbir 1MBD sehingga berhutang berbillion kepada rakyat agar mereka betul2 faham masalah ini akan buat negara lingkup dan yang akan menderita adalah kita semua rakyat Malaysia. Tidakkah mereka peduli? Tidakkah mereka takut?

Saya jadi takut apabila memikirkan masa depan anak2 dan generasi akan datang. Pada yang dah dikurnia banyak duit ok la, Alhamdulillah, tapi yang kais pagi makan pagi kais petang makan petang lagu mana hidup mereka? Nampaknya takde cara lain mereka terpaksa terima saja 'sumbangan' dan 'habuan' dan 'sedekah' daripada kerajaan DSN. Pandai DSN dan orang2 dia cengkam dan atur hidup orang2 lain, kan Tun. Nak buat lagu mana Tun, rakyat yang beri kuasa kepada dia.

Tun ada bijakpandai ni kata, berita negatif mengenai 1MDB hanya bersifat sementara dan tidak punyai kesan jangka panjang terhadap keyakinan pelabur (mana pula dapat kaki bodek ni). Yake, bersifat sementara konon...impaknya, kesannya akan ditanggung rakyat sampai ke mati! Dari mana nak kutip

duit berbillion untuk bayar hutang 1MDB@DSN?

Setahu saya 1MDB is a government entity, the government is equal to the rakyat, the shareholders of 1MDB is the rakyat...so rakyatlah kena bayar hutang2 1MDB@DSN, bukankah begitu Tun? Dari mana dia nak dapat duit sebegitu banyak...dari tabung2 negara ka, TH, kwsp,kwap? dari GST ka? dari dinyahkan subsidi2 atas barang2 keperluan rakyat ka? dari pelbagai kenaikan ini itu, cukai dan denda2 ka?

Tun, kan ada berita kata real estates assets would be transferred from 1MDB to MoF, bagaimana dengan hutang2 berbillion 1MDB, di tranfer juga ka? So MoF ni kerja dia apa Tun? Bukankah nak buat pembangunan berfaedah untuk negara dan rakyat, MoF akan salurkan duit tu? Agaknya Tun, dah berapa banyak duit dijanjikan pada prn Sarawak?...ini dari tabung kewangan Sarawak kot sebab Sarawak kan banyak hasil bumi, takkan semuanya daripada kerajaan pusat kot, habislah la duit MoF...ataupun transfer angka2/nombor2 je, not real money, from bank to bank (teringat kata2 Mr mubarakchan: you can create money without money. I hope Mr mubarakchan is well and safe and wish him forever exceedingly happy).

Tun is not only talking and telling the existance and the trails of this financial scandals that is looming around Malaysia but also in bringing awareness to the people the outcome and the ill-effects that will suffer by them, us and our future generations. Because of DSN's miserable administration and misappropriation of the country's economy, the rakyat will have to bear his burden. Is this right? Is this fair? Tun, can a PM go into business, if he does can't he do it at his own risk and not make the rakyat as collaterals? Or maybe if the PM is a very bijaksana and honest person the rakyat won't mind, everyone gets their fair shares. But the problem is this current PM is not smart enough, instead he brings in loads and loads of his problems to share with us! I don't want!

Tun, the miserable "tidak apa" attitude of some Malaysians must be washed off completely. All Malaysians from mainland to across the seas must join together to clean up and bring back Malaysia's happy smile. We deserve a better leadership to steer Malaysia back to her glorious days. Tun, hope to hear from you soon on Part III that will awaken the rakyat from their slumber. The rakyat must be make aware and realise the mistakes, the wrongs that DSN has done to the nation, especially those yang pekak, buta dan bisu must be waken up!.

Excuse me Tun, to Puan Sri Sense, don't take too long to refill your ink ya. Can't wait to hear more from you. Thank you.

And to Mr faradina, I understand and sometimes it does take time for us to 'see'. I'm always learning...always. Thank you.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care Tun of your safety. Follow your trusted doctor's orders only. And Thank you Tun.

Ini berita dari news portal jiran Singapore

Johor Sultan calls for restoration of monarchs' powers

Johor's Sultan Ibrahim Iskandar has called on the government to reverse two-decade-old amendments to Malaysia's Constitution which removed the powers of the nine monarchs to veto laws, and curbed their legal immunity.

In his latest remarks to push for more royal discretion, the ruler said: "It is not proper to limit or abolish the power of the King or the Sultan in examining and giving their Royal Assent for laws".

"This just reduces the role of the King and the Sultans to mere rubber stamps for laws passed by the Parliament or the state legislative assemblies," he said when opening the 2016 Conference of Parliamentary and State Assembly Speakers of Malaysia in Johor Baru on Saturday.

Nine of Malaysia's 13 states are ruled by hereditary Malay Sultans, who take turns being the Agong, or King, of the federation for five-year terms. They act as constitutional monarchs while executive power rests with the Prime Minister and his Cabinet at the federal level. At the state level, the menteris besar and chief ministers make the executive decisions.

Without referring to Umno by name, Sultan Ibrahim in his speech said "a Malay political party had limited the powers of the King (Agong). What is worse is they forced the Agong to act according to whatever is the advice of the Cabinet".

The Johor ruler said the constitutional amendments made in 1994 "grabbed the powers of the King for the sake of political or individual interest". He added: "I hope this can be rectified."

The Umno-led ruling coalition curbed the powers of the royal houses following two major constitutional crisis in – 1983 and 1993.

The first one arose when the Mahathir Mohamad administration changed the Constitution to give Parliament and state assemblies the right to overrule any royal veto over legislation.

The powers of the royals were curbed further following two incidents of assaults in 1992 involving a Johor hockey goalkeeper and the coach, which allegedly involved top royal figures. The government amended the Constitution in 1993 to remove the immunity of the royal families.

Further changes meant that Bills passed by any legislature would become law after 30 days, regardless of whether the monarch concerned dissented.

The Johor sultan and his sons have been making waves over the past year by stressing their role in safeguarding the interest of their subjects, a period in which Prime Minister Najib Razak has been under siege over financial scandals.

It is not clear if what Sultan Ibrahim said is supported by the other eight houses. But the rulers have been flexing their muscles on several occasions in recent years, most notably in the appointment of menteris besar in Perak, Selangor, Perlis, Terengganu and in Johor itself.

The Najib government has not responded to the latest call by Sultan Ibrahim. But the call to amend the Constitution is unlikely to gain a foothold as no coalition now commands the necessary two-thirds of Parliament.

There has also been no popular movement to restore the royal privileges.

The most critical piece of the puzzle is the uncovering of the true identity of the donor of \$2.6 billion ringgit deposited to Najib's personal account.

If indeed it was a donation from the late king of Saudi Arabia to help fight terrorism, the amount would have been given directly to the Government of Malaysia, not to an individual or under a personal account.

To confirm the source, banks will have to disclose where the money came from.

Unfortunately, the leading financial centers including Singapore are ranked highly on the financial secrecy index list.

To staunchly welcome investment and financial inflow from all sources, legal or questionable, banks in these centers will not easily divulge records of money launders.

It is thus an obligation for Najib willingly or unwillingly, as a servant for the public, to authorize the banks to disclose all financial records.

There is absolutely nothing for him to loose if indeed he is truthful.

The financial fiasco and the way power is used to prevent full and open investigations has shown us that this may be the perfect storm for the future of rewriting the constitution of Malaysia.

Assalamualaikum Tun.

Setuju dengan Tun dan setuju juga dengan rimba.emas tentan keputusan prn sarawak.

Adakah kemenangan BN ada kaitan dengan Najib? Atau Adenan Satem? Atau UMNO? Atau pembangkang tidak bersatu?

Kalau renungan makrifat saya empat faktor di atas, saya memberi 5:90:0:5 (Najib:Adenan Satem:UMNO:Pembangkang.

1. Najib hanya menyumbang sedikit sahaja atas kemenangan BN Sarawak. Jika dibandingkan pelaburan besar yang diluluskan oleh Najib berbanding peratus majoriti yang dimenangi BN Sarawak, ia tidak setimpal dengan pelaburan yang kerajaan pusat laburkan untuk Sarawak.

2. Adenan Satem, bagi saya ia adalah faktor terbesar kemenangan BN Sarawak. Ini kerana dia ada aura sebagai pemimpin berjiwa rakyat. Kepimpinannya yang berupaya mendesak kerajaan Najib mengikut kehendak telunjuk Sarawak. Aura Najib yang semakin goyah di Semenanjung membuatkan Najib cuba mengalih kepada sokongan rakyat Sarawak. Bagi saya, keputusan PRU peringkat parlimen nanti amat berbeza kerana rakyat Sarawak yang berpendidikan akan melihat peringkat nasional, adakah Najib wajar dikekalkan sebagai PM?

3. UMNO, ia tiada kitan langsung dengan kemenangan BN Sarawak.

4. Pembangkang yang tiada persefahaman khususnya antara DAP dan PKR menyumbang berkurangnya kerusi DAP berbanding PRN Sarawak sebelumnya.

Bagi saya, Naji\$ janganlah seronok dengan kemenangan BN Sarawak tetapi kena lebih bekerja keras mengumpul wang untuk mengotakan janji kerajaan pusat dalam tempoh 5 tahun akan datang. Janganlah Naji\$ cuba memerah rakyat lagi selepas GST, kenaikan tol luar biasa khususnya di Lembah Klang dan banyak lagi untuk mendapatkan sumber modal demi membiayai janji-janji kepada rakyat Sarawak dan lain-lain janji yang tidak masuk akal dan bodoh seperti menaikkan BR1M setiap tahun dan penubuhan 1MDB yang menjadi LUBUK PEMBOHONGAN, SALAH KUASA, TIADA INTEGRITI, URUS TADBIR KEWANGAN YANG LEMAH, KORUPSI PERINGKAT PIMPINAN TERTINGGI DISELINDUNG DAN CA\$H IS KING.

TIDAK DINAFIKAN 1MDB ADALAH LAMBANG KEBODOHAN KERAJAAN MALAYSIA DI BAWAH PIMPINAN NAJI\$.

Wassalam Tun.

Tak sedar rupanya hari ini Mother's Day. Happy Mother's Day to all ibu here.

I tadi tinjau serata Shah Alam. Nampaknya ramai yang celebrate tak kira bangsa. Nak cari tempat makan pun susah. Gamuda Walk penuh. Pi bandar Shah Alam 2 kali lima. Gamuda Walk Kota Kemuning boleh kata kawasan Cina dalam Shah Alam. So ramai Cina dan segelintir Melayu celebrate sana. Bandar Shah Alam more of Malay area pun penuh kedai2 makan dengan orang Melayu makan ramai2. So kena tunggu turn untuk dapat meja.

I lebih suka Subang Jaya. Sebab lama tinggal disitu. Hannah Yeoh ok la. Ramai suka dia sebab dia budak Subang Jaya. Wakil rakyat BN sebelum Hannah Yeoh tak pernah nampak muka. My friend orang Melayu pun vote Hannah Yeoh. I tanya kenapa? Dia kata aku boring dengan politik, aku tengok mana calon muka lawa aku pilih. Ada juga kawan dimasa yang sama I tanya, dia jawab aku pilih Melayu, aku tengok muka Melayu aku pangkah, tak kira apa parti. Ramai juga tak mengundi bila

mereka fikir tak penting undi yang diberi.

Pengundi ini ada macam2 disini. Overall IMAO pengundi suka kalau senang berurusan dengan wakil rakyat. Kalau wakil rakyat sering MIA depa pun menyampah. Kena pulak wakil rakyat tu penuh dengan skandal pun depa tak suka. Pengundi ini tak nak susah kalau menyusahkan baik jangan jadi wakil

rakyat.

Goodnight!

Salam Tun.

1. Pilihanraya di Sarawak adalah untuk memilih wakil rakyat bagi mewakili kawasan DUN masing-masing.
2. Semua ini adalah untuk wakil rakyat sebab itulah PM dan merinyu pilihanraya bertungkus lumus meminta rakyat keluar mengundi.
3. Ada dengar suara-suara penganalisis politik pro BN yang mengatakan soal GST kenaikan cukai-cukai seperti tol, kekurangan subsidi, potongan peruntukan tidak diambil kisah oleh rakyat Sarawak.

4. Betul sebab itulah sebelum pilihan raya ada istihar tiadanya tol akan di kenakan. Negeri pengeluar gas & minyak sama dengan negeri Terengganu boleh diadakan jalan yang tidak di konsesikan kepada pihak swasta plus atau LLM.
5. Sarawak baru sebagaimana Semenanjung dengan jalan lama yang tidak bertol.
6. Tunggu 10 tahun lagi bila jalanraya tidak dapat menampung jumlah kenderaan dan kerajaan kekurangan dana maka apa yang terjadi di Semenanjung akan sama berlaku disana.
7. Soalnya kaum Iban di pedalaman akan pasti akan terbeban kos api , air dan cukai dan lain lagi.
8. Kita kena sedar sekarang kita membantu seorang yang kita lantik menjadi wakil rakyat yang bergaji lebih dari rakyat biasa dengan berbagai kemudahan seperti elaun yang menambahkan lagi pendapatannya.
9. Jarang kita dapati wakil rakyat yang berbasikal kerana pendapatannya tetapi hanya kerana menunjuk keperihatinan sanggup berkayuh di jalanraya seperti mereka.
10. Soalnya mampukah PM sekarang mengekal keupayaan seperti mana rakyat semenanjung dulu yang menggunakan jalanraya tanpa tol. Sedangkan kami terpaksa menghadapi beban kenaikan bermacam-macam kenaikan.
11. Sementara Deklarasi Rakyat pula adalah mencari seorang pemimpin yang dapat mengekalkan keadaan seperti dahulu dan sanggup susah seperti rakyat kerana beban kewangan.
12. Tun yang sanggup sains deklarasi ini memerlukan jaminan agar soal beban cukai seperti GST akan di hapuskan, memastikan kilang-kilang yang telah lama beroperasi tidak tutup oleh kesan ekonomi.
13. Kebanyakan rakyat biasa yang tidak berpolitik memerlukan semua ini untuk hidup menyara keluarga. Masalah mula timbul bila adanya manusia yang gilakan kuasa, pangkat , membolot semua harta sehingga mengganggu kehidupan manusia lain.
14. Kembalilah kita kepada Allah s. w. t.

Wallahua'lam.

guan eng has always believed the achievements/in-roads made by PAS during PRU13 were due to the Chinese support garnered by DAP, but he never bother to thank the non-Chinese votes that have given victories to DAP in many constituencies with Chinese voters numbering only 30%.

I'm very much looking forward to guan eng put behind bars, and that will certainly put more pressure and higher possibility to Najib joining him there.

And together with Anwar maniac, it will be a great moment to many/most Malaysians.
Hope there is a way of nailing budak KJ as well!

My humble opinion, the main reason to yesterday's PRN Sarawak thrashing defeat of the opposition was mainly due to guan eng!

guan eng created enmity with PAS and was adamant to completely dissociate with them politically. guan eng's stubbornness and point-blank refusal to compromise with PKR on seat allocations. guan eng is a true racist.

The fence sitters, especially the Chinese, thus lost all confidence of any chance to form alternative government.

THANK YOU guan eng!

Harap Tun sihat. Cuaca kat Selangor asal masuk petang hujan.

Faridina, IMAO registered voters untuk negeri sebesar Sarawak tu kecil, dah tu low turnout, dah tu 11 new seats – gerrymandering.

Anyway I tak kisah la apa jadi dengan Sarawak, depa harapkan development, that's why I rasa ada swing dalam urban voters. The only problem dengan election promises usually nak masuk next

election barulah nak buat sikit janji terdahulu. Lepas tu berjanji lagi. Recycle lagi. 

Kalau nak maju macam Semenanjung, sayang seribu kali sayang, most of the kemajuan yang ada

disini adalah dalam zaman Tun Mahathir. Selepas tu tak banyak perkembangan. 

And the problem dengan barisan alternatif pula, depa tak sepakat, masing2 ada kepala sendiri, tak reti nak kongsi kuasa and resources. PKR kata dia besar, DAP kata dia besar, PAS pulak berpecah jadi

Amanah. Election Sarawak tak habis PAS dah war war pecat Husam. 

And I don't understand why PAS or Amanah nak tanding sana, to me Sarawak ini more of colourful state, more suitable for PKR or DAP. Perhaps PAS patut concentrate kat kawasan arwah Noriah. Noriah

dulu menang sikit lawan calon PAS, kalau tak silap around 160 undi.

Perhaps what Sarawak or Sabah need more pendakwah Islam not parti PAS or Amanah – Parti Politik Islam.

43. The sacking of pas husam only reconfirm one thing.

44. The political instability in poor majority malay states is real.

45. I am wondering, will opposition mps who garnered highest votes will bought or harassed behind the voters?

46. By the way, prc relies heavily on export driven economy.

47. If you hear locals said china only produce low quality price products, dont believe them.

48. Why?

49. It is the local importers who opted for low price products.

50. Cant blame these importers.

51. Because bn themselves also focus on poor people by offering them cheap public services just to stay relevant.

52. To them, quantity is more important.
53. Quality is non essential as they can keep increasing the mps in rural areas to stay in power.
54. Whenever I hear commenters here said they fight for poor people, I laughed.
55. These pembodek2 fight for budget only.

Assalamualaikum Dearest Tun,

No wonder you did not write anything before the latest Sarawak state election because you knew Sarawak BN minus UMNO will be doing better base on Adenan Satim factor not Najib.

Adenan Satim will take all the credits not Najib who is in dire straits and will do everything to ensure his survival until the next GE.

Knew the sentiments among voters from fellow commentator PutraKraken and Sarawak will always be BN's fixed deposit to the state advantage.

Being someone who is not a member of any political party and the failure to access the political sentiments in Sarawak beforehand I conclude I was wrong :(.

Wasalam Tun.

Sambungan ayat,

Tentang ulama/mufti disebuah negeri mengeluarkan hujah "halal darah orang yang menentang pemerintah" adalah ketika isu pemimpin dipersoal atas tindakan khianat/zalim ke atas rakyat yang memberi kepercayaan kepadanya untuk memerintah.

Salam,

Saya pernah dengar komen TUN, kenapa TUN "mencadangkan" Najib diangkat sebagai PM. Dengan berseloroh TUN berkata bahawa Najib mempunyai "fizikal" yang "tinggi", bergaya. Tetapi, sayang seribu kali sayang, walaupun dengan "fizikal" yang tinggi, tidak langsung meletakkan Najib sebagai orang layak memerintah, berakal waras, berakhlak, walaupun secara lisan Najib sendiri pernah berkata beliau menerima "derma" atas alasan dia menegakkan syiar ISLAM.

Mungkin penyakit ini telah berjangkit kepada sebilangan kecil tokoh – tokoh ulama, individu – individu berpengaruh mahupun tidak berpengaruh dengan menggunakan Ayat Suci Al-Quran untuk membenarkan perbuatan kemungkaran tanpa sedar mahupun dengar sedar. Sebagai contoh, terdapat tokoh ulama/mufti disebuah negeri telah mengeluarkan hujah "bahawa "halal" darah orang yang menentang pemimpin /pemerintah".

Jadi bagi pendapat peribadi saya, sehebat mana atau setinggi mana "pengetahuan" seseorang dalam ILMU "agama" ISLAM, tetap telah memburukkan ISLAM itu sendiri, bukan setakat AGAMA yang hanya merupakan 1 cabang dalam ISLAM, tetapi ISLAM itu sendiri yang merupakan "way of life" ummah. ILMU itu hanya pinjaman, amalan yang kekal.

Jika Najib boleh "mendabik dada" dan berdiri "tinggi" mengatakan dia pahlawan ISLAM, "HAKIKATNYA", ummah yang berakal waras tahu apa yang dilakukannya adalah kemungkaran.

Sekeras – keras besi waja, jika di letak dalam "furnace" tetap boleh dilembutkan.

TQ

Assalamualaikum Dearest Tun,

With your permission Sir, this is for;

Dear PutraKraken,

I'm glad to hear your good reasoning for the betterment of your state and fellow Sarawakians. Now I truly understand and wish all the best for all Sarawakians in today's PRN.

I'm very glad to hear how much Sarawakians hate that dumbass Pee M Najib @ chicken shit and in Semenanjung he is also known as NSE (Najib shits everyway) or in Malay NBM (Najib berak merata).

I'm also very glad to hear that in the next GE14 Sarawak Parliamentary election Sarawakians will not support Pee M Najib but trust me he will not be around then.

I'm also very very glad in accepting your invitation and will see you soon maybe next year because we have some projects in the pipeline with regards to the healthcare services in Sarawak as you said was still lacking.

Till then have a fruitful days ahead PutraKraken.

Thank you and wasalam Tun.

p/s – Yes true indeed Putra its been NSE trademark of shouting and yelling because as a tong kosong what do you expect? Sounds loud but on the inside nothing! Lastly its even disgusting seeing his saliva all over his lips after all that stupid yelling and sometimes you will see he will just wipe it with his right hand and that same hand will be kissed by dedakians while shaking hands!! Yukky.

Foreign journalist chased away from Najib's function

KUCHING: A man claiming to be a broadcast journalist from the United Kingdom was told to leave the old State Assembly building after he tried to ask Prime Minister Datuk Seri Najib Tun Razak questions.

The man and a cameraman were seen being asked by security personnel to leave the building where Najib had just arrived to join other leaders following the election results.

It is believed the man had been waiting for the Prime Minister to arrive in order to ask him questions.

"The question I asked your Prime Minister tonight was that he has been accused of personal involvement in a huge corruption scandal.

"He's given some answers but I know that from many Malaysian friends and journalists the answers he's given are inadequate," said the man, who identified himself as Jonathan Miller, the Asian correspondent for UK's Channel 4 News.

Speaking to reporters outside the building after he was ejected, the man said he wanted Najib to respond to his questions.

"I know it might seem a little unfair as he's just won an election, I just want to ask him this important question which I believe the Malaysian people needs a proper response."

Asked by a reporter whether he has obtained accreditation to cover the election, Miller said he believed that he need not apply for a filming permit.

I baca tadi seramai 1,085,087 pemilih berdaftar layak mengundi bagi memilih wakil rakyat mereka di 80 kawasan Dewan Undangan Negeri (DUN) pada PRN kali ini. Tapi voter turnout 50%? Something

like that la

I tanya diri sendiri kenapa I tak nak keluar mengundi, sebab tiada perubahan, sebab pilih mana pun sama, and poor understanding of party manifestos and election promises. In a state of

dilemma.

Hubby senang aje dia jawab sebab orang fedup!

Salam Tun

Dear faradina.

I still stand to my view that "This is state DUN election and not a Parliament and whatever impact is only to the state".

1. CM Adenan need a big win of more than two third majority. This will show that he has the support of the Sarawak people. In the last state election during the reign of "white hair" the state lost the highest number of seats to the opposition. That was bad. Now with the negative effect of "white hair" is no more there and judging from the performance of CM Adenan so far, we are sure Sarawakian will unite to give him a big win. It is important to the state...just as what Dearest Tun achieved during his time as Prime Minister by securing more than two third majority all the time. That was our strength then and that is what we Sarawakian want to achieve.

2. If CM Adenan win with slim majority...what is the perception going to be? It will show that he is lacking support and the people are not behind him and do not agree with his government and policies. In Sarawak...we are still lacking development in term of infrastructure such as roads (yes

roads not highways as in Semenanjung)health and education which are core to the betterment of the people.

3. If indeed the people of Sarawak do not like Najib, they will not believe in doing so by not supporting CM Adenan which will definitely have a negative impact to the state government.. That is why I said that this is a state matter.

4. Najib is an external factor to the state. If you want to see how the people of Sarawak stand...come Parliamentary election (if Najib is still PM) then you will see. Right now, Najib is a dumbass...Do you think he will care if people support him or not...He is willing to put everything on the line just to stay as PM. If (hope it will not)BN fare badly in the Sarawak DUN election...do you think Najib will take heed?...That chicken shit will not be bothered at all. He is what he is...a dumbass PM.

Dear faradina

Sorry if I sound like a mad dog...The fact of the matter is...I am really mad at Najib. His "muka tak malu" presence in Sarawak campaigning really make us sick. Well you know his style...terjerit jerit konon penuh semangat...really disgusting! Whatever he said....is utter hypocrisy...so sickening. He is just taking a free ride with CM Adenan's good vibes.

Anyway...have you ever visited Sarawak....please come and visit us...then may be you will better understand our multi cultures and our hospitality.People still do ask us though... do we still live on trees? Yes we do... but with lifts!

Amazing!

Salam YAB dan Yang Amat DiKasihi Tun,

1. Dulu saya ada kata, 1MDB "BERNIAGA BULUH KASAP, UNTUNG TIADA MODAL LESAP (pangkal hilang, hujung lesap – perkerjaan yang sia2 belaka)."

2. Tun , Hikayat 1MDB ini sebenarnya berkisar tentang seseorang yang rasa diri beliau hebat dan berkuasa (gil* kuasa) dan bila 1MDB ditubuhkan ia (secara tidak langsung) milik individu tersebut, yaitu PM Najib @ Ah Jib Gor. DSN 'anggap' beliau pemilik 1MDB dan pada waktu sama DSN ialah Menteri Kewangan dan PM Malaysia. Jadi kerja penipuan dalam 1MDB lebih mudah dilakukan.

3. Pada DSN & gang, Kerajaan dan Malaysia adalah milik mereka sahaja (walaupun ini tidak benar) dan orang lain mesti akur. Jadi mereka tuduh Tun M mahu menjatuhkan Kerajaan walaupun Tun cuma desak DSN meletak jawatan. Mereka dalam rejim Najib ingat, DSN = Kerajaan (false belief).

4, Jadi sesiapa saja yang mengkritik atau tidak bersetuju dengan mereka (terutamanya mereka yang pernah berada dalam Kerajaan seperti Tun M, TSMY, DSMM, DSSA) akan dikutuk/dihina dan lebih buruk lagi dianiaya (dipecat/gantung/disekat kemudahan/keistimewaan, etc.). Mereka 'langgar' peraturan dan undang2 kerana pada mereka merekalah 'Raja'. Sebenarnya mereka ini sudah berada dalam keadaan 'pemikiran' yang tidak 'normal'.

5. PM Najib @ Ah Jib Gor wajib LETAK JAWATAN kerana gagal menyanggah segala tuduhan penyelewangan (ada bukti kukuh) terhadap 1MDB dan wang RM2,600 Juta dan wang SRCI sebanyak RM42 Juta dalam akaun2 beliau.

P/S: Isu beri 'salam' (dalam bahasa Arab) di blog sudah basi. Si 'Wajaperak' memang tidak mahu terima HAKIKAT (fakta) yang BLOG di alam siber BUKAN RUMAH KEDIAMAN (unshakable beliefs in something untrue – another symptom of delusional disorder; sama juga dia percaya yang saya ialah 'Najib hatchet person – samseng DSN', walaupun FAKTA nya ialah hari2 saya kritik DSN). Saya diberi pelbagai GELARAN jelik dan hina kerana isu 'salam' ini. Saya telah kata yang 'Username & Password' adalah cara / kunci untuk ke Blog dan keizinan diberi secara automatik bila kita 'login' cara betul. This person needs to undergo what we call 'Mental Status Examination'. It's normal that the sufferer does not realize (not aware) that he is having some kind of mental problem.

Terima kasih Tun.

Dengan perasaan serba salah dia pun pangkah BN. Mestilah BN dikawasan itu tapi dia selepas itu madukan isteri dalam diam sort of balas

Assalamualaikum Dearest Tun,

Please allow me to reply with regards to the following;

Dear PutraKraken,

From the bottom of my heart I wish to say that I'm sorry if indeed my previous comments insulted you, make you angry and humiliated you and fellow Sarawakian.

However what I commented was only my 2 cents opinion and confirms my statements that the Sarawakian are truly smart people and don't need nobody to understand the magnitude of mother of scandals involving the most corrupted Pee M.

But I disagree with you that "This is state DUN election and not a Parliament and whatever impact is only to the state". As I said before the outcome of this PRN will send signals to other Malaysian and especially to Pee M Najib that he must go and we don't have to wait for the GE 14 to test his popularity.

I don't wish to interfere with your states affair and teach you what to do because yes it's true you guys are smart and matured enough and we are actually seeking favours from all Sarawakians to save us and Malaysia from the notorious Najib.

You got me right here PutraKraken, I'm not a Sarawakian but a Johorean who resides in Selangor and used to cast votes in Johor but change to Selangor with the intention to help BN but this is what we got from Najib who pissed us!

We will never vote for BN ever again if Najib and the gang is still around that is for sure, Sir.

Thank you Putra and best of luck dear Sarawakian to reduce BN's seats and popularity votes percentage.

Wasalam and regards Tun.

Dear faradina

Are you a Sarawakian....and indeed are you a registered voter in Sarawak.

We are sick of other people telling us what to do.

Let us in Sarawak do what we believe is to our social and economic benefits. we know what is best for Sarawak..and it is definitely not Najib and the damned UMNO followers.

We are matured enough to determine our own destiny and Najib presence in Sarawak has dented our pride. This is state DUN election and not a Parliament and whatever impact is only to the state. Najib or for the matter UMNO and political parties from Semenanjung who does not have any stake in the PRN should not have been a busy body to the state election matter. At any other time when Najib is not a PM, you are welcome...but not while the traitor Najib is at the helm of the Government.

Come Parliamentary Election...you will know your fate.

Najib and UMNO...you are not welcome.

From angry and humiliated Sarawakian.

Assalamualaikum Dearest Tun,

VOTE SMART TO SAVE MALAYSIA
DEAR SARAWAKIAN..

Totally agree with many of us here that BN will make it through in today's Sarawak 11th State Election but I guess they will not be able to achieve the targeted 70 seats simply because the Sarawakian voters wanted to send signal to other Malaysian and Federal Government that they are smart too and understands the magnitude of Pee M Najib's 1MDB and 2.6 billion scandals and NAJIB MUST GO!

My prediction is that they will not even be able to retain the 66 seats won in the last state election.

Pee M Najib is a liability to the whole nation and Sarawakian will help us starts the fire!

To make the fire bigger we will need more WINS and WINDS!

WIN more seats against BN
via

WIND OF CHANGE najib:)

We shall see the result to believe by the end of today 7/5/16 God's willing.

Salam Tun

I baca ini pagi online, apa yang menarik sini, this guy, ada seorang kat sini pernah rekomen, kerana this guy pernah menulis about PROTON, as for me biasa aje because I dah kenal this guy melalui investment forum, so what he wrote something I boleh agak.

Here's the article dari StarBiz (Star business section).

Koon in the spotlight over untimely disclosures

THE late disclosures to Bursa Malaysia by savvy investor and philanthropist Koon Yew Yin on the disposal of his shares are now raising questions.

Based on Bursa's listing requirements, a substantial shareholder needs to give notice on their acquisitions or disposals two weeks from the day they buy or sell the shares. In Koon's case, he disclosed weeks later. the disposal of his shares in VS Industry Bhd and Latitude Tree Bhd.

Being a substantial shareholder in both companies, his late announcements on the disposals have put him in the spotlight among his followers and the investing community.

The most recent disposal was in relation to VS Industry.

On May 4, the company announced to Bursa that Koon was no longer a substantial shareholder after having disposed in the market a staggering 44.08 million shares between March 18 and April 11.

Prior to the announcement, Koon was the third largest shareholder of VS Industry with an 8.8% stake.

He sold his shares from March 18 onwards and the announcement was made on May 4, which is some seven weeks later.

A second incident involved Koon's substantial shareholding in Latitude Tree where he was also a substantial shareholder in this integrated household furniture manufacturer company with a 5.23% stake or 5.08 million shares prior to his disposal of shares last November.

Koon started acquiring Latitude shares in October 2014 and emerged as a major shareholder with a 5.01% stake.

While he ceased to be a substantial shareholder in end-November 2015, he only gave notice of his disposals in January, two months later. Based on filings on Jan 11 this year, he acquired, disposed and transferred Latitude shares between Nov 16 to 23.

Coincidentally, a day after his announcement, the shares of Latitude Tree started to fall. From its price of RM8.05 on Jan 12, Latitude Tree has been on a downtrend to its current price of RM5.60. On a year to date basis, it is down 24.22%.

To be fair, furniture stocks such as Latitude Tree also came under selling pressure during that period due to the ringgit appreciating against the US dollar.

The same can be said about VS Industry.

The stock has been under tremendous selling pressure over the last few months.

Koon first emerged as a substantial shareholder of VS Industry on June 15, 2015 with a 9.93% stake. He should be sitting on a handsome paper profit considering that VS Industry has appreciated over 500% over the last eighteen months.

The stock is now down 21.66% on a year to date basis at its current price of RM1.23.

The VS Industry warrant, which was listed on Jan 13 and opened at 30.5 sen, touched a high of 45 sen on Jan 19, and has since been on a steady downward path. The stock closed 26.5 sen yesterday.

VS Industry's fall over the last few weeks has been even more peculiar, particularly since the company was seeing fund managers and analysts for investment briefings.

There were in fact a few positive reports and internal notes on the company.

UOB Kay Hian for one, gave VS Industry a target price of RM1.60 on a fully diluted basis, on the back of its new customer growth.

Koon is also a substantial shareholder in two other companies – Can-One Bhd and Lii Hen Industries Bhd with a 8.3% and 11% stake respectively.

It will be interesting to see the timeliness of his disclosure for these two companies.

Koon could not be contacted for comments.

Disclosure under scrutiny

Koon, who founded IJM Corp, Gamuda Berhad and Mudajaya Group Bhd, is an 82-year old retired civil engineer who made his money through shrewd investments in stocks.

Late last year he was under the spotlight when he made a RM50mil donation to the Penang state government to build hostels for poor tertiary students.

However among investors, Koon is seen as more articulate who understands the market well. He is constantly invited as a guest speaker for investment talks, while his stock picks are followed closely by most in the investing community.

A retailer who has been following Koon's writings on his blog said that the savvy investor would have been in a difficult position when it comes to disclosures.

"As a substantial shareholder, it is difficult for him to sell his shares. When Koon discloses to Bursa that he is selling, it could evoke some selling among his followers and cause a further slide in the stock," says the retail investor.

However, the fact that he does not disclose his disposal of shares in a timely manner also gives rise to issues such as confidence and trust among his followers.

"The question is when he writes about any particular stock that he has substantial shareholding, his followers would not know whether he is selling the counter," says the retail investor.

Perhaps realising the backlash on his actions, Koon released a note on his blog on Thursday, explaining his actions and emphasising that he did not mislead his followers.

"As you know, I have been posting several articles on VS Industry to encourage investors to buy its shares which went up from 30 sen in July 2015 to RM1.65 in January 2016, a phenomenal gain of 550% in about 18 months.

"The company's annual report showed that I was a substantial shareholder.

"I am sure many readers would have bought and made huge profit.

"I have started selling my holdings about six months ago and now I am no longer a substantial shareholder.

"Regular readers would know that I have not posted any articles on VS since I started selling.

"I cannot be dishonest to encourage readers to buy when I am selling.

"I wish to inform you that Mr Ooi Teik Bee who is managing some of my funds, has bought one million VS shares at RM1.21 and RM1.22 per shares for me and I have also bought about one million shares at RM1.22 per share yesterday.

"Please be informed that we will be accumulating VS shares slowly," he said.

"My intention of writing this article is to teach people how to make money from the stock market."

The remainder of the article are reasons on why Koon is buying into VS again.

On April 30, which was before Koon made the disclosure that he sold the 44 million VS shares, he wrote that it was a good buying opportunity to buy VS Industry.

"Since I started buying 18 months ago, I have been buying continuously with margin finance.

"As the price went up, I could borrow more money to buy.

"As a result, I am a substantial shareholder.

"Eventually VS went up more than 500% within 18 months,"

"Unfortunately it dropped too rapidly in the last 3 months due to the strengthening of our ringgit.

"Investors always overreact on good or bad news.

"In this case, they think VS will not make profit which cannot be true.

"You can see from the chart that the price has dropped 25% in the last three months which is unreasonable.

". . . I think it is a good buying opportunity."

He posted again on May 4, Koon saying: "I am obliged to tell you that I have sold a large amount of my VS shares and now I am buying back."

It will be interesting to see how Koon makes disclosures for Can-One and Lii Hen when he decides to reduce his interest in both companies.

Assalamualaikum to Tun and other muslim bloggers, salam sejahtera to all.

1. Tun loved UMNO for it was the best party so far for the malays...fighting for their causes, plus religion.

2. Tun at first wanted UMNO to bring down najib, but sadly, UMNO leaders were too corrupted and scared stiff to do that....for thie own sakes, not for the malays or people of malaysia.

3. Therefore, Tun had to leave UMNO, for UMNO is the vehicle used by the corrupters (thieves, cheters, liars, destroyers, etc)

4. This will continue, for UMNO has become a company for making profits...a kilang for becoming rich.....a party for the rich to become richer, the poor to become rich....to these so-called leaders, UMNO = \$\$\$\$

Mau tegakkan agama, bangsa dan negara ! Itulah ayat keramat parti UMNO....ayat pemimpin2 lanun.....kesian sungguh, orang 2 yang kurang bijak, yang lurus bendul, yang terlalu bergantung.....percaya bulat2.

5. UMNO menggunakan taktik menakutkan rakyat melayu dengan menonjolkan bangsa cina sebagai musuh utama....jangan bagi cina ambil negara kita kata mereka....tetapi dengan kuasa yang mereka

ada, mereka endorsed tanah, harta negara ini menjadi harta cina.....rakyat biasa seperti saya tak mampu buat begitu.

Pemimpin2 UMNO jual bangsa dan agama Islam untuk kekayaan yang sementara di dunia

UMNO is weakening under Najib rule

We can see that

It's not just the wrongful disposal of Tan Sri Muhideen Yasin , who is a veteran of UMNO

From scrap Muhideen to Deputy Prime Minister Muhideen

The disposal of Datuk Mukhliz Mahathir , a quiet thinker like his Papa

The many UMNO members

Again with those quietly against UMNO today

Najib must be made accountable and responsible

His Days is coming ,He himself will ends his episodes

It narrow Malaysia to Longkang

Both Husband and Wife will deny this

We can see it as public observations though we may not be near them

It's obvious and it's stupid of Najib

Salam,

Kepada saudara/saudari wajaperak,

1. Saya kurang faham tentang perkara "minta izin". Bagi pendapat saya, semenjak blog ini ditubuhkan, sudah ada ruangan komen yang perlu di log masuk di bahagian bawah. Jadi bagi saya, izin itu sudah diberikan daripada tuan rumah(blog) ini dengan wujudnya ruangan "comment".

2. Tentang ucapan "salam" atau "assalamualaikum" atau "assalamualaikum warah matuLLAH hi wabarakatuh" tujuan/niat asal tetap sama iaitu untuk mendoakan kesejahteraan dan keberkatan kepada Manusia dan Menyanjungi Tuhan Pencipta.

3. Saya tidak pasti tujuan/niat anda dengan meletakkan ayat al-quran sebagai rujukan saya, tetapi membuat andaian/tuduhan menentukan agama seseorang. Bukankah itu lebih buruk dari orang yang tidak beradab?

4. Saya tidak pasti, jika maksud anda untuk "minta izin" itu dari anda atau "tuan rumah(tuan blog)". Mungkin anda TUN yang guna psudonim lain, atau TUN melantik anda untuk menjaga "pintu rumah(blog)" secara fizikal/maya. Jika tidak seperti di atas, saya fikir anda telah mengambil "hak" "tuan rumah(blog) ini sendiri, dan sesungguhnya orang yang mengambil "hak" orang lain untuk dijadikan "hak" untuk kepentingan diri sendiri itu adalah tergolong dari orang – orang yang zalim.

5. Jika anda fikir/rasa yang saya ini tidak beradab "mungkin" saya boleh terima. Tapi jika anda mempersoalkan ke-agama-an saya, saya fikir itu juga bukan "hak" anda tetapi itu "hak" Tuhan Yang Mencipta.

6. Jika anda rasa tinggi 168cm dengan penggunaan ayat al-quran serta "terjemahan" dan "ditafsirkan" sendiri. Bagi pendapat saya, anda telah merosakkan kesucian ayat tersebut.

"Barangsiapa di kalangan kamu melihat kemungkaran hendaklah mengubah dengan tangannya, jika tidak mampu, maka dengan lidahnya dan jika tidak mampu, maka dengan hatinya dan yang demikian itu adalah selemah-lemah iman" Riwayat Muslim.

TQ

'Kalau begini permainannya, dah lama saya tarik diri'

PENGASAS D'Herbs Holding, Datuk Aliff Syukri Kamarzaman menafikan dakwaan yang mengatakan beliau ingin memiliki tanah di negeri Kedah sebagai syarat untuk menaja pasukan bola sepak negeri tersebut.

Menurutnya, melalui perbincangan sebelum ini, pembangunan tanah tersebut dipersetujui dibuat melalui proses usahasama dengan anak syarikat negeri Kedah iaitu Perbadanan Kemajuan Negeri Kedah(PKNK).

LTH offers to sell London office

LONDON: The Malaysian fund that invests on behalf of the country's 18 million Muslims plans to offer the London headquarters of law firm King & Wood Mallesons for sale, according to one of its investment managers.

Gatehouse Bank Plc, which manages some real estate investments on behalf of the Lembaga Tabung Haji (LTH), has hired broker Savills Plc to find a buyer for the office building at 10 Queen Street Place, the lender said.

The building is expected to sell for about £200mil, according to two people with knowledge of the matter, asking not to be identified as the matter is private.

Spokesmen for Gatehouse declined to comment on the building's value.

LTH could not be immediately reached for comment and Savills declined to comment on the sale.

Malaysia's state investment funds have been selling UK real estate after the Government called on them to repatriate capital to prop up the country's stock and currency markets.

LTH purchased the Queen Street Place building in the City of London financial district in 2012 for £165mil, according to a statement at the time from Gatehouse Bank.

It sold 151 Buckingham Palace Road to Gaw Capital Partners last year, according to the purchaser.

Tun,

Assalamualaikum. Terima kasih yang tak terhingga di atas penat lelah Tun selama ini. Dan kini Tun walaupun telah berumur lebih 90 tahun masih berjuang untuk rakyat. Kadang-kadang orang terlupa, berjihad itu bukan semata-mata dengan cara menjaja nama agama kita, ia boleh dibuat dengan berbagai cara. Semoga Allah s.w.t tetapkan iman Tun berdua dan Tun berdua sentiasa memperbaiki dan memperbanyakkan amal ibadat kepada Allah s.w.t. Najib dan pemakan dedak sentiasa berusaha

untuk menutup isu 1MDB ini dan Tun pula sentiasa menunjukkan contoh untuk tidak putus asa untuk melakukan sebaliknya. Saya tidak sekali-kali menyalahkan Tun atas segala yang Najib lakukan. Bukan Tun yang suruh dia buat semua ini. Dia ada akal fikiran (walaupun dia bukanlah bijak pandai) untuk melihat baik dan buruknya sesuatu tindakan, jadi dia harus bertanggungjawab atas segala yang berlaku.

Saya mengundi di Sarawak untuk kali yang ke3 dalam hidup saya. Pada hemat saya, BN akan mengalami kemerosotan walaupun di kawasan pedalaman. Bukan sebab isu 1MDB tetapi MP sedia ada yang tidak buat kerja, sombong atau ada antara calon yang tidak bijak dan banyak isu yang tidak baik sementara calon pembangkang pula yang lebih berkaliber, berpelajaran dan bersih. Tak susah nak pilih! Sekali lagi BN mencerminkan info untuk kriteria pemilihan calon yang tidak tepat dan tidak berjiwa rakyat.

Kerajaan malaysia macam kerajaan najib dan zahid saja, bukan main sungguh2 menaikkan gaji tentera dan polis, seolah mereka mahu menjadikan kerajaan regim tentera untuk persediaan jika majoriti

rakyat memberontak. Apakah nasib jika semua polis dan tentera yang kaki ponteng, pemalas, tukang jaga kedai kuda pun dapat naik sama?....kami rakyat yg mtmbayar cukai tidak sama sekali mengikhhlaskan (tidak menghalalkan wang kami itu) wang kami untuk penjawat awam yang tidak ikhlas bekerja dan terlibat dengan rasuah.

Bagaimana pula dengan pekerja awam lain seperti jabatan bomba
Jabatan parit dan tali air
Guru taska dan guru2
Doktor dan jururawat
Pakar kaji cuaca
Jabatan hasil dalam negeri
Jabatan buruh
Jabatan2 lain juga.....

Mereka2 juga pangkah barisan nasional semasa mengundi, bukan setakat polis dan tentera...

Tolonglah bersikap adil kepada semua rakyat terutama dari sektor swasta yang banyak menyumbang dari segi cukai pendapatan.....kami membayar untuk anda semua bekerja dan menjaga sistem negara bukan untuk melihat rasuah berleluasa.

Yuan weighs on ringgit: The selldown in the ringgit, despite the relative stability in crude oil prices and the broad US dollar weakness, is due to the impact of the depreciating yuan on the Malaysian currency. Analysts say fears over China's currency policy move had become the major culprit driving the ringgit's decline over the last few days. – **StarBiz**

Salam,

Kepada Fariq Islam,

Anda masih lagi cuba sedaya upaya untuk membersihkan nama "boss" anda. Walaupun anda menggunakan ayat "bertapis" tetap nampak motif komen anda.

Katanya AG, yakni, Peguam Besar Malaysia telah "clear"-kan nama "boss" anda. ML Saudi juga telah mengeluarkan penjelasan kukuh mengatakan "wang bersih" diterima oleh "boss" anda. Dah berapa "selasa" dah.

Suruhlah AG buat "kerja" sikit, betul tak. Berani keluar "media release" tapi tiada tindakan susulan pun.

Kalau anda ini bekerja di PMO, sepatutnya andalah yang membenarkan keadaan kerana "fail" diuruskan anda. Anda "bersubahat" jika merelakan perkara ini berlaku.

If only..yes if only a few of the BN MPs have some morality and care so much for the coming generations and love/fear for the Creator then they should resign from BN and become Independent instead

I am sure that will kick start many UMNO members to call for Najis to step down.

or may even a call for Reformation of a New Govt

It is also a call for Minister concern to step down

Najib UMNO ruling is worst of its Kind

Not able to be Competence

It goes beyond Stupidity , creates further loses to the Nation

Above all Najib is behaving as if He got nothing to do for his Failure
Instead of making changes its organizations to betterment of Malaysia Needs
He make changes for his Needs and Security
These puts Malaysia to a Red Zone

Assalamualaikum, Tun.

It's not right for the Government to sell land cheap. But, in this case, at least 1MDB starts a chance to recover, via another source, money lost in investment. Otherwise, the Government, as guarantor, will be in trouble.

It's not right from the outset, to convert Yayasan Pelaburan Terengganu to 1MDB. The nation has had Khazanah Holdings as its investment arm. Why should another entity be made to exist and carry out the same role played by Khazanah Holdings?

Rakyat would like to see PM taking legal redress against WSJ, to clear his name and this country's image. And, penalizing actions must be in place, to summon the ex-1MDB Board, CEO etc. for misusing resources and abusing positions, to self-advantage.

81. [Log in to Reply](#) [umranrc](#) [May 5, 2016 4:45 PM](#)

Salam Tun,

Sungguhpun kita semua tidak inginkan perkara seperti 1MDB ini berlaku tetapi sedikit sebanyak ada juga hikmahnya.

1. Pengenalan kepada kepincangan sistem.

Undang-undang yang sedia ada perlu diperbaiki untuk mengelakkan kuasa yang tiada hadnya diserahkan hanya kepada satu orang.

2. Pengenalan kepada keruntuhan maruah.

Tanpa mengira bangsa dan ugama, kita dapat melihat sendiri bahawa ada sesetengahnya sanggup menggadaikan maruah demi menegakkan kebatilan. Dimanakah silapnya pendidikan mereka?

3. Pengenalan kepada pemikiran yang maju.

Rata-rata rakyat mula mengambil berat soal-soal Negara kerana kejadian ini, dimana dahulunya ramai hanya memejamkan mata dari mengambil tahu pengurusan Negara. Ini satu bentuk kemajuan juga.

Seperti sebelum ini, Dato' Seri Najib semestinya memikul tanggungjawab dengan segala yang berlaku didalam 1MDB kerana beliaulah yang menurunkan tandatangan dalam setiap urusan yang besar syarikat ini.

Dan, berdasarkan bukti yang cukup jelas yang dikeluarkan oleh AG, wang SRC telah pun masuk ke dalam akaun peribadi Dato' Seri Najib. Pendedahan ini perlu kepada perbicaraan di mahkamah. Biar mahkamah yang menentukan dan bukan sekadar menerima alasan tidak munasabah yang diberikan.

Kenapa saya berkata demikian? Kerana baru-baru ini AG menyatakan, tidak menjadi satu kesalahan jenayah sekiranya seseorang itu berbohong kepada sesiapa pun. Yang menjadi kesalahan adalah berbohong dalam laporan polis ataupun semasa dibicarakan di mahkamah. Dalam keadaan sama, alasan lisan yang diberikan kepada AG sendiri oleh Dato' Seri Najib mengenai hal wang SRC ini tidak boleh diguna pakai kerana ianya berkemungkinan tercalit dengan pembohongan. Maka, cara terbaik adalah perbicaraan resmi dilakukan.

Mengenai wang 'derma' dan sebagainya, kita terpaksa menunggu laporan resmi dari kerajaan-kerajaan asing yang terlibat mengenai perjalanan wang ini. Berkemungkinan ianya tidaklah lama lagi.

Dalam pada itu, hausnya keyakinan masyarakat antarabangsa kepada Negara kita perlu diperbaiki semula secepat mungkin. Keutamaan harus diberikan kepada menghilangkan punca kehausan itu sendiri.

Terima Kasih Tun.
