Tun

Good morning ! A very good morning to you ! This morning is unlike any other. The friendly singing bulbul is still asleep in the nest in the young banyan tree by the road. The best time of the day in our beloved Malaysia before the crack of dawn by which time all planters anywhere in Malaysia would have been up and working. Yes ! There was a headline yesterday which drew my attention thus :-

' RUBBER TO SURPASS PALM OIL'S CONTRIBUTION TO ECONOMY '.

My eyes nearly dropped out when it struck me. This sounded like as though the production of Natural Rubber is still King in Malaysia. We all know this is not so.

The statement went on that Rubber Exports and earnings contributed RM 32 Billion from Natural Rubber exports ! Nothing was mentioned about the oil palm/s contribution which was RM 53 Billion in 2014 and employed 600,000 persons. Vide, The Oil Palm. 1 January 2014 as compared with 400,000 person employed in the rubber goods factories. Small holders were mentioned as a matter of course, to bolster the argument for this misleading Ministerial statement. Who was behind this ? Some recalcitrant BN clerk ?

this was surprising to all who are aware about palm oil and natural rubber.

The Minister was NOT COMPARING LIKE WITH LIKE, SHE WAS COMPARING CHALK WITH CHEESE – palm oil with condoms and rubber gloves. What a slip up if I may say so by her supportive staff which must be left-overs from the Corrupt and Uncaring BN Government.

In the hey day of Lee Kuan Yew's Malaysia Killer TPPA/CPTPP, the Corrupt and Uncaring BN Government used the export figures of condoms and gloves as the prime example of why Malaysia should join the TPPA.

The reason given was that Malaysia would sell more condoms and gloves to the United States concomitantly with improvements in our commercial standards and export more hi-tech goods in 20 YEARS TIME.

NO ONE MENTIONED MALAYSIA WOULD HAVE BEEN DEAD FOR 20 YEARS WITH THE DELUGE OF SINGAPOREAN GOODS OVERNIGHT AFTER THE RATIFICATION OF THE MALAYSIA KILLER TPPA/CPTPP !

It was penny wise pound foolish to promote a tiny segment of our manufactured goods which is the condoms and gloves and SACRIFICE FOR LEE KUAN YEW OVER 90% OF OUR ESTABLISHED SMEs. If this is not treason, I do not know what to call this treasonous arguments.

Talking about treason, we have brainwashed specimen on this distinguished Blog, at least two Malaysian Chinese who brazenly only love a foreigner of well-known repute Lee Kuan Yew. I am sure they sing the Negara Ku as well.

UNTIL THE MALYSIAN CHINESE ALL ARE NATIONALISTIC IN MALAYSIAN TERMS AND UNDERSTAND THE DIFFERENCE BETWEEN SOVEREIGNTY AND NATIONAL INTEREST AND TREACHERY, our beloved Malaysia is incomplete.

I refer in particular to the fakes SS Lee and HBT456 who abuse their privilege in this distinguished Blog by insulting the honest and factual opinions of others taking advantage of our beloved Tun's tolerance and understanding of Humankind.

These fake specimens are a shame to the worldly wise Malaysians by worshipping a foreign god, Lee Kuan Yew who was A PURVEYOR OF DEATH BY ARMS RUNNING. Their breath stinks so badly even Sensodyne will not save them.

And our beloved Tun Dr Mahathir Mohamad, a BRILLIANT GIANT WHO SAVED A NATION and will meet another GIANT SOON, PRESIDENT DONALD TRUMP. An event which all of us Malaysians will feel PROUD, STRONG AND UNITED. No traitors for us Malaysians.

Malaysia Boleh Tun as always !

Look at fast food chain outlets, there are consumers in clearing off their tables after eating though it is very tiny % since this is the business model of fast food of diy concept, though there is no policy that stated that consumers must clear their table after eating.

For business community, it is always about business models for business sustainability.

For leaders of the country, it is always about economic models for future sustainability.

Here, i am not sure what is in their mind when they talk about number 9, and 7:7.

But i guess, these numbers are more a political numbers of who gets what and who dont gets what kut.

Thats life in malaysia.

Either we take it, or we leave.

Therefore, no need to get curse, sabotage, boycott, angry, frustrated or revengeful.

When comes next ge, just vote the coalition that we prefer, itu saja.

As voter, my obligation is to vote.

Jika aku tak mampu bayar balik, aku tidak akan ambil loan mahupun credit card, itu saja.

Bnm is doing well in implementing coding of mampu bayar balik on this, but they too will face difficulty when bankers and private sector follows but glc and political party owned koperasi tak follow, betul tak?

Yup, it is messy and complicated, and could be viral out of control that would threatened nasional security.

Thats why, cooling period is a neccesity so that all of us dont jump into the wrong conclusion that would cause loss of votes.

Perhaps mubarakchan still think by yelling incorruptable government, students will pay back default loans, very much depend on the target that they aimed.

To them, maybe loan default is equivalent to saman trafik kut.

Adakah students memang tak mampu bayar balik, atau adakah mereka tak tahu bila kena bayar balik atau macam mana mahu bayar balik, entah lah, kan kita semua pun tahu the efficiency of jabatan kerajaan memang lembap dan slow gila.

Mungkin kepala jabatan2 ini diperintahkan untuk tulis alasan kenapa students tak boleh bayar balik, siapa tahu mungkin mereka mereka cerita dengan alasan yang menyedapkan hati boss mereka iaitu majikan rasis, jahat , busuk blah and blah by sitting inside office kut.

Even our 7th prime minister said, those who are charged for money laundering are smiling when going into jail.

With this kind of forever got tomorrow one, obviously their epectatation of efficiency in performance is much much lower than those in the private sector.

Bak kata cina, jika government pakai communism system, it means buat kerja, dan tak buat kerja, gaji sama aja.

Jika buat kerja boleh menyebabkan kemarahan boss, then lebih baik diam2 aja kerana takut boycott atau pecat.

Jika mereka yang bijak dan kuat bodek boss, mereka pasti akan naik pangkat dan gaji.

Frankly speaking, no matter how hard we work, we are pendatang to them dari dulu hingga kini with man propose, god dispose kind of slogan and programmes launched by the ruling government.

Malaysia boleh.

Gemilang, cemerlang dan terbilang.

1 malaysia.

Sayangi malaysia.

After this, not sure what slogan and programmes would be made by the next government.

Where is the leakage?

Re-built political party?

Focus on state economy?

Itu terpulang kepada citarasa parti2 politik tempatan.

Progress, atau regress, political parties decide.

The only headline of note this late afternoon

' UNTRUSTWORTHY PTPTN BORROWERS CHALK UP RM36 BILLIONS IN UNPAID LOANS.'

This headline clearly illustrates the weak Corrupt and Uncaring BN Government which treated precious hard-earned money of the Rakyat like water.

It is beyond any one's imagination that these PTPTN loans were not collected by the BN Government. It is still not late to collect from the recalcitrants who took advantage of the Corrupt and Uncaring BN Government with its inefficiency.

It is no laughing matter concerning these PTPTN loans which were swept under the carpet for so long to the disadvantage of the Rakyat because IF ALL PAID UP MORE

LOANS COULD BE GIVEN TO MORE SCHOLARS WITHOUT RESTRICTIONS. As it is, this is a case of dwindling returns as time goes by.

Hence, the New and Incorruptible Government of the old and the young, the good and the great MUST NOW TAKE LEGAL ACTION TO RETRIEVE WHAT IS DUE TO THE GOVERNMENT WITH NO QUARTERS SPARED. Let's do the basics of collection. Anything else may be up for due consideration later

Or else, the PTPTN recalcitrant will treat the New and Incorruptible Government LIKE A TOOTHLESS TIGER WITHOUT FEAR. There is no politics involved in this little game by the RECALCITRANT DEBTORS.

IT IS A GAME OF JUSTICE AND FAIR-PLAY FOR ALL AND NOT JUST A FEW RECALCITRANT DEBTORS HOLDING THE NEW AND INCORRUPTIBLE GOVERNMENT TO RANSOM which they did to the Corrupt and Uncaring BN Government with tongue in the cheek.

Who are these Debtors for the Corrupt and Uncaring BN Government to fear ? Why fear Debtors and not the Creditors ? I have never seen lop-sided logic as stupid as these. And a Government as weak as the Corrupt and Uncaring BN Government !

It is now or never with these recalcitrant PTPTN debtors.

Malaysia Boleh Tun as always !

Perhaps in the mind of mubarakchan, malaysia is not good enough for him.

Bak kata, cakap besar siapa tak erti?

Gaya mahu best of the best, gaji mahu tinggi?

Apabila kerja tak erti, we will see their pattern of man propose, god dispose.

It is still come back to the basic question of chicken and egg issues.

Siapa kah boss?

Er here got no snow wor, heavy rains that caused banjir, ada lah.

Eventhough mubarachan envy the Visionary Switzerland, Democratic India and Good Governance Japan, also no point.

Is it because abang in this political party, and adik in opposition party can make wonders?

Suka atau tidak, pru tetap akan dipanggil.

Jadi, man propose, god propose, it makes no sense at all.

Every morning is a wonderful morning in our beloved Malaysia with peace and harmony. As I walked to my car to ferry my grand-daughter to her Sekolah Kebangsaan, the bird which I heard singing sweetly previously was perched contentedly on the laundry rack by the banyan tree. This bird a brown bulbul or nightingale in Arabic terms decided to have a rest this morning as it contemplated what to do next. No songs for me this morning. It is only natural for all to have a rest even birds.

And the headlines this morning, Tun Only the Star was available.

1. 'AG WANTS MINISTRIES, STAKEHOLDERS TO HELP SPEED UP LAW REFORMS'.

Yesterday were :-

2. ' WE SHOULD REVIEW DEATH PENALTY FOR MEDICINAL MARIJUANA/CANNABIS.'

3. ' NO NUCLEAR POWER PLANTS '

1 & 2. It is good the AG has got down to the brass tacks to push for the reforms of laws and practices which have been neglected for decades by the Corrupt and the Uncaring BN Government in keeping with our New Era and our fast trek journey towards the likes of Visionary Switzerland, Democratic India and Good Governance Japan.

Without our Nation's Laws revised up-to-date, our beloved Malaysia is like cycling along the highway when other countries like Singapore, Hong Kong, Australia and Britain cruised by in their motorcars.

For example, the laws concerning marijuana/cannabis in some countries of the West have been revised and up-dated in more ways than one. In Malaysia, it is alleged one

blanket judgement covers all connected with this drug. But in practice, there are many participants along the chain on its use from the financier, the promoter, the wholesaler, the distributor, the sale agents, the pushers and right at the bottom of the chain is the consumer. It seems to me the case in question concerns the unfortunate consumer who faces the DEATH PENALTY.

It is timely Tun that you raised the question of review of this case because the consumer is not at fault but only possession of the drug which incurred the death penalty for him – if he was really a consumer. Your suggestion is Humanitarian, Justice and Fair Play.

Most other countries now recognise the fact that the whole chain cannot be treated as an amorphous mass to be meted with the same punishment. Malaysia seems to be lacking in our treatment of the thousands of young people caught in this drug web who were always thrown into prisons. It is appropriate and timely that the New and Incorruptible Government look into the treatment of the convicted young and put them in special confinement areas like the discarded NS camp for rehabilitation but not in PRISONS. This is a COST worthwhile some consideration in human terms.

The Corrupt and Uncaring BN Government 2004-2018 did not bother to look into humanitarian sufferings or to revise our Laws which were never revised for decades. These are the Trustees Act 1949, the Companies Act 1965 and the Bankruptcy Act 1967.

i) The Trustees Act 1949 has not been revised since 1949 – 69 years. In Singapore, Hong Kong, Britain and Australia, this Trustees Act is an important Act because it is part of the laws governing the practice of the legal profession, banking, commerce, individuals and the middle-income class. This Trustees Act is a living entity like all Laws. It is not only used by dying people as some think. IN FACT IT IS A VERY MUCH ALIVE LEGAL INSTRUMENT OF GREAT IMPORTANCE IN EVERY MAJOR FINANCIAL CENTRE OF THE WORLD. And yet, the Trustees Act 1949 of Malaysia has not been revised for 69 years !

ii) The Companies Act 1965. This all embracing Act for commerce has been neglected too.

iii) The Bankruptcy Act 1967. The Minister in charge of Law misled the 300,000 young bankrupts the majority of which are Malays that the purported recent amendment to the Bankruptcy Act 1967 would be all-embracing . IN FACT NOTHING OF THE KIND HAPPENED. THE MINISTER JUST ATTACHED A NEW AMENDMENT TO THE OLD OF 1967. It was alleged this was done because of pressure from financial interests WHICH DARE NOT DO THIS IN SINGAPORE, HONG KONG, BRITAIN AND AUSTRALIA.- weak, very weak Corrupt and Uncaring BN Government. There were 2 other Law Ministers before this. They did ABSOLUTELY NOTHING.

Many complained in the media that the Bankruptcy Act 1967 IS CRUEL BECAUSE OF ITS 19TH VICTORIAN PUNISHMENT METED OUT TO 21st CENTURY DEBTORS. Malaysia is the ONLY COUNTRY STILL LAGS BEHIND IN THIS ASPECT.

WITHOUT UP-TO-DATE AND REVISED LAWS OF THE LAND, THE NEW AND INCORRUPTIBLE GOVERNMENT OF THE OLD AND THE YOUNG THE GOOD AND THE GREAT IS JUST CYCLING ALONG THE HIGHWAY WHILST OTHER COUNTRIES SPEED BY THEM IN THEIR MOTORCARS. No one especially the foreign investors will say anything. They just move to another countries with up-to-date Laws.

3. ' NO NUCLEAR PLANTS ' – Tun you are absolutely correct by saying 'No nuclear plants.' All doctors agree with you on this. It is the layman especially those who suggested this for our beloved Malaysia that have NO CARE OR COMPASSION FOR HUMANKIND.

It is absurd for the Corrupt and Uncaring BN Government to suggest these nuclear plants which could be the KILLER OF THE WHOLE OF MALAYSIA BUT ALSO SINGAPORE, THAILAND, CAMBODIA, VIETNAM AND INDONESIA IF THERE IS A BREAKDOWN OF THE PLANT WHICH RELEASED RADIO-ACTIVE ELEMENTS INTO THE ATMOSPHERE AND WATER. That's the end of the Malaysians for 5,000 years – the Life-span of this radioactivity. As you rightly pointed out, the disposal of radio-active waste is difficult and expensive.

For example, the disaster at Chernobyl in Russia in the mid 1980s is still on-going. My elder brother who I believed flew at 30,000 ft. over this part of Russia in 1988, later died of leukemia in 1992 !

Some Western Powers advised their nationals to avoid Tokyo soon after the Fukushima disaster.

Yet the Corrupt and Uncaring BN Government would have gone ahead with their proposed nuclear plants JUST FOR CORRUPTION'S SAKE and would not care for the future of our beloved Malaysia and her Rakyat. Man proposes. God disposes.

Malaysia Boleh Tun as always !

It is a wonder that NO ONE IN THE WORLD TO THIS DAY EXPOSED LEE KUAN YEW'S SINGAPORE AS THE BIGGEST ARMS TRADER NEXT TO THE UNITED STATES DURING THE COLD WAR 1948-1989 especially when Lee Kuan Yew was in POWER 1959-2015.

1. From 1959-1989, Singapore was the perfect logistics and market centre for arms running the MOST PROFITABLE AND MONOPOLISTIC TRADE IN THE WORLD ALWAYS. Finance, storage, transport and secrecy were all geared perfectly for arms running in a

strategic location in such activities SERVING SOUTH EAST ASIA, ASIA, THE MIDDLE EAST AND AFRICA. These huge areas were his monopolistic domain with Uncle Sam's approval.

2. The Arms Trade conducted out of Singapore 1959-1989 was huge. This also underlined the huge number of innocent men, women and children killed or maimed by Lee Kuan Yew's SECRET TRADE.

3. Ee-ah, ee-ah, ee-ah,' Look at WONDERFUL SINGAPORE WITH ALL ITS WONDERFUL BUILDINGS, STRONG SINGAPORE DOLLARE AND SO ON BY OUR NAIVE MALAYSIAN VESTRAL VIRGINS'. It does not make sense for a population of 2 Million doing normal business to accumulate such WEALTH and become a 1st World country and had a GDP of 7% once without SOMETHING SPECIAL.

4. Uncle Sam's disregard for Singapore's SECRET ARMS TRADE with his hegemonic spiel, ' Globalization, Free Trade, Human Rights' which knocked the stuffing out of LEE KUAN YEW'S MIRACLE THE SECRET ARMS TRADE BY THE BRICS FROM 1990 SHOWS. From 2002-2018, Singapore's GDP of 3% never recovered after losing 2-3% of its SECRET ARMS TRADE. Hence, the desperate attempts by Lee Kuan Yew to fill in this damaging loss by the ill-conceived Temasek Holdings, 2 casinos, importation of FTs to boost the GDP and the Malaysia Killer TPPA/CPTPP ! All these FAILED to regain the LUSH PROFITS OF THE CRUEL ARMS TRADE. Ee-ah, ee-ah, ee-ah !

5. Ee-ah, ee-ah, ee-ah, these naïve Malaysian Vestral Virgins have the greatest admiration for this ARMS RUNNING LEE KUAN YEW FOR HIS WONDERFUL SINGAPORE WHO WAS A PURVEYOR OF DEATH TO INNOCENT MEN, WOMEN AND CHILDREN TOO ! Ee-ah, ee-ah, ee-ah ! So swooned these naïve Malaysian Vestral Virgins whenever Lee Kuan Yew's name was mentioned.

6. This Lee Kuan Yew the Purveyor of Death supporters would STAMP OUT ANY MENTION OF FACTS CONCERNING HIM WITHOUT KNOWING THE REASON WHY FOR AS LONG AS ONE COULD REMEMBER !

NOW WE KNOW WHY. HE WAS THE WORLD'S PURVEYOR OF DEATH IN ARMS RUNNING NEXT TO THE UNITED STATES AND OTHER SUPERPOWERS.

And our beloved Malaysia earned an honest and harmless living by the hard work of our Rakyat and from our natural resources and manufactured goods. WE DO NOT DO ARMS RUNNING TO KILL INNOCENT MEN, WOMEN AND CHILDREN. OUR RELIGIONS FORBID.

Since these brain-washed specimens singled a nobody like me for special treatment and victimization, I also take the opportunity to REVEAL ONCE AND FOR ALL THE BRILLIANCE OF LEE KUAN YEW IN ARMS RUNNING WHICH WAS HIS MONOPOLY FROM UNCLE SAM DURING THE COLD WAR 1948-1989. In 1962, he even concocted a sandiwara for two with CIA that CIA attempted to bribe him. And all his acting from here onwards for

decades was a COVER-UP OF THE MOST CRUEL AND PROFITABLE BUSINESS ON EARTH- ARMS RUNNING ! That's Lee Kuan Yew for you and me Tun.

It was NOT LEE KUAN YEW'S BRILLIANCE BUT THE CRUEL ARMS RUNNING WHICH MADE SINGAPORE SO RICH UP TO 1989. By now this WEALTH if not topped up, would be in jeopardy ! Hence, their desperation to get our Corrupt and Uncaring BN Government to sign the Malaysia Killer TPPA/CPTPP AT ALL COSTS OR ANY COST ! Stupid BN Leadership !

The above is the REASON WHY I ALWAYS WILL SAY THAT OUR BELOVED TUN DR MAHATHIR MOHAMAD IS COURAGEIOUS AND BRILLIANT WITHOUT HARMING INNOCENT HUMAN BEINGS. And compared with Lee Kuan Yew, the Tun is NUMERO UNO.

You asked for it folks. You got it. Lee Kuan Yew was a cruel arms trader not a brilliant Cambridge scholar.

Malaysia Boleh Tun as always ! No arms running for us, Malaysians.

Assamualaikum Ayahanda Tun,

NAJIB
NAJIB
NAJIB SEMBANG..

TUMBANG..
BIMBANG..

Najib mungkin sudah tumbang tetapi delusinya semakin hari semakin berkembang.

Beliau hari ini mengaku telah menyebut depan ayahanda Tun kata2 keramatnya "Cash is King" tetapi hari ini juga dibelakang Tun beliau menyatakan bahawa pengertian istilah "Cash is King" nya berbeda dengan apa yang ayahanda Tun sampaikan kepada rakyat.

Najib mula bimbang dengan persepsi rakyat terhadapnya dan mula bersembang rambang lambang semangat juang seorang panglima berlangkah sumbang mungkin kerana terlalu banyak makan sumbangan DiRaja Amdibi.

Percayalah Najib orang Malaysia kedua selepas Jho Low yang telah membaca buku BDW itu sebelum ia masuk ke pasaran Malaysia lagi sabit tulah beliau sibuk keluarkan surat2 Tok Arab yang betul mungkin satu dua tetapi habis semua yang masuk dalam akaun peribadinya adalah dari derma Tok Arab.

Sekian.

p/s : Tak kecil hati ke Tok Arab bila awak pulang balik derma ikhlas yang telah diberikan? Kami tak puas hati kenapa Najib pulang balik duit derma tu? Kenapa dan Mengapa?

p/s : Bosan dengar delusi Najib hari2 sampai paper pun cover biar dengar pendedahan LGE hari2 pun tak mengapa..

With your permission I now draw out the details why you are far better a person in courage and brilliance than the narcissistic and self-centred Lee Kuan Yew.

Tun Dr Mahathir Mohamad came from a conservative Muslim family who observed all the conventions befitting the family at the time. Tun somehow, sometime was fired up to be a doctor to save lives which all doctors were inspired to do so. His trek to the famous King Edward VII Medical College was not without difficulties. The War years had affected all on the Peninsula. It was to his fortitude and determination that he made the grade into the Medical School. From thereon, it was the unknown wide wide World for him. But from his own personal experiences and observations, his long passion which is NATIONALISM grew like a tiny seedling in his heart and mind. Well before he reached adult age. Opportunities arose in the heartlands of MALAY NATIONALISM like Kedah. He took up what he believed was right with both hands. But, IT MUST BE REMEMBERED FOR A MALAY RIGHT UP TO 1981, MONETARY REWARDS WERE NOT ONLY FAR AND FEW BETWEEN, IT WAS NOT THERE. Against this difficult background in a Colonial environment first and a quasi- Colonial environment after Merdeka, it was all an uphill struggle in LIFE for Tun and his young family. And there was no inkling or certainty where all these political activities were going to lead to. But without fail, it was Tun's brain and physical attributes which worked overtime always WITHOUT CHEATING OR SPOKE WITH A SILVER TONGUE TO GAIN AN ADVANTAGE IN LIFE. No doctor will ever do this. The rest is HISTORY as we know it.

THE STRUGGLES, SACRIFICE, COURAGE AND BRILLANCE OF TUN DR MAHATHIR MOHAMAD – A Malay.

And now Lee Kuan Yew, the facts.

Lee Kuan Yew's commanding presence was noticed when he was at Raffles College as a brash person who never like to lose. War came. He worked for the Japanese Singapore Broadcasting Service in comfort and without hardship. Throughout the Japanese Occupation he had the benefit of private law tuition by the unemployed British trained lawyers available. He jumped onto the first available ship to London and joined the LSE

which he found too small for his ego. But he found the entrance requirements to enter Cambridge University stacked against him. With his silver tongue, he inveigled a place in the bottom-most Fitzwilliam House without LATIN OR GREEK, OPEN EXAMINATION AND WAS OVER-AGED. Lee Kuan Yew cheated to gain what he wanted. He attained a Double First in Law competing against a handful of war-weary soldiers after he was impeccably prepared in Japanese Occupied Singapore. He had the Cambridge examinations in his pocket. But the London Bar Finals were a different kettle of fish. He was placed last. His wife was placed 3rd out of 300. Later my wife was place 7th our of 700. Whilst in London, his ego encouraged him to mix with the British good and the great in Socialist politics. By a couple of fortunate turns of political events, he became the Prime Minister of Singapore in 1959. It was alleged that he never really wanted Singapore to be a part of Malaysia but to use the opportunity to be independent in time. This was proved to be so by 1965. Vide. <http://www.onlinecitizen.com> The Albatross Files. 1964. Lee Kuan Yew. With Separation, the first act Lee Kuan Yew did was to set-up a political party opposed to the Establishment. The rest of his Malaysia weighted Public Policies to the advantage of Singapore and the disadvantaged of Malaysia followed right up to his latest creation the TPPA/CPTPP – Malaysia's Killer. How can a person be GREAT WHEN HE HAD ONLY ONE OBSESSION IN LIFE WHICH WAS TO OVERCOME HIS NEMESIS MALAYSIA ? At the end of the day which is now, we can see the failed machinations of this person – a self-proclaimed genius. Some say he is great because the Singapore Dollar is S\$ 1.00 to Malaysian Ringgit RM 3.15. But do these smart alecs realise that from 1972-1981, the Singapore Dollar was S\$1.03 to RM1.00 with GOLD in the vaults of Bank Negara Malaysia ? Were these people born yet ? And the Government changed this Policy so that with a cheaper Ringgit, Malaysia could export more FOR THE BENEFIT OF ALL INCLUDING THE LEE KUAN YEW'S BLIND DEAF AND DUMB LEG CARRIERS ?

Now it is crystal clear that on the one hand, our courageous and brilliant Tun Dr Mahathir Mohamad achieved WORLD RENOWN by being his NORMAL SELF ALWAYS and progressed from the recognition of his mistakes which made him a better person. On the other hand, Lee Kuan Yew OVER-REACHED TO ACHIEVE GLORY AND GREATNESS AND FAILED MISERABLY WITH HIS 47 FAILED PUBLIC POLICES OF FABLES AND FOIBLES and he cheated in more ways than one as well. These are all recorded in HISTORY THE FINEST ARBITER OF THE TRUTH – A Chinese.

The above-mentioned comparative facts about our Tun Dr Mahathir Mohamad and Lee Kuan Yew clearly compose a picture of comparing chalk and cheese.

It is absurd to say I love you Tun and I also love you Lee Kuan Yew. We can only love one but not the other. Fence sitters are of no use to any Society. Any Nation will call for all to stand behind its LEADERSHIP. Traitors are the bane of the Earth.

Malaysia Boleh Tun as always !

When time is no longer a luxury, leader too could lead to make hasty, shobby and expensive decision that is bad for themselves and the country in question just win votes.

Lowering the age of voting is a bad choice, and must be debated and passed by members of parliament of all constituencies including sabah and sarawak.

Eventhough i am not a lawyer, i do know how how laws could be manipulated to favor those who are super, horribly and horrendously rich.

Average life span of malaysia is stood at 75 years old, and official marriage age of muslim in syariah court of selangor is increased to 18 years old, and the highest decision maker of fatwa lies on the hand of my sultan selangor in which sultan of other states cannot challenged or disagree.

Bak kata masuk kandang lembu mengauk, masuk kandang kambing mengembek.

To err is human.

To forgive is divine.

To let go is to give yourself a new life.

Benefit of doubts is alawys in the hearts of the people since humans can never be perfect as we are living in imperfect world dari dulu hingga sekarang, dan dari sekarang hingga 50 tahun yang akan datang.

Eventhough at the age of 93 years old, tun dr mahathir mohamad is re-elected as prime minister of malaysia for 2nd time in which no leaders in the world can do that, and his record would be recorded in the world history that no one can denied.

There must be some great and good things that he had done that made him be re-elected as the prime minister for the 2nd time.

Bak kata kita, lambat takpa, janji selamat.

Lowering voting age is a big no to me as parent because teenagers are impulsive and vulnerable and they could be mislead by leaders at the grass roots to do something that could expose them to danger consciously atau subconsciously.

Who made the dream of najib a billionaire a reality of who wants to be the millionaire for those members who are loyal to umnputra and islam, sibotak?

Yup, sibotak can dream to have young ciku mr syed saddiq of ppbm to contest for future prime minister since he is tall and handsome.

But si botak cannot stop me walaupun aku in orang lama to have dream of young ciku mr ong kian ming of dap to contest for prime minister of malaysia eventhough he is botak and not handsome what.

Also, we cannot stop young ciku mr rafizi of pkr bagi pihak orang estet india dan kaum bumiputra yang lain2 di sabah and sarawak to have dream of their races to contest for prime minister of malaysia too.

In fact, under the ruling of federal constitution that formed malaya and malaysia after merdeka never mention only malay and muslim can become the prime minister of malaysia what.

Agong eventhough is a muslim, seri baginda yang dipertuan agong malaysia must be seen to be fair and equal to all races that formed malaysia right after malaysia day was officially declared a public holiday shared by all on sept 16 since 2010 to mark the forming of malaysia federation of malaya, borneo, north borneo and singapore.

Isu mustahak macam ini mana boleh gosan here, gosan there kerana takut hilang undi umno, undi pas, undi pkr saja, betul tak sibotak?

But, whether the menteri besar negeri a muslim, or non muslim itu terpulang kepada citarasa sultan negeri masing2.

To be or not to be, that is not the question.

Able or not, we will see how far kita can go.

It is either we learned or we dont.

Numbers dont cheat, but leaders cheat or lie to favor some issues closest to their hearts.

As voters, our obligation is to vote only, itu saja.

Kongsi atau tidak, itu terpulang kepada their party struggles masing-masing.

To them, they see their political parties' interest as struggles, but as voter i see the struggles as challenges in life.

Bak kata, hate speech is the root cause of penganasan.

Mahu dengar atau tidak itu terpulang kepada presiden parti2 politik tempatan.

Every day and every morning is a great day for me as I am exceedingly happy that the machinations of Lee Kuan Yew have been defeated by the rise of our beloved Tun Dr Mahathir Mohamad and his New and Incorruptible Government of the old and the new, the good and the great.

Indeed, it is ironical and brilliant of you Tun to be able to MARSHALL mercurial political leaders together as a whole to make the SUM GREATER THAN THE WHOLE IN TERMS OF EFFECTIVENESS AND POWER.

Yet, some denizens of this distinguished Blog cannot see the light and keep on harping of their great respect and admiration for a narcissistic and self-centred ordinary person who failed despite of his earnest efforts to succeed USING THE RESOURCES OF THE STATE OF SINGAPORE WHICH DID NOT BELONG TO HIM.

This is not only a travesty of justice concerning its citizens, ii is CORRUPTIOH AND BREACH OF TRUST to do so.

On the worshippers of Lee Kuan Yew in this very distinguished Blog it is beneath my dignity to comment because IT IS NOW PROVEN WITHOUT ANY DOUBT WHO CAN BEAT OUR BELOVED TUN DR MAHATHIR MOHAMAD IN TERMS OF COURAGE AND BRILLIANCE IN MALAYSIA AND SINGAPORE ?

Lee Kuan Yew has been proven not only to have feet of clay but his BRAINS too with his 47 FAILED PUBLIC POLICIES OF FOIBLES AND FABLES. Vide. <http://www.chedet.cc.org>. Archives, Malaysia according to Kuan Yew, Sept 2010. Mubarakchan comments.

Here in this very distinguished Blog, we have denizens who keeps on kow-towing to Lee Kuan Yew. Anyone who said something factual, they raised their ire and attacked blindly and enraged like PAVLOV'S DOGS due to the constant brain-washing by Lee Kuan Yew for decades that he was THE BEST FOR THEM IN THE WORLD.

The truth now is the BEST IN THE WORLD IS RIGHT HERE IN OUR BELOVED MALAYSIA, OUR TUN DR MAHATHIR MOHAMAD WHO SAVED OUR BELOVED MALAYSIA AND HER RAKYAT BY THE SKIN OF THE TEETH THROUGH HIS COURAGE AND BRILLIANCE. NO MORE. NO LESS. HE IS A MALAY – 100%, not a Chinese, Indian, Sikh, Kadazan, Dayak etc.

THIS FACT THE LEG-CARRIERS OF LEE KUAN YEW CANNOT TAKE AND IS A TRIGGER TO OPEN UP THEIR ANIMAL EMOTIONS FOR THE LOVE OF A MYTH OR MIRAGE ! Stupid

A nobody like me was singled out for victimization by those WHO FAILED IN LIFE AND HAD TO ATTEND FORUMS, OR WORKED AS FAILED CLERKS OR WHATEVER – all hiding behind cowardly facades because of their SEXUAL IMPOTENCE TO FIGHT A GOOD FIGHT FOR A GOOD CAUSE LIKE FOR OUR BELOVED MALAYSIA IN THE NAME OF SOVERIGNTY AND NATIONAL INTEREST.

And their lazy brains, being robotic in Lee Kuan Yew, a FAILURE'S CAUSE, could only rebut my arguments NOT ONLY SUPERFICIALLY AND EMOTIONALLY but WITH INSULTS, ABUSES AND VULGARITIES. Stupid. This our beloved Tun Dr Mahathir Mohamad understands very much what he had to endure by the tonnes FROM THE VERY SAME PEOPLE WHO WORSHIP LEE KUAN YEW NOW – 2003-2018 .

In the interest of Sovereignty and National Interest, our Constitution and the Yang Di Pertuan Agong and the Royal Sultans, no one should be afraid to STAND UP AND DEFEND WHAT IS RIGHT WITH DIGNITY unlike the CORRUPT AND UNCARING BN GOVERNMENT who betrayed their TRUST BY THE RAKYAT WITHOUT DUE CARE AND CONSIDERATION which nearly KILL OUR BELOVED MALAYSIA JUST BY THE TPPA/CPTPP ALONE, not counting the hundreds of other CORROPT deeds now revealed.

And yet these brain-washed specimens carry Lee Kuan Yew's legs ad infinitum ! Stupid. The very person who wanted to kill us all.

How can anyone with a right frame of mind carry Lee Kuan Yew's legs when this fellow wanted to kill our beloved Malaysia by turning it into a Slave Colony of tiny Singapore after millions and millions of Malaysians put in their blood, tears and sweat to make our beloved Malaysia a SUCCESS LIKE NOW ? For this, there is only ONE WORD FOR THEM, TRAITORS.! Malaysians beware of TRAITORS BRAINWASHED BY LEE KUAN YEW.

Malaysia Boleh Tun as always !

No matter how the story is spinned and twisted in the next 5 to 10 years involving or not the great great grand uncle lky, the airing of dirty laundry of ppbm, umno, pas, pan and pkr is going to be very messy and full of serangan kejutan from other political parties, are you ready?

Sandiwara yang full of vibrations and dynamics pasti akan menjolokkan mata dan menyinggungkan perasaa sesetengah lapisan masyarakat, jadi pandai2 lah pejuang tuah dan pendekar jebat bangsa dan agama negeri masing2 via mulut atau pena.

Jadi, pandai2 lah orang lama dan orang baru in apple positioning atau apple polishing their public relation via annual forecast budget.

Adakah langkah mereka ini berbaloi atau membazir?

Kakitangan kerajaan di negeri dan wilayah, ahli2 parti politik dan pengundi di semua negeri dan daerah akan memberitahu jawapan mereka di peti undi pada pru yang akan datang, jadi jangan gusar.

Tahi lembu vs perlukan beruang, itu terpulang kepada citarasa pihak yang berkuasa.

Yes SSLee, I do know you are not from Singapore. There a few in i3 from Singapore. You are not one of them.

For Singapore LKY was a good leader. We can see now that tiny country better off than Malaysia. Tengok currency rate of exchange to USD cukup.

Malaysia under Tun dulu pun hebat, sebab Tun focus. Macam LKY focus. Apa orang cakap tak penting sebab goal nak majukan negara, buatlah apa yang patut just to get there. However, selepas Tun berhenti jadi PM, kuasa serah pada 2 pengganti yang tak

focus pada negara. Pak Lah lebih focus pada family, Najib lebih focus pada pocket sendiri.

Kita tau anak Tun pun kaya during that long duration Tun jadi PM, tapi taklah sekaya anak Pak Lah dalam short duration Pak Lah jadi PM. Juga isteri Tun taklah glamour macam isteri Najib, yang suka shopping, shopping and shopping.

I lebih suka samakan Tun macam LKY dari leaders negara Asean yang lain. Tun dengan mendiang sangat focus nak naikkan negara kepada satu taraf yang terbaik.

Najib tak focus so he painted good picture about the country. You can say a good salesman. Jual jual orang beli. In the long run, the result no good, orang lari tak nak beli lagi. For someone like Tun, perlu juga ada a good salesman macam Najib jadi deputy, bukannya kaki lanyak atau nak langgar Tun bila dapat peluang. Wan Azizah can't do the job, so is Anwar.

And yes LGE not as good as those from MCA yang pernah menjawat jawatan Menteri Kewangan. Bising tak bertempat, cerewet tak bertempat, hah macam HBT. Tak pasal2 I pulak towards anti cina, kerana karenah mereka berdua yang non-stop nak kenakan orang Melayu.

That's all for now.

I am touch by Syed Saddiq Debate yesterday on Tv
The Best part is He mention
He did not wish to be Pemimipin seperti Najib
"Aduzubillah HimainZallik " Wow !
To me that was an expression
Thanks to Allah The Almighty
Najib is Gone . We Malaysians should Sujud Shukur

Najib is Never a Billionaire
Bill Gate is One
The difference Najib spends more than a Billionaire , which Bill Gates would think a
thousand time to spend like Najib
Need No Ruling in Court
Najib and Family Splendid Spending says it all
They are Thieves , They are Monsters ,They are a Waste to Malaysia

I am Looking Forward
Youth like Syed Saddiq to be Our Youngest Prime Minister to come

May Allah Guides and Protect Him

Good morning YAB Tun

Bila ingat semula apa yang pernah keluar dalam media portal, how anwar talks about najib, najib called me, Najib this and me that, and now Nazri sokong Anwar, Lokman pun nak join, I mula fikir Anwar dah buat deal, maybe a lighter sentence for Najib. I doubt anything got to do with UMNO collaboration dengan PAS. Anwar cakap tak nak jadi PM dulu, bila menang lain cerita pula, isteri berhenti jadi PM, dia terus jadi DPM. In terms of gaji, 3 beranak tetap dapat gaji.

Assamualaikum Ayahanda Tun,

PM PERTAHANKAN LGE

Perdana Menteri Tun Dr Mahathir Mohamad berkata, meskipun terdapat kritikan berhubung keputusan mahkamah membebaskan Menteri Kewangan Lim Guan Eng daripada tuduhan rasuah, beliau tetap mempertahankan Guan Eng.

Katanya, ada sebab mengapa beliau mempertahankan bekas ketua menteri Pulau Pinang itu.

"Ada kritikan tetapi seperti yang anda ketahui kerajaan sebelum ini telah memangsakan semua pembangkang (pada masa itu).

"Ada ramai orang buat seperti apa yang dilakukan Guan Eng tapi mereka tidak dipilih.

Mengulas lanjut, tentang kritikan ramai pihak yang menyamakan kes Guan Eng dengan kes melibatkan bekas Menteri Besar Selangor Khir Toyo pada 2015 Dr Mahathir berkata mereka berdua tidak sama.

#####

Nah bukannya kami sudah bilang Ayahanda Tun saja buat2 terkejut ketika mula berita LGE dilepaskan.

Buat yang terpelajar berkenaan ambillah sedikit pengajaran bahawa pendapat anda bukannya semua betul dan jangan pula twist cerita untuk menegakkannya.

Belajarlah dari kesilapan kita dan muhasabahlah diri.

Buangkanlah sifat ego yang keterlaluan dan jadilah seperti resmi padi semakin berisi semakin tunduk.

Sekian.

Assalamualaikum Tun,

Umno ibarat kilang melahirkan ramai bijak pandai pemuda pemudi yang boleh berikan idea2 baru bagaimana hendak rejuvenate dan revamp umno yang dah lumpuh. Dimanakah mereka? Kenapa umno cepat lari kepada Pas...bekerjasama dengan Pas? Ini saja idea yang paling bernas mereka boleh fikirkan...paling terbaik untuk kesejahteraan warga umno?

Sepatutnya umno pulihkan dirinya dahulu, tingkatkan kepercayaan ahli2 dan naikkan semangat mereka. Apabila dah kuat penuh semangat barulah tak segan bersua muka dengan sesiapa pun. Kalau masih lemah sudah pasti umno akan kena buli...mungkin dibuli oleh Pas. Pas sekarang dabik dada dia kuat dan berjaya buat umno merangkak kepada dia. Malu sungguh malu.

If KJ was the president maybe he would have taken a different approach...more constructive, vibrant, magnetic, energetic that will give enough stimulus to grow and gain back its dignity. I don't see where or which direction it is heading. It seems to be heading everywhere and nowhere. Umno has begun to grapple with the pressure to project confidence.

Pity, umno should have chosen a more dynamic, wiser and farsighted leader to guide the party and who is also charismatic and likable by everyone. Well, there will never be another like Tun Dr Mahathir Mohamad in umno. Because they've lost power they couldn't adapt being the opposition they started leaving. Then what's the kris for? It is their fault that the umnoMalays couldn't rise up. Why?...because they're still in denial, they haven't admitted their mistakes in not taking action against their klepto masters and let corruption loose like hell. If umno is still as arrogant as before then they will become forever losers.

Semoga Allah sentiasa lindungi Tun dan berkati segala usaha Tun. Semoga Allah berikan Tun kesihatan yang baik agar Tun boleh memimpin negara ini lebih lama. Jaga diri Tun baik2 ya. Terima kasih Tun.

Dengan izin Tun. Why did he send that link? It's not a nice one to read. I rather buy a book and read his biography. The person who wrote it is so full of outrage vengeance and hatred. Mr Mubarakchan has told us quite a number of events that has happened

which then became the history of his life. Reading them we could figure out how life has been for him. The draw of his childhood and adulthood experience shaped himself and make what he will of his life. We read them but we are not to judge them. Who are we to do so. Everyone has their own history and unique in their own way. The history of our life is what makes us today. I'm glad Mr Mubarakchan is exceedingly happy now. May Allah bless him.

It depends how you look at the story of billion dollar whale.

Some said ok.

Some said not ok.

Some said never mind, atau short form, nvm.

Eventhough usa army invaded afghanistan and iraq that lead to 911, but us dollar is still the preferred trading dollar in south east asia which cannot be changed seolah2 macam tukar baju, tukar bahasa dan tukar tulisan punya.

Moreover, in less than 2 years, presidential election would be called, tak da orang akan tahu siapakah bakal jadi usa president.

There are many grades of toilet paper out there, which grade are you looking at?

Once the trust is betrayed beyond repair, it would be better off to change to the new vessel.

But is the new vessel that they jumped in is better off than the old vessel?

Dah terang sangat, usah diterangkan lagi.

Jadi, pandai2 mereka ini yang bergelar pendekar atau perjuang bangsa melayu dan agama mereka masing2.

But what did the non muslim done that required to be punished for sin not done by them, but muslim themselves due to negligence?

By changing shirt from biru ke kuning, and now to merah is called progress?

Lawan tetap lawan, bukan?

Apabila lawan, what happened?

Entahlah what these jebats and buffologists would do to lead.

Adakah mereka ini akan menurut perintah secara buta tuli takut kena pecat, atau adakah mereka akan turut berkhidmat untuk negara tidak kira siapakah perdana menteri?

Therefore, it is still to early to tell lor.

Teringat tatkala isu derma RM2.6 billion dan skandal 1MDB mula hangat diperkatakan di kalangan jemaah menteri selain TSMY dan DSSA yang terang-terangan meragui semua ini, kami menjangkakan Tok Pa yang jujur amanah orangnya akan turut serta tetapi telahan kami meleset ketika itu.

Nah apakah benar telahan KJ bahawa Tok Pa keluar UMNO kerana tidak bersetuju dengan tindakan Zahid Ponorogo bekerjasama erat dengan PAS?

Bukankah kerjasama dengan PAS akan lebih menguntungkan UMNO Kelantan khususnya di bandingkan negeri2 lain yang komposisi pengundi Melayu agak seimbang dibandingkan pengundi bukan Melayu kecuali Terengganu dan Kedah?

Pada hemah kami Tok Pa graduan ekonomi kelas pertama merangkap anak didik Tun Daim ini telah bermuhasabah diri dan jauh disudut hatinya dia menyedari kebenaran yang lantang disuarakan big boss lamanya Tun M terhadap Najib yang ada membela ikan paus sebagai mamalia peliharaan yang tidak pernah dilakukan orang sebelum ini.

Mungkin Tok Pa sudah selesai baca buku "Billion Dollar Whale"?

Tun

Since we are on the interesting subject of Lee Kuan Yew and his digit SS Lee, I like to ponder on his two awful mistakes as regards his Policies towards Malaysia on the one hand and the rest of the World on the other.

1. Lee Kuan Yew's Policy towards Malaysia.

He did not understand the Malays. His view of the Malaysian Chinese is that of a corrupted bunch of ordinary fellows. Through the Singaporean media he concocted 'abang adek' or '5 eyes' or 'private retreats' or 'very hot relationships' Policies which at first glance one did not realise that in these scenarios put Singapore as the BOSS ! This comeuppance was the cause of his poor relationship with Malaysia from 1965-2003. Through this Policy, he garnered a 1962 Water Agreement which is quite useless now given the state of Singapore's economy, a few billions of ringgits from manipulation of the joint Stock Exchange 1972-2000, the rocks of Pulau Batu Puteh, etc. Little things. But Lee Kuan Yew could have got much more from Malaysia if he had been sincere and a true friend of Malaysia. Unfortunately, what he adopted was the WRONG POLICY to make Malaysia kow-tow to him.

From 1959-1989, Singapore became very rich because of the secret under-counter trades in arms, etc which I mentioned previously for a very small population governed by an honest Government – the Lee Kuan Yew Miracle. The rest of Singapore does not make so much MONEY. This wealth was the OPIUM which made Lee Kuan Yew forgot the UPS and the DOWNS of the market place because of his obsessive focus on Malaysia. As a result, from 2002 to 2018, its GDP did not breach 3% without the LUSH UNDER COUNTER TRADES ! – 16 long years or the huge Wealth from the Cold War is now in jeopardy !

2. Lee Kuan Yew's Policy towards the rest of the World.

Here he adopted a pigeon's eyes Policy of looking up to the Superpower of the United States etc when he should have tried to gain a status to rub shoulders with them. Singapore LOST the best opportunity of garnering 4,000 tons of gold at US\$300 per oz from 2000 to rub shoulders with the US, Germany, Italy, France, Russia and China after the Crash of 2008. He could not think out the options like a trained doctor as you Tun but he was mentally governed by FEAR of losing. Hence in owning a natural resource like Gold to justify everything which meant something to Singapore's mighty military, he turned himself into an ordinary investor through GIC and Temasek by investing up to US\$500 Billions in Wall Street and the City with the attendant flatteries by the gnomes of Zurich ! Instead of being the Big Boss owning 4,000 tons of Gold, he became a FOLLOWER at the behest of people LESSER than him. What a terrible mistake for Lee Kuan Yew to make from the human weakness of flattery and also the lack of consideration like a trained doctor of ALL AVAILABLE OPTIONS AS YOU TUN ! By owning 4,000 tons of Gold at US\$300 per oz. our beloved Malaysia would have been in his pocket. How ? Singapore could lend GOLD at current prices and rates or from the opening up of a huge new industry of refining, banking, logistic, jewellery, storage, etc. Also, no one would really know whether Singapore held the physical Gold or not. And the US and EU would be his best friends and defend Singapore to the last ounce of Gold. Fortunately, Lee Kuan Yew was too distracted by the gnomes of Zurich WHO WANTED TO MAKE COMMISSIONS OUT OF SINGAPORE'S US\$500 Billions which lost US\$108 Billions by October 2008 ! For the gnomes, this ordinary investor moves by Singapore actually paid commissions on nearly US\$ One Trillion from buying and selling ! Singapore has now lost this Golden Opportunity forever ! A terrible mistake in Foreign Policy missed by Lee Kuan Yew who thought up the difficult to achieve TPPA/CPTPP.. As a result, in 2016, Singapore made a wrong move vis-a-vis China. By July 2017, a team of Cabinet Ministers lined up in Beijing to shake President Xi Jin-ping' outstretched hands like schoolboys.

TWO WRONG LEE KUAN YEW'S POLICIES, ONE TOWARDS MALAYSIA AND ANOTHER TOWARDS THE WORLD DO NOT MAKE A RIGHT FOR SINGAPORE ! I slowly realised his mistakes by studying his Failed Public Policies since 2015. Putting it simply, Lee Kuan Yew wanted to boss over Malaysia and kow-tow to the World. He should have been a true friend of Malaysia and a BOSS of the World. With his wrong thinking on a vital political move, his inheritors are having sleepless night trying to find the solution to Singapore's future sustainability and viability. Hence, Malaysia is a dangerous distraction for Singapore.

Malaysia Boleh Tun as always !

Dear PM Tun Dr. Mahathir,
Please allow me to response to @mubarakchan for mistaken me as Singaporean like, or the fake Malaysian "S.S. Lee".

Dear Dr. Mubarak Chan,
I always say, "All our elder deserve our respect as we do not know what they have gone through so that we can have a better life." Thus curiously I Google mubarak chan trying to know you better and to my horror below article got my attention.
<https://mubarakchanchincheung.wordpress.com/2018/01/10/a-critical-review-of-dr-mubarak-chan-chin-cheung-mccc/>

Thus I can't help my-self but posted my previous comment for all the readers to judge for themselves who is Mubarak Chan?

Since you implied that I am a fake Malaysian or Singaporean and worshipped the late Lee Kuan Yew hence I need to make it crystal clear to you. The late Mr. Lee Kuan Yew is ex- PM of Singapore and as leader of Singapore the late LKY had his every right to fight for what he believe to be the best interest of Singapore. He had no qualms in shutting down the Chinese school and Nanyang University or putting his comrades and political opponents in jail under ISA in the name of quashing communist insurgency. He had no hesitation in welcoming the dirty money from the SEA Super Rich so that Singapore benefited from it and become the Financial Central of SEA. He then had the audacity to tell China Communist party boss Mr. Deng as what to do and even advise USA as how to deal with Mainland China and Taiwan. But one thing he did not do was making his brother-in-law mubarakchan a super rich Singaporean. If he had done so, I think Dr. Chan today will praise him like god.

The late LKY was never my PM and what the late LKY had or had not done or his many policies were a failure or resounding success is none of my business. I am Chinese Malaysian by birth and will be forever a Malaysian in heart, in soul and in mind. And I had written bellow blog I have a dream: A MALAYSIAN DREAM for GE 14.
<http://chedet.cc/?p=2847#comment-141074>

I quote mubarakchan comment for GE13 in Tun's Blog:
<http://chedet.cc/?p=940#comment-113131>

Dato Seri Najib fits perfectly into the 3 Golden Attributes to be a Prime Minister. 1) Commonsense. 2) Ability to Think out of the Box. 3) Compassion. His fine stature and bearing befits a person who has to lead the multitudes who rely on him and him alone for sustenance and succour in times of crisis and peace in the Malaysian tradition. As my favourite United States President Harry S Truman said famously, 'The buck stops at my desk !' He is my favourite not because he dropped those atomic bombs on the Japanese but he was a homey sort of person like millions of the Americans. Dato Seri Najib has been at the helm and leadership of politics as far as we can remember that the many levers of the Administration of a Government are known to him without being taught how and where to start. For example, the DAP and the PKR leadership in both Pulau Pinang and Selangor can only at best provide a normal Administration which is not earth shattering. And this has been the case. A vote for the BN as led by the UMNO with the 14 component parties is a vote for Dato Seri Najib, his team and Bangsa Malaysia. A vote for the PR is a CHAUVINISTIC VOTE without know how a vote will end up – for DAP the chauvinistic party which tries to give the impression of Lee Kuan Yew's failed policies, PKR the party with the one-man mouth-piece or a very distinguished religious group of scholars and their disciples. Dato Seri Najib has proven by his strategy that eventually more and more Malaysians will understand how weak the Opposition really is without the mirage of Lee Kuan Yew in support. Only 6 distinguished gentlemen of which 5 is above the age of 64 and only one below. Do I remember the riff-raff of the Opposition telling all old people to die as if they will not ? Why ? Because these riff-raff were born out of a rock with no father or mother !

Dato Seri Najib has commanded the respect of all Malaysian except those who want his job. I believe only 2 Malaysian Chinese salivate for this ! Dato Seri Najib is prepared to do the ground work for his Policies and walk the talk. This he has done. And all of us know him as well as we know ourselves. It is difficult to fulfil the 3 Golden Attributes to be a Prime Minister. He did and so he fits to be a Prime Minister. And looking beyond the next General Elections, Dato Seri Najib is the person who can improve on the existing set-up of the political organs. And be ready for the 14th General Elections which will be the 1st day immediately after the results of the 13th.

Dear Dr. Mubarak Chan,
If what is written on Review of Articles on Mubarak Chan Chin Cheung "MCCC" (Revised) is truth then its implied
You are the Chinese Malaysian elites, born with silver spoon in your mouth, attended the best University and had done nothing meaningful in your life in contributing to the betterment of society and nation building.
My Chinese Malaysian heroes are: Industry captain: Mr. Robert Kuok and Tan Sri Dato' Sri Teh Hong Piow.
Politicians: The late Tun Dr Lim Chong Eu, the late Tun Dr Lim Keng Yaik, the late Tun Dato' Tan Cheng Lock and the late Tun Tan Siew Sin.
You are the Baba face in an Ali business. You abuse your position; smear the people you hate to promote yourself, flattering certain people to gain favor and connection with the

sole purpose of enriching yourself. Once your way is not granted you unleashed your venom unfounded allegation and even taking the trustee of the Estate of Chan Wing to court. You are just one single very cunning and dishonest chameleon and un-discharge bankrupt. You are a spoiled rich man child and have disgrace your family name. You are "paranoia" and "schizophrenia" mental derangement with delusions of grandeur, disconnection between intellect, emotions, action and etc as what our MO1 is suffered now still maintain he is innocent, his conscience is clean and the billion is from donation Arab tales.

To err is human to forgive divine. You have many persons to seek forgiveness from. It is best to start from the trustee of the Estate of Chan Wing, your siblings, your relatives, your victims and creditors.

Thank you

Yours truly,
SS Lee

PS: Dear Sri Sense,
Thank you for remember me from i3 investment forum. I am sober-minded and may be too idealistic and believing basically humans are kind hearted
There are too many wolves in a sheep's clothing so beware of those fake people that praise you all the time and tell you how great you are, sit back and listen they say the same shit to everyone else too when they need them and abandoned them to the wolves when they had finish using them.
I would rather be saved by criticism on my short-coming rather be ruined by fake praise.

With your permission, I invite Sri Sense and ALL other bloggers who want to know more about me and my personal life to contact me via the Facebook. Rest assured I will furnish ALL with my detailed Curriculum Vitae, legal documents, books etc to prove that at any material time my wife is worth RM 25 Million and my late son-in-law RM 50 Million.

The reason why they are worth so much each is because the money once upon a time belonged to me when they were both penniless ! How come ?

Your guess is as good as mine ! My strategy against all conspirators has always been the use of attrition through TIME. Two of the conspirators who stole my MONET died young, my late son-in-law aged 39 and my younger brother, Trustee of my father's Estate, 74 years.

The pursuit by me to retrieve ALL my money is on-going be legal means.

I have a list of 65 persons who harmed me in any way. They either died, or their wives died or their children died. I did not realise this until through the years I began to recollect these events. Man proposes. God disposes !. Hence I kept a very low and humble profile.

I do not evade income tax, have overseas bank accounts or havens, harm or injure others in anyway. My whole life I always helped people.

My LIFE is an OPEN BOOK. No need to sneak around to the Net. Just contact me via the Facebook and I will let you have all the info about myself very happily including my birth certificate which states I was born in Taylor Road, Kuala Lumpur.

I am exceedingly happy. No problem.

Malaysia Boleh Tun as always ! Quote Franklin D. Roosevelt. ' The only thing we have to FEAR Is FEAR itself'.

Assamualaikum Ayahanda Tun,

Tumpang laluan mencelah sebab nama kami disebut2 oleh Cikgu Hajar..

Apa hinakah menggelar seseorang itu cikgu? Guru senantiasa dalam ingatan kami kerana mereka adalah insan pertama yang mendidik kami secara formal di muka bumi ini.

Dalam konteks Hajar ini beliau banyak mengajar kita erti kehidupan sebenar seorang insan yang mengaku dirinya terpelajar.

Lebih tepat beliau sentiasa melabelkan kami kurang cerdik maka kami ingin belajar dari Hajar dan sewajarnya satu penghormatan menggelar beliau cikgu.

Takkan kami perlu memberi penjelasan panjang lebar dalam hal ini dan sekeliling anda dalam blog ini adalah kami-kami dan bukanpun orang di sekeliling anda di luar blog ini maka apa yang hendak dimalukan atau rasa 'low class'.

Bukan panggilan yang akan membuat kami kehabisan modal tetapi pengisian syarahan satu hala Cikgu jua yang bakal memberi semangat kami untuk terus memberi input.

Sekian.

p/s : Cuba Cikgu berterusterang, agak2nyalah orang2 sekeliling Cikgu bolehkah terima perangai Cikgu di luar blog sebenar-benarnya? (Pakcik kat rumah dikecualikan hihihi..)

It is good very good that Sri Sense thought he/she made a BIG discovery about me Mubarak Chan via the Net.

Whatever news available are FAKE and have been there for 10 years or more !

The Trustees of Chan Wing (Deceased) even put up a more complete or comprehensive expose' about me (a Beneficiary) with fake information because they lost "money" from my father's Estate and made sure I would be incarcerated one way or another. One of them is Lee Kuan Yew's nephew !

Within this context, I refer to Sri Sense and others who are curious about me on the Net the following which cannot be found there .

THE EDGE. PAGE 3 MARCH 4, 2002 when a to be convicted felon prevented me from earning my rightful living on the Bursa. And this was not even the tip of the story.

The fake cyber-Singaporean "SS lee" intervention in the domestic affairs of Malaysia here in this very Blog underlines clearly what I have been saying all these years :-

THAT TINY SINGAPORE WANTS TO DOMINATE THE MALAYSIANS BY BULLYING OR CUNNING TACTICS. At the end of the day which is now, LEE KUAN YEW FAILED. The elites even discarded their Malaysians friends in October 2016 because they thought they had the Corrupt and Uncaring BN Government in their little pocket and certain to capture our beloved Malaysia as a SLAVE COLONY OF TINY SUBGAOIRE via LEE KUAN YEW'S CREATION THE MALAYSIA KILLER THE TPPA/CPTPP ! Man proposes. God disposes.

The more the Singaporeans pursued the 20th Century conventions of Lee Kuan Yew by buying up our leaderships when these were weak 2004-2018, the more the Singaporeans are going to FAIL. They are already 16 YEARS TOO LATE. The more the Singaporeans THINK THEY SHOULD DOMINATE OUR BELOVED MALAYSIA OR MAKE IT A SLAVE COLONY OF TINY SINGAPORE VIA THE LEE KUAN YEW MALAYSIA KILLER TPPA/CPTPP, THE MORE THEY AND SINGAPORE WILL FAIL. Because the answer to Singapore's salvation and survival is NOT MALAYSIA BUT IN THE DEEP RECESSES OF THEIR ELITES' BRAINS.

Have brains or not, Singaporean elites ? As I have always said that I do not hate Singapore or the Singaporeans or even LEE KUAN YEW. I only wished he was NORMAL

like our beloved Tun Dr Mahathir Mohamad ! I have many friends from taxi drivers to billionaires. No problem.

WHY I ALWAYS MENTIONED FACTS ABOUT LEE KUAN YEW WHICH HAVE A DUAL PURPOSE, thus

1. To wake up the Malaysians in more ways than one. A sort of DE-NAZIFICATION.

2. To wake up the Singaporean elites that by following Lee Kuan Yew's conventions of bullying or do down Malaysia is the WRONG WAY WHICH THE ELITES ARE FOLLOWING LIKE LEMMINGS TO THEIR DEATHS. However, I have always said that there are many better opportunities than taking advantage of Malaysia which is actually a dangerous distraction – wastes time and money. This is proven on 9 May 2018. I also mentioned that the Singaporean elites not only could not get the answers out of the deep recesses of their brains BUT THEY ALSO FORGOT THE WONDERFUL LEGACY WHICH LEE KUAN YEW LEFT THEM – HIS CREDITS AND GOODWILL WITH THE MAJOR POWERS OF THE WORLD WHICH IS AS YET UNUTILISED. With time, this wonderful legacy will diminish in value and forgotten. In other words, if the Singapore Leadership could not find answers to resolve THEIR BLEAK OR VERY BLEAK DILEMMA NOW, DO NOT BULLY MUBARAK CHAN AS THE SCAPEGOAT WHICH ALSO INTERFERES WITH MALAYSIAN DOMESTIC AFFAIRS.

The problem in Singapore today is no problem at all.. It is only a problem with the Singaporean elites minds and their self-creation, their nemesis Malaysia. It is all a state of mind. No more. No less.

I say it once again that Malaysia is a dangerous distraction for the Singaporean elites whose time, money and efforts are better spent utilising the wonderful legacy of Lee Kuan Yew with the major Powers of the World. The untapped opportunities are UNLIMITED, Singaporean elites !

Malaysia Boleh Tun as always !

Yup, pak putih can point at the pak cina ini as the culprit, unless those news not under them that covered the lavish spending of him, his wife and children are fake.

What were being gossip down there seems to be true, but jika mereka not ready to accept and contront the truth, thats nothing we can do except wait it out for them to call the shots.

It is so obvious even voter like me who spent 10 years in this blog also can read their strategies.

Bak kata, all systems can failed, and the system kongsi formulae of bn failed when umno tertumpang.

But can bn system be replaced by ph, it is still early to tell since no one knows what these jebats and buffologists would be paid to with malay bias policy.

The only thing that i didnt expect is being an excellent pembodek to umno presidents in the past and do all those polishing works could be ended up so horribly and horrendously rich overnight.

Countries that never gone through the turbulence of political uncertainty could lead to civil wars, mass protest, depreciation of currency and sharp drop in share markets.

We are living in 2018, but they still stuck in dulu punya mindset, what to do.

Currency wars and trade wars between usa-china is not something new, but one thing for sure is they wont be chaos or mass protest since mr xi is vetoed to be the permanent leaders of china.

Sini, presidents come and go, but agong negara dan sultan negeri2 tetap kekal.

Melayu mudah lupa?

Assalamualaikum Tun.

Soalan : Tun masih kuat dan berfikiran tajam. Tapi penganalisis kata pergerakan Tun jadi terhad kerana karenah sekeliling dan corak semasa yang berbeza.

Jawapan ; Ya. Seperti Tun kata barisan kabinet dan menteri Tun kurang pengalaman. Dari pembangkang jadi pentadbir.

Jadi pembangkang mudah berkata kata. Bila jadi pentadbir, yang berkata kata itu perlu melakukan kerja.

Saya lihat pergerakan kerajaan terlalu lambat. Kecuali dalam hal hal yang besar, ia sememangnya perlukan masa dan tindakan yang tepat.

Tapi dalam hal hal berkaitan rakyat, ia masih terlalu lambat. Masih tiada berita yang baik untuk rakyat.

Perkara terlalu lambat ini pernah terjadi tatkala Tun sedang mempertimbangkan tentang kemungkinan gabungan PAS dalam PH satu ketika dulu.

Kita perlu selesaikan tentang perkara yang melambatkan itu dan ia telah diselesaikan dengan satu cara lain.

Sekarang, adalah tugas kabinet rasmi PH untuk selesaikan tentang hal hal yang terlalu lambat ini.

Terima kasih Tun.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

Izinkan saya Tun untuk berbicara dengan 'Anak.muda' :

Sdr. 'Anak.muda' yang saya hormati: (Kepada yang lain, harap maaf; langkau saja komen ini)

1. Saya merujuk kepada komen pada Sep 17, 2018 5:49 PM (<http://chedet.cc/?p=2888#comment-142533>):-

/// Sedutan komen anda:

7. hajar, walaupun awak kononnya sebagai seorang pejuang melayu islam telah memfitnah saya sebagai seorang kacang lupakan kulit dan tidak ikhlas mengharapkan bangsa saya berubah, saya maafkan awak.

8.kalau awak ingin teruskan dengan falsafah awak dan terapkan pada cucu cicit awak yang melayu perlu dijaga, jangan benarkan bangsa lain naik tocang terpulang pada

awak.kekal menjadi bangsa melayu yang tidak berani menerima cabaran selamanya
///

2. Saya lihat anda amat marahkan saya dan menuduh saya MEMFITNAH anda. Terima kasih kerana memaafkan saya. Tetapi, bab memfitnah, saya tidak setuju.

3. Apapun, terlebih dahulu, SYABAS saya ucapkan kerana anda seorang yang berwawasan tinggi.

4. Komen anda sebelum ini pada Sep 16,2018 6:46 PM juga saya yakin ditujukan khas kepada saya (walaupun anda tidak menulis nama saya). Saya tidak balas komen tersebut secara 'direct' kerana saya fikir anda akan tulis lagi satu komen lain untuk menjelaskan mengapa anda menulis komen sedemikian rupa. Dan telahan saya ternyata betul.

5. Saya akan ulas komen anda yang ditujukan **"Kepada orang berpemikiran bodoh dan dangkal disini yang cuma tahu mengampu dan berlagak pandai:"**.

6. Amboi! Anda amat yakin dengan tuduhan anda. Terpulanglah jika anda yakin bahawa saya "berpemikiran bodoh dan dangkal". Itu persepsi anda. Sekurang-kurangnya saya ada juga sedikit sumbangan di peringkat global (cabaran..). Saya juga amat teliti (cermat/ careful) dalam apa saja yang saya lakukan. Contohnya, dalam kes rasuah LGE, saya buat pengiraan dengan mengambil kira kos keseluruhan untuk pembelian sesebuah rumah (bukannya SAMBIL LEWA dan ambil mudah/enteng seperti anda).

7. Tuduhan "cuma tahu mengampu dan berlagak pandai" pula amat KETERLALUAN sebab saya (jika orang kenal saya secara peribadi / dekat) bukan jenis yang tahu mengampu (walaupun melibatkan periuk nasi saya). Mungkin anda boleh jelaskan dengan lebih lanjut. Jika saya dikatakan mengampu Tun M (ada yang 'anugerahkan' saya dengan gelaran "pembodek kuat/tegar Tun M" – saya rasa anugerah ini wajar ditarik

balik dari saya), saya juga tidak setuju kerana Tun M tidak kenal saya, dan saya tidak dapat apa2 pun (imbuan/ sogokan) dengan mengampu Tun M. Tetapi saya pernah bersalam dengan Tun M semenjak saya sekolah lagi; Tun pernah tandatangan buku yang saya beri kepada beliau dan tulis nama saya dengan betul walaupun saya cuma beritahu beliau nama saya sekali sahaja.

8. Berbalik kepada isu "bagai kacang lupakan kulit", saya sebenarnya menjawab secara KIASAN dan SINDIRAN kepada seorang pengkomen yang amat prihatin dengan apa saja yang saya tulis di sini. Mungkin dia 'peminat' saya. Berikut komen beliau:

But hajar bagi kacang lupa kulit dan amat biadap. (HBT456 Sep 14,2018 1:28 PM)

9. Saya dituduh "bagai kacang lupakan kulit". Saya cuma mempertahankan diri dengan memberi contoh2 sebagai rujukan, dan pada waktu yang sama CUBA memberitahu (ilmu) kepada si pengkomen bahawa beliau tidak faham apa makna peribahasa "bagai kacang lupakan kulit" (Sep 15,2018 6:18 PM). Orang yang menuduh saya ini memang

suka guna peribahasa2 yang dia sendiri TIDAK FAHAM. Jika anda marah, bayangkan bagaimana perasaan saya?

10. Mungkin sindiran saya amat tajam sehingga anda turut terasa sebab pernah menulis seolah-olah "Melayu berketurunan PENYANGAK" (anda kata seorang ustaz yang kata...bukan alasan untuk anda menulisnya di sini). Saya kurang pasti berapa nilai barang (wang?) di kedai anda yang telah dicuri oleh Melayu2 penyangak tersebut. Jika mereka (kesemua Melayu) mencuri, dakwa saja; jika mereka insaf, beri saja peluang kedua. Jangan sekali-kali hamburkan kemarahan anda kepada kesemua orang Melayu. Anda pun Melayu juga. Saya pun Melayu. Tun M berada dalam kelas beliau yang tersendiri (dari segi memberi teguran). Tun M juga amat berhemah dalam menegur.

11. Sindiran saya juga mendapat respon dari si Polan yang syok sendiri dan perasan bagus (Sep 16,2018 2:40 AM). Komen bodoh @ dangkal beliau masih lagi berterusan. Yang paling bodoh ialah hakikat bahawa beliau ('Faridina') masih lagi merujuk kepada saya sebagai CIKGU walaupun saya sudah kata saya bukan Cikgu. Tiada seorang pun di sekeliling saya yang panggil saya Cikgu. Sebab itulah saya kata si Polan ini bodoh @ dangkal. Degil betul. Mungkin dia fikir jika dia tidak panggil saya Cikgu, dia akan kehabisan modal untuk terus memberi komen2 bodoh di sini.

Cuba lihat betapa bodohnya komen beliau:
Bab "kacang lupakan kulit" itu kami akui memang kami makan kacang pasti buang kulitnya tak tahulah Cikgu makan kacang sekali dengan kulit2nya atau jangan marah ya Cikgu.. saja tanya Cikgu ada g*g* lagi ke nak kunyah kacang dengan kulit2nya Kami pun ikhlas menegur macam anak murid menegur Cikgu gitu walaupun kami tidak menegur kerana boleh kena tindakan disiplin.

Alahai...lawak bodoh betul...

12. Apa pun saya minta maaf jika anda masih lagi rasa saya memfitnah anda. Saya akan ulas dengan lebih lanjut tentang tuduhan2 lain anda terhadap saya. (bersambung...)

P/S: 'Sri Sense', tentang 'google'...saya ada sebab tidak beri nama penuh. Habis semua keluar (entah berapa 'pages')...

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Good afternoon Tun

Lots of negative air here.

Nak gelak pun ada.

It actually simple to check anyone here by using the google search button, so nak search Mubarak Chan easy. Those links yang letak sini about him, I dah baca before this but I just tak nak cakap.

If dulu google nama I, my company also available online, but dah lama tak buat business, takde lagi.

However the rest here IDK. This is due to the nicks and unpopular or jarang guna same nicks in other forums. Popular personalites kacang cari.

Google Tun M berlambak keluar kan. Google Najib berlambak keluar kan. You know what I mean.

And I do know the 2 personalities mentioned here from an investment forum. Koon Yew Yin and SSLee. I do know KYY proChina. Not only me, many retail investors over at the investment forum pun tau. SSLee I pernah baca some of the things he wrote there. He sounded like a sober retail investor to me.

Just remember behind every account here, there's a real person behind it. That person mungkin your friend, your neighbour, your dad, your mom, your boss etc etc Please remember, the guests also baca your comments. They also boleh jadi your boss, your clients etc etc so speak wisely.

If want to know a little bit more about me, you can always click on my nickname. Comment prohibited on my wordpress page. Malas nak layan, banyak kaki spam.

That's all for now.

Tun

This morning is one of my happiest moments with a fine drizzle and a cool breeze caressing my face as I walked out of the garden. I could hear the birds chirping and singing in the young banyan tree by the road. They are back after a short absence. Good show !

I am also happy to note that our Prime Minister Tun Dr Mahathir Mohamad and Tun Dr Siti Hasmah are very happy. Jolly good show !

So are all his New and Incorruptible Government members of the old and the young, the good and the great who are also very happy. This means to me all are well and under the control by steady and honest hands. No problem.

We should be back to Normalcy and do great things in a normal way soon to the unhappiness of those domestic or foreign elements who want to do us down and did not succeed. Man proposes. God disposes.

The best of all is the fact that all our fellow Bloggers here are also happy and contented except for a digit who is not Malay, Chinese, Indian, Sikh, Kadazan or Dayak. Acheh !

This very happy factor is a fact of Life in our beloved Malaysia today so much so that it attracts Singaporeans like "S.S. Lee" trying to create unhappiness or what else amongst us, happy Malaysians.

If Singaporean "S.S. Lee" is very happy like us very happy Malaysians, why should he bother with dotting the "i" or "crossing the t" on behalf of Lee Kuan Yew who could have looked after himself with his own impeccable record if any ?

Singaporeans like "S.S. Lee" will never succeed because they always looked down on us the Malaysians. This only underlines their decadence and lack of mental vitality. Brain-dead would be an apt description for them.

For years, I have always been the lightning rod if not the only Malaysian lightning rod which attracts attacks by pro-LEE KUAN YEW ELEMENTS FOR PRESENTING THE TRUTH – like for example that

" Lee Kuan Yew paid an over the top price for Thaksin's business and in the process he split Free Thailand into two which led to the deaths and injuries to innocent Thai men, women and children. This brought on 2 coup-de-tats. Lee Kuan Yew had blood on his hands ! This is the hard facts as recorded in World history." These are the sort of TRUE facts which the fake "S.S. Lee" wants to snuff out !

In our beloved Malaysia, if I do not present the true facts on Lee Kuan Yew, to counter his brain-washing of Malaysians using the resources of the State of Singapore, who will ?

And he had a big list of 47 Failed Public Policies of fables and foibles 1959-2015.

As an ordinary person. I do not mind being singled out for special treatment by these elements as I only do it in our Sovereignty and National Interest that Lee Kuan Yew's strengths and weaknesses should be presented as the truth and nothing but the truth. NO BLUFFOLOGY FOR US MALAYSIANS !

A tiny snippet of the true Lee Kuan Yew brought on such an uproar by the fake "S.S. Lee". it is ridiculous to try to prop this Lee Kuan Yew fellow on his own created pantheon. This is man-made or self-made, IT WILL NOT LAST ! Man proposes. God disposes.

Unlike our Tun's Second Coming, it is my firm belief that he will brilliantly establish the groundwork for the Golden Era for Malaysia and her Rakyat to come given the fact he knows what he is going to do in all seriousness with just NORMAL DISCIPLINED AND COMMONSENSE GOVERNANCE !

This is not as simple and straightforward as it sounds after escaping from a living death being a SLAVE COLONY OF TINY SINGAPORE via Lee Kuan Yew's creation the Malaysia Killer TPPA/CPTPP. (Some admonished me for warning how close our beloved Malaysia nearly LOST HER LIFE AND EVERYTHING !) This is another fact which no one can deny except for traitors !

Unlike the brilliant achievements in recent times by our good and courageous Tun Dr Mahathir Mohamad, the wonderful feeling of FREEDOM and HAPPINESS of most Malaysians are exuberant, except for one digit . The Tun's predecessors the Tunku, Tun Abdul Razak and Tun Hussein Onn could also give us much happiness and confidence in them by pursuing NORMAL, CARING AND HONEST Administrations..

When an empire or dynasty is collapsing, even a harmless fly would be seen as a potential enemy. Without realizing the root cause of what caused this FEAR IN THEIR HEARTS AND MINDS.

As Franklin D Roosevelt said, ' The greatest Fear is the Fear of Fear itself. No kudos for the fake "S.S. Lee" who lost in his attempt to swat a fly which was ME !

How can you, fake "S.S. Lee" kill a person who is not interested in MONEY, TITLES OR FAVOURS but only work for the Sovereignty and National Interest of our beloved Malaysia and her Rakyat like our good Tun Dr Mahathir Mohamad and his Team and all his predecessors like the Tunku, Tun Abdul Razak and Tun Hussein Onn ?

Why I am also happy this morning is not only because of the knowledge that our beloved Malaysia and her Rakyat are in your firm and safe-hands, Tun, but also a sudden phone call from my friend in far away Toronto, Canada !

He thanked me for helping him with 5 Pounds Sterling on one wintry night in London in 1957. His career as a World's Top Lab Technologist bloomed from then. However, many friends of mine became multi-millionaires have forgotten that I still exist. To err is human. To forgive is divine, Tun. We are all fallible human beings. My Canadian friend made my day, to-day.

Finally, a headline which cannot be missed, thus :-

Minister, ' The economy can only go up. '. Absolutely true. What more can I say, Tun ? This also made my day !

Malaysia Boleh Tun as always !

Assalamualaikum Tun,

I would like to comment to the article by Koon Yew Yin on the Forest city issue :

<https://www.freemalaysiatoday.com/category/opinion/2018/09/16/forest-city-is-it-about-politics-or-economics/>

According to him, the forest city should not be turned into a political issue. It should be viewed purely on the economics part.

First of all, the forest city project is truly be defined as a "mega project". The project value is at RM100 billion, compared that to Petronas Twin Towers which costs are RM4 billion or the KLIA airport at RM16 billion. Another factor is that it involves around 700,000 foreign nationals, who are the main buyers on this project.

I'm sure being the write being a long time in the corporate world, when you evaluate a project of this magnitude, economic factors alone is not justified. The project needs to be evaluated from every angle. This includes political, economical, regularities, environment, and social factors. There is also the short term and long term effects to consider.

The writer continues that the foreign buyers are foreign expatriates or buying for investment purposes. In other words, the foreign buyers have no intention of staying permanently in Malaysia.

This is in contrast to the interviews on some of the foreign buyers :

<https://www.nst.com.my/news/nation/2018/08/406230/mixed-reactions-chinese-buyers-after-dr-ms-remarks-forest-city>.

From the remarks, the main idea when they bought Forest city units, was to live here, not for just to buy and not stay here.

Consider the following quote from one the buyers, Liang Hui, 33, said that relations between China and Malaysia had always been stable, and he did not think it would affect the property too much. He is considering purchasing a unit in Forest City and moving to Malaysia to take advantage of its lower levels of air pollution, and allow his children to study there.

And there are 700,000 of them or 0.7 million people. Chinese tourist are notorious for their bad behavior. Tourists here are people who come for 3-5 days visit. They already have a bad reputation as tourists. They are super rich, and they espouse to communism.

What about if 700,000 foreigners decided to stay here? Won't this have some social impact to the population of Malaysia?

If these 700,000 people would one day go on strike or rebelled for citizenship, won't this have some impact to the political stability of Malaysia? When we talked about 700,000 people, these are only the buyers, what about their children and family? The actual number of foreigners staying could even reach 2.1 million people, assuming each buyers have a family of 3. It could be more.

This is not about being xenophobic, this is about common sense. People don't buy properties with no intention to stay. If they are not Malaysian citizens, then they must be foreign citizens. If they defied local laws, will the countries of that citizen not interfere?

Consider the recent incident, where a Chinese family had to be carried out of the hotel, because they came in earlier than the booking date.

<https://www.telegraph.co.uk/news/2018/09/17/beijing-demands-apology-sweden-tourist-row-police/>

This is only a tourist incident, can there not be bound to be incidents if 700,000 foreigners would be staying (not visiting) Malaysia? Would the risk of causing a diplomatic crisis be higher? Would this not affect the sovereign of Malaysia should another country tell us what to do?

Tun have already talked about the local businesses that they will take over, so I won't comment further.

As Tun have pointed out, yes we can be rich from the taxes and profits from these foreigners but at what price? There is no such thing a free lunch. It is the Malaysians and their next generations pay the price. All factors need to be looked at, not just about making money.

Frankly speaking, i could be as racist as them too janji menang if i am a member of political party, but i am not.

But after going through all these politically driven protests, voters too definetly would be more resilient in exercising their votes.

Whether the political parties like it or not, each country would go through the path of maturing democracy whereby politicians must be responsible for what they did.

They can no longer fool, lie or cheat voters like in the past.

Why?

Majority of our population is educated, bukan buta huruf atau katak di bawah tempurung like their parents, or grandparents.

Bak kata, siapakah makan cili, siapalah rasa pedas.

Assamualaikum Ayahanda Tun,

Semangat Melayu Generasi Y

Bangga dengan usaha anak muda yang gigih bersaing dalam usia muda.

Minda anak muda telah dapat menerima pandangan jauh ayahanda Tun kerana zaman anda adalah zaman dunia tanpa sempadan maknanya anda bukan sahaja perlu bersaing dengan bangsa tertentu sahaja dalam negara tetapi juga dengan pelbagai bangsa seluruh dunia.

Kagum dengan anak muda yang berani menghadapi cabaran dunia perniagaan yang bukan dikhaskan untuk satu bangsa sahaja.

Dunia perniagaan tidak mengenal bangsa maka teruskan perjuangan anda.

Semoga anda terus berjaya hendaknya.

Amin Ya Rabb.

Dear PM Tun Dr. Mahathir,
It has been some time since I last comment in Tun's blog as I do not wish to litter Tun's blog with comments that of no help in building the new Malaysia. I can only wish all the respectful veteran/new commentators in this blog too will cease their hostile comments attacking each other personality, racial profiling nor running down any foreign country leaders (ex or present) that only brought harm to our unity and damage Malaysia image in the eyes of the world. If you wish to comments then please give your constructive criticism on the current Policy and your sincere idea how the policy can be further improved to benefit our nation-building and raise the Malaysians' standard of living irrespective of race and religion.

1. Memang saya berharap taraf kita semua adalah sama sebagai warganegara malaysia. melayu cina india semuanya sama tapi bukanlah kerana saya ingin menindas orang melayu tetapi bagi saya persaingan yang sihat akan menguntungkan negara ini pada akhirnya. bukanlah saya ingin menyokong bangsa cina ambil alih negara ini tapi apabila persaingan lebih terbuka, orang melayu patut lebih bekerja keras apabila banyak persaingan dan ini akhirnya akan menguntungkan negara.

2. tapi perlu kita akui majoriti orang melayu tidak pemikiran sebegitu. contohnya dalam perniagaan, apabila ada orang melayu ni bukak kedai makan, orang baru disebelah bukak kedai makan juga, tapi dalam otak orang melayu ni, majoriti mereka tidak fikirkan untuk menaik taraf perniagaan mereka dan meningkatkan kualiti perniagaan, sebaliknya mereka fikir bagaimana untuk menjahamkan perniagaan pesaing mereka ini, yang biasa kita nampak berakhir dengan penggunaan sihir. bila pesaingnya sudah lingkup, kembalilah orang melayu ini berniaga ala kadar, bermimpi di siang hari, syukur dengan apa yang ada, perniagaan tidak perlu ditingkatkan yang akan merugikan pelanggan pada akhirnya. bila mereka ada pesaing baru, siap sedialah untuk dilingkupkan perniagaan orang baru tersebut.

3. saya pun bukanlah kacang lupakan kulit yang sudah berjaya dalam hidup. kehidupan saya baru saja bermula. saya bergraduasi pada 2015. mula membuka kedai pada 2016. juga keputusan yang ditentang oleh ahli keluarga. mereka berkata saya patut bekerja dibidang profesional sebagai jurutera daripada berniaga. ingin terima atau tidak, ini memang pemikiran orang melayu juga yang diakui oleh tun mahathir. <http://www.majalahniaga.com/9-nasihat-tun-dr-mahathir-mohamad-untuk-rakyat-malaysia.html>

4. semenjak dibuka dari 2016, tidak pernah satu hari pun perniagaan saya ditutup. tiap2 hari dibuka selama 17 jam. kalau pekerja saya ingin bercuti tiada masalah, saya sendiri yang akan menjaga kedai. bila ada beberapa pelanggan dan rakan mengetahui (semuanya melayu) yang kedai tak pernah tutup terus mereka berkata pada saya. "amboi berniaga macam orang cina". bila pelanggan yang berkata saya hanya senyum tanda menghormati mereka tapi bila rakan yang berkata terus saya tanya pada dia balik "habis tu kalau melayu berniaga macam mana??"

5. kita semua perlu akui tun mahathir sudah berada di penghujung usia. suka ataupun tidak tak lama lagi tun mahathir akan meninggalkan kita semua.

6. adakah kita semua ingin melihat tun mahathir masih memikirkan bangsanya di hari terakhirnya? masih lagi memikirkan adakah bangsanya akan merempat dibumi sendiri bila dia sudah tiada lagi? adakah bangsanya akan mati dibumi bertuah ini jikalau diambil tongkatnya? adakah bangsanya tidak akan mampu untuk bersaing dengan bangsa yang lain?

7. hajar, walaupun awak kononnya sebagai seorang pejuang melayu islam telah memfitnah saya sebagai seorang kacang lupukan kulit dan tidak ikhlas mengharapkan bangsa saya berubah, saya maafkan awak.

8. kalau awak ingin teruskan dengan falsafah awak dan terapkan pada cucu cicit awak yang melayu perlu dijaga, jangan benarkan bangsa lain naik tocang terpulang pada awak. kekal menjadi bangsa melayu yang tidak berani menerima cabaran selamanya.

9. kalau ditakdirkan saya panjang usia, dengan bangga saya ingin berkata pada cucu cicit saya yang orang melayu tidak memerlukan tongkat untuk berjaya. kita merdeka sudah lebih 60 tahun, kita bukan bangsa picisan yang disebut oleh tun mahathir dulu dizaman penjajah, orang putih memandang hina bangsa melayu dan berkata bangsa melayu tidak boleh diharap dan tidak boleh dipercayai. kita sudah berubah. kita bangsa yang mampu berpijak dikaki sendiri dan tidak takut menerima cabaran dari bangsa lain kerana kita boleh dan tidak lemah.

Tepuk dada, tanya selera.

Betul tetap betul.

Salah tetap salah.

Jika mereka ini tak nak mengaku, then, mr jho low has the option to cast doubts on Ag putrajaya mahupun hakim negara, tak gitu?

Jika shirul ada option to serve jail in australia, kenapa jho low cannot have the option not to be trialed in this country?

I guess they didnt expect hate crimes due to hate speech of politicians of a country could influenced the policy makers to make or repeal the akta kerana takut hilang nasi periuk kut.

But they luda, malaysians in general, just like the americans have gone through all these ugly events.

Even though i do not like that cup of tea, i wont spit into that cup of tea, boycott or sabotage to show my anger, hatred or frustration since we have general election in every 5 years.

I dont do such ugly behaviour because of my education, experience, skill and professionallism.

Yup, i am what i eat, therefore, i dont do things that would cause my employer and clients to loose money and reputation, or things that would cause my employer, and my country in shame.

When clients talked bullshit that my employer cannot do, then, just bid farewell to these clients in goodwill with a smile, tak payah sindir2 punya.

When my employer talked bear hug that i cannot tahan, then, i just tender my resignation according to company act, and get a new job itu saja, tak payah bad mouth atau curse my ex employer punya, kan tu dugaan hidup, betul tak.

After going through all these serangan kejutan in the past 10 years, will political parties of the divide lebih matang, lebih progress atau lebih regress, itu terpulang kepada citarasa negeri mereka mahu negara ini.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

Izinkan saya Tun:

1. Maaf cakap, memang mulut longkang betul si Polan (dan famili). Sifat suka mengadu domba (batu api) memang cara dia. Kononnya lah, (quoted) "kami tidak ambil pusing kerana tidak gemar berpuak2 makanya kami 'lone ranger'". Hipokrit si Polan ini; tidak ubah seperti pujaan hati dia (dahulu) si Anina Langkawi. Tambahan pula, modal dia ialah serangan bersifat peribadi (personal attack) yang merapu meraban dan merepek – hujah bodoh @ dangkal.

2. Masa dia bersikap biadab terhadap Dr. Mubarakchan dahulu, saya ingat mahu bahasakan dia, tetapi saya tidak mahu masuk campur urusan mereka (bersama 6 orang lagi dalam geng dia; mereka mengutuk Dr. Mubarakchan). Memang kurang ajar betul si Polan terhadap Dr. Mubarakchan yang kita sedia maklum amat berpengalaman luas dan jauh lebih bijak dari si Polan. Ibarat langit dengan bumi! Selepas itu Dr. Mubarakchan berhenti memberi komen di sini (mungkin sebab berasa amat terguris hati dengan perlakuan biadab si Polan & geng). Syukurlah, Dr. Mubarakchan akhirnya kembali menulis di Chedet. Saya suka... saya suka

P/S:

– Biasalah, orang yang ada PHD (Perasaan Hasad Dengki 'pengalaman hidup') akan

memandang rendah akan kelulusan orang lain. Kesian...Pendapat dangkal @ bodoh mereka saja yang betul. Tapi fakta, ilek...

– Saya pun suka baca tulisan 'Surirumah @ Dr. HouseWife'. Saya amat setuju dengan pendapat beliau tentang Dr. Mubarakchan. Dr. HouseWife mesti kenal dengan Dr. Umran sebab Dr. Umran pun amat suka membaca tulisan Dr. HouseWife. Mungkin Dr. HouseWife kenal dengan jiran Faridina (PHD), iaitu Dr. Prof Ulung yang menurut Faridina (PHD) kalau dibandingkan dengan saya, saya ini AMAT BODOH. Alahai...

– Pembaca2 di Blog Dr. Mahathir ini sudah pasti pening lalat sebab terlampau banyak yang bergelar 'Dr.' dalam blog ini Tetapi kenalah cari sendiri siapa yang benar2 ada gelaran 'Dr.'.

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Ada atau tak da sijil sama aja.

Apabila ditegur, ada sijil pun tak berani nak tegur.

Apabila mereka berani tegur, apakah nasib terjadi kepada mereka?

Tiap2 kali pun macam ini, mereka ini tak rasa jemu, rakyat pun rasa muak dan marah.

Bak kata cina, once bitten by a snake, 10 years in fear of well rope.

Assamualaikum Ayahanda Tun,

SELAMAT MENYAMBUT HARI MALAYSIA

Angka 7 begitu sinonim dengan Malaysia baharu sejak kerajaan PH mengambil alih tampuk pemerintahan tahun ini.

Tarikh yang dipendekkan 16/09/18..
Bila yang dikecilkan menjadi;
 $1+6+0+9+1+8 = 25 = 2+5 = 7.$

Dulu kita merdeka dari British 31/12/1957,
semua sudah maklum dikecilkan 7.

Mungkin nak kenakan dengan James Bond mereka 007 dan agensi perisikan mereka
iaitu M16 dikecilkan juga 7.

Selamat Hari Malaysia semua.

p/s : Al Fatimah buat Allahyarham Tun Sanusi Junid pemegang 007 UMNO baharu dan

Kepada orang berpemikiran bodoh dan dangkal disini yang cuma tahu mengampu dan
berlagak pandai:

1.kalau nak dikatakan yang kita hanya layak untuk mengeji perbuatan salah bangsa
sendiri dan menegur bangsa sendiri apabila kita sudah menjadi negarawan terlung
terlebih dahulu itu memang pemikiran yang sangat dangkal, cetek dalam berfikir.pernah
baca buku dr mahathir malay dilemma?

2.siapa dr mahathir semasa buku itu ditulis?seorang yang tewas dalam pilihanraya dan
tiada parti politik kerana dibuang oleh umno.

3.kalau dr mahathir ketika itu asyik berfikir yang dia tidak boleh terbitkan buku
berkenaan dengan orang melayu dan mengutuk orang melayu kerana tidak sampai ke
status negarawan terlung lagi memang takkan adelah buku itu.

4.buku itu membawa kesan yang positif kepada bangsa melayu itu sendiri.tapi buku itu
tidak akan ada kalau dr mahathir berpemikiran dangkal seperti ada orang disini yang
berkata cuma negarawan terlung yang layak bercakap mengenai bangsa melayu

5.berpelajaran tinggi tak bermaksud kita pandai dalam berfikir.kepandaian sepatutnya
dinilai dari perbuatan dan percakapan kita bukan dari berapa banyak sijil yang kita ada.

Semoga Hari Kedepan lebih Mulia, Lebih Indah dari hari sebelumnya untuk Malaysia juga untuk Ummah Islam yg amat begitu Lemah kini

Dunia Islam perlukan Pemimpi yg Luar Biasa
Begitu Juga Malaysia
Hingga kini Tun Mahathir adalah Wira Perdana Menteri sebenar Malaysia
Alhamdulillah walau Najib belum atau tidak dihadap ke muka Keadilan
Yang penting dan amat mustahak Najib bukan lagi PM Malaysia
Najib sama sekali tidak layak jadi Pemimpin

Pemimpin bukan saja perlu Bijak, Cermat, Amanah
Malah Niat sebenar beliau ingin jadi PM itu apa Tujuan sebenar
Begitu juga Anwar jika ada Niat Tujuan yg tidak Ikhlas
Maka sebaiknya Gugurkan Niat tersebut

Dunia Islam perlu Pemimpin yg Luar Biasa
Perlu Mampu Menyatupadukan Ummah
Mampu membina Senjata dan Pertahanan sendiri yg Luar Biasa
Bukan saja nak Berlagak macam Najib

Assamualaikum Ayahanda Tun,

Izinkan anakanda menggunakan ruangan ini untuk mengiyakan komen Cikgu sepeatah dua kata..

1. Benar tu Cikgu.. bukti kedangkalan LGE yang berjaya Cikgu bongkarkan itu amat membahayakan ekonomi kami rakyat Malaysia, lebih mengerikan LGE menipu, ini menambahkan parah kepada luka yang sedia ada.

Hahaha ambik ko LGE.. tahniah Cikgu kerana menyelamatkan kami dari kebodohan ini memandangkan akauntan bertauliah memang tidak sesuai untuk jawatan Menteri Kewangan ni dan macam Cikgu cakap kalau Cikgu jadi ayahanda Tun dah lama Cikgu pecat LGE dan gantikan dengan ahli akademik mungkin.

2. Oh yang ini Cikgu tujukan pada kami yang tahu adab (beradab / tidak biadab) yang tidak putus2 berterima kasih dan sangat2 menjunjung kasih kepada ayahanda Tun kerana ayahanda Tun tidak banyak soal dan sudi menyiarkan komen2 yang dihantar (ada yang dah macam 'spam' pula hihhi nasib baik Cikgu tidak jadi admin kalau tak kami pun terima nasib macam LGE kena pecat juga hihhi..).

3. Kami pun tumpang bangga Cikgu hargai asal usul Cikgu dan kecekapan Cikgu menembak selalunya tepat macam orang putih cakap "Mata Kerbau" "Mata Lembu" atau "Mata Keldai" tidak macam kami yang sering menghina dan memperlekehkan kaum sendiri apatah lagi muka kami tidaklah macam Melayu sangat tetapi tidak segan mengaku Melayu yang tidak takut bersaing dengan bangsa lain. Bab "kacang lupakan kulit" itu kami akui memang kami makan kacang pasti buang kulitnya tak tahulah Cikgu makan kacang sekali dengan kulit2nya atau jangan marah ya Cikgu.. saja tanya Cikgu ada

g*g* lagi ke nak kunyah kacang dengan kulit2nya Kami pun ikhlas menegur macam anak murid menegur Cikgu gitu walaupun kami tidak menegur kerana boleh kena tindakan disiplin. Ampun jua kami mohon terhadap ayahanda Tun kerana kekhilafan kami.

Sekian. Terima kasih.

I believe pakatan harapan will do better than bn.

Why?

There is no way for political parties to use race and religion supremacy to dictate the the direction of the economy to favor their race, and political parties.

Bak kata, once bitten twice shy.

When bitten many times, voters too are more resilient in exercising their votes.

Winning, all loosing is not important.

But most importantly, set the economy on the right direction.

Billion dollar whale used the cash is king to do public relation in polishing the image of mr najib tun razak and hi wife, the first lady, in new york, and 1 Malaysia Development Bhd was a public listed company under mof, and was approved by bnm and sc.

The chairman cum pm declared dividen to felda settlers in the begining and haj pilgrim to muslim using the cash too.

After that, entahlah how come they came out with the unit issue, itu kena tanya the ex-ceo of 1mdb.

Baru2 ini, ada lagi satu kejutan di buat oleh ibu kepada the late umno mp jj jika tak salah, iaitu nilai hartanah tanah dipegang anaknya adalah myr2.1 billion.

Yup, the americans learned their lesson hard by invading afghanistan and iraq in the name of oil and gas that lead to 911 attacks.

Malaysians too learned their lesson hard on the supremacy islam and malay.

Yup, it is sad, and regretful to have politicians in blinding their eyes and hearts to get super rich overnight.

To them, this investment is halal kerana mereka melayu dan muslim.

But, to the public in general regardless of races and faiths, perbuatan ini adalah haram.

And, the result general election is shown on 509 pada tahun 2018.

Akhirnya, umno tertumpang as per rahman's curse.

Percaya atau tidak, itu terpulang kepadamu.

What will not happen, it will not hapen.

Anakanda mohon perkenan nyanyi lagu Bangau oh Bangau rangkap terakhir versi reformbasi.

Anwar oh Anwar kenapa kau nak tanding..
Macamana aku tak tanding..
Memang makanan aku..
Memang makanan aku.

Inilah makanan paling lazat yang dinanti2kannya selama lebih 20 tahun dan inilah juga kes tidak mahu kempunan nampak gayanya.

Ini ada satu ramalan (nasib baik tidak ramai yang suka membaca tulisan kami maka ramai yang tidak akan tahu hihhi) bahawasanya si polan ini setelah berjaya menjadi MP akan mengarahkan isterinya meletakkan jawatan sebagai TPM dalam beberapa purnama lagi supaya dirinya dilantik sebagai TPM kerana dalam bacaan si polan ayahanda Tun tidak akan dapat bertahan sehingga 2 tahun dan si polan telah bersiap sedia mengambil alih kununnya.

Tapi soalnya adakah si polan tidak takut pada badi TPMnya? Mohon dipertimbangkan dan jangan dengar sangat cakap Rafizi dan Dollah Kapar tu nescaya saudara tidak akan terkapar-kapar di lautan reformbasi.

Wallahualam.

p/s : Jadi penulis upahan ni kerjanya memang menyeronokkan walaupun bayarannya seciput cukup2 untuk beli pensil 2B hihhi tetapi pengasah tidak dibekalkan itu yang ada si polan tu mendakwa tidak setajam pensil dia huhuhu.. sehingga ada juaknya sampai tak sanggup membaca.. huhuhu sekali lagi.

When the new ruling government set reduced minimum gaji unto swasta, it means the minister with such portfolio is out of touch with the market rate of local and imported work force, very mediocre ler.

I think even family members also do not want to take the job lor.

Salam YAB dan DiSanjungi PM Tun Dr. Mahathir,

Izinkan saya Tun:

1. Ini lagi satu bukti kedangkalan YB LGE:

Ringgit among world's best performers after regime change, Guan Eng tells Najib

<https://www.malaymail.com/s/1672223/ringgit-among-worlds-best-performers-after-regime-change-guan-eng-tells-naj>

/// "Since the end of 2017, the value of the ringgit compared to the US dollar only fell 2.2 per cent as at September 11, 2018," Lim said in a statement.///

PH jadi Kerajaan sejak "end of 2017" kah? Mengapa perlu menipu?

YB LGE fikir semua orang boleh diperbodohkan. Alahai akauntan bertauliah...baik tutup mulut @ diam saja daripada bercakap bohong!

2. Bercakap tentang adab, orang yang tahu adab (beradab / tidak biadab) sepatutnya tahu berterima kasih kepada YAB Tun kerana Tun menyiarkan komen2 yang dihantar (ada yang dah macam 'spam' pula...).

3. Saya hormati asal-usul saya, dan bangga menjadi Melayu Islam. Orang yang MALU mengaku Melayu (lupa diri /lupa asal usul), dan tidak segan silu (walaupun asyik tersalah tembak @ BLUNDERS) menghina serta memperlekeh kaum sendiri (Melayu) barulah wajar digelar "bagai kacang lupakan kulit". Golongan "kacang lupakan kulit" ini biasanya memandang rendah terhadap bangsa atau kaum sendiri. Mereka bukannya menegur dengan ikhlas seperti yang saya nampak Tun M selalu lakukan; Tun ikhlas menegur dengan niat baik (seperti teguran seorang bapa terhadap anaknya. Terima kasih Tun). Tun berhak menegur kerana Tun seorang Negarawan yang disanjung tinggi oleh majoriti rakyat. Saya sayangkan Tun dan Tun sentiasa dalam doa saya.

P/S: 'Sri Sense',

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Cara satu lagi, bila sampai aje blog ini, bertujuan nak baca komen, I lihat on the right hand side. Disitu tertera siapa yang tulis komen. I klik kat nama berkenaan.

I tidak baca semua komen. Hanya yang berkenaan for example if I ada sebut nama Musato, Hajar, Housewife, umanrc, dll, dalam my komen, I akan klik nama mereka bila komen mereka keluar nanti on the right hand side.

I sebut ini kerana satu nama itu boleh kata nama dia sahaja yang keluar penuh jawab komen. To her my advise GET A LIFE. Unless dia dibayar untuk potpet potpet disini then ok la. Time is money, she's getting paid to pesongkan many here. Dia kutuk atau puji I, I pun tak tau hahaha

Kalau disuruh I baca komen darinya tak payah la, I ada banyak kerja lain nak buat, unless ada orang bayar I, that too the fee must be high, takat belanja kopi O tak payah la hahaha

Mereka ingat hanya kelantan dan terengganu ada oil ke?

Mereka ingat negeri bukan kelantan dan terengganu takda tanah untuk pembangunan?

The fate of ruu355 is on the desks of pas shurah council.

If they challenge federal constitution, they have already violated malaya federal constitution too.

To take action against pas, itu terpulang kepada malay and muslim umno, pas atau pkr since they hold majority of wakil rakyat dan mp in these states.

I'm not aware of this govt portal but I do know JobStreet. This is due to the fact JobStreet was a listed company, but the owner dah jual long time ago, can't remember to who, if I'm not mistaken to the Australian company. Yes memang famous jobstreet, Malaysian job seekers nak cari kerja senang.

Hmmm

"I don't need to kiss people's hands and thump my chest to show that I am loyal to Anwar.

"Those who do are without any willpower and are merely following others for the sake of power," Azmin said.

Couldn't agree with you more, Azmin. But budaya hand kisser ini Anwar – kiss Sultan's hands. I don't know la if Anwar copy Rafizi ka. I think that budaya over over. You can salam tundukkan kepala tanda hormat. Dan cakap penuh hormat dan tertib bila berdepan dengan orang yang higher position than you. Kalau orang asyik cium tangan I, I pun pelik juga, apahal dia ini hahaha

Cium tangan ini patut dikhaskan untuk parents. I jumpa Tun also I salam tundukkan kepala tanda hormat. I don't think Tun suka orang cium tangan beliau.

I also don't fancy budaya peluk, walau the person yang dipeluk itu pangkat bapa atau datuk kita, tapi bukan, however peluk perempuan antara perempuan boleh terima, you know the peluk kiss kiss kiss type, amongst old friends yang lama tak jumpa.

Musato

I tau singgang. Hubby suka singgang juga. Musato asal usul kelantan?

Kami di Perak ada masakan yang sama, kami panggil pindang.

Masakan yang mudah, hanya perlu cili, bawang, serai, halia, asam keping dan sedikit serbuk kunyit. The challenge masakan mudah begini adalah nak balance rasa, masam, pedas, asam, garam. Kalau I masak pindang, I suka guna ikan temenung, orang sini panggil ikan kembong hahaha

Bercerita pasal makanan Sri Sense, saya gemar singgang ikan tongkol atau kita panggil ikan aye.

Makan pulak dengan sambal cili pedas. Memang best.

Yup betul. Kita ini biasa biasa sahaja. Bukan politikus. Buatlah program pro Tun ke atau pro siapa siapa pun, kita tak berapa nak suka sertai.

Sebenarnya saya ada dapat sedikit rendang dendeng dari kawan saya di sini. Terima kasih banyak banyak ye sebab bagi percuma untuk kali pertama. Yum yum.

Tun kata hadiah makan bukan rasuah okey.

Memang benar dah lama saya tak ke kuala lumpur pergi jalan jalan. Rasanya dah hampir setahun kot.

Tahun lepas paling jauh ke Pantai Barat pun hanya ke Muar untuk menyambut ulang tahun pertama Bersatu.

Ulang tahun kedua di stadium malawati shah alam, saya tak pergi. Saya kerja.

InsyaAllah bila ada kelapangan saya akan cari masa untuk bersua muka dengan kawan kawan saya di sini. Termasuk ahli Bersatu kita, Harliza.

Saya kira saya tak terlalu mengada ngada menulis perkara sebegini memandangkan Tun sendiri mengajar saya terbuka kepada umum.

Lagipun, pada masa yang sama saya turut bercerita kepada Tun.

Terima kasih Tun.

Those politicians who bombed are as guilty as those politicians who allowed them to bomb.

Those politicians who stole are as guilty as those politicians who allowed them to steal.

Those politicians who robbed are as guilty as those politicians who allowed them to rob.

Those politicians who raped are as guilty as those politicians who allowed them to rape.

It is either they learned, or dont itu saja.

Good afternoon YAB Tun

Tadi I makan kat kedai jual masakan Kelantan. Dari I tinggal Subang Jaya lagi, I dah kenal kedai ini. My son sekolah lagi masa tu, I rajin beli juadah buka puasa disini. Puasa tak

puasa, dari zaman itu hingga la ke zaman ini, I memang regular customer, so I tahu perubahan harga.

Berbalik pada makan tadi, my hubby merajuk, sebab nasi, ayam percik, kerabu jantung pisang dan kopi O ais, harga 20 ringgit. Sebelum dia tunjuk bil dia suruh I teka berapa harga sepinggan, I tengok jawab dalam 10-12 ringgit. Ternyata jauh beza harga dari pemandangan.

Zaman GST harga ikan mahal. Kalau makan ayam murah sikit. Sebab Malaysia pembekal ayam pada negara2 jiran, so kita sini boleh la makan ayam murah dari makan ikan. But now amat mendukacitakan. I tak tau la macam mana team Tun nak popular, makan pun kami jadi sakit nak bayar.

Moreover zaman Najib barang2 dalam subsidy basket dah ada dikeluarkan. Reason for this nak naikkan gaji rakyat sama standard dengan negara Asian yang maju.

Yes gaji gomen naik but swasta nothing much. Big swasta maybe, small swasta, I don't think so. Tambahan pula pekerja banyak import. Sampai ada antara pekerja ini begitu fasih berbahasa Melayu, sedangkan rakyat sendiri nak cakap Melayu pun tak fasih.

That's all for now.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

Izinkan saya Tun:

1. Dari dulu lagi saya sudah berdoa supaya Anwar Ibrahim tidak jadi PM Malaysia. Semoga Allah SWT makbulkan doa saya. Inilah manusia yang memulakan budaya samseng demonstrasi jalanan di Malaysia (dan pelbagai budaya buruk).
2. Geli geleman saya melihat DSAI menari sakan ala MGR. Macam pelik saja. Rupanya dia sedang cuba memikat hati pengundi2 India di PD. PH MEMBAZIR wang rakyat dengan PRK PD. Kononnya dulu berdegar-degar mengutuk rejim Najib membazir. Mengapa tidak tunggu Tun turun dulu dan ambil alih Parlimen Langkawi (kalau menanglah...)?
3. Lagi satu, mengapa bukan anak atau isteri dia yang berkorban? Jangan nanti kita ada suami-isteri jadi PM dan TPM serentak!
4. Entah bilalah agaknya DSAI terbuka hati untuk BERHIJRAH dari keadaan sekarang. Orang ini sepatutnya tidak lagi aktif dalam politik. Ini jenis muka tidak tahu malu. Eh...dah macam sama saja (tidak tahu malu) dengan orang yang mengaku 'mata pena'

dia tajam...Alahai...hari tu dah nekad nak tinggalkan BERSATU kerana terpesona dengan si Anina Langkawi...Bertapa sekejap (sebab itu dia 'blur' dan tidak tahu apa berlaku dalam blog Chedet semasa dia bertapa)... Alih2 muncul balik dan meroyan sakan marahkan orang lain yang tidak bersetuju dengan dia...Alahai..Kelakar betul

5. Maaf Tun, saya tidak bersetuju dengan cara Shafee (Peguam DSN) didakwa. Nampak tergesa-gesa dan amat terdesak. Siasatan 1MDB pun khabarnya belum lagi selesai sepenuhnya. Dakwa dulu DSN (dan konco2 beliau dalam 1MDB) di atas segala salah laku dalam 1MDB. Jangan nanti semuanya terlepas. Ini pendapat saya sebagai rakyat biasa.

P/S: Kah..Kah..Kah.. Seronok melihat si Polan meroyan sakan dengan mata pena yang tumpul. Hiburan percuma...Saya menolak demonstrasi jalanan "dulu, kini, dan selamanya". Saya sokong bila perarakan haram (si 'Bear'?) dihalang. Tetapi saya sindir PH jadi perintis budaya demonstrasi jalanan. Inilah masalahnya jika si Polan yang berfikiran dangkal dan rendah tahap kefahaman mahu memberi komen terhadap komen orang lain yang dia sendiri tidak berapa faham. Kesian...Lagi satu dia yang timbulkan isu si Wajaperak (konon kasihankan saya pada masa tu), dia pula perasan saya tujukan TKO kepada dia...Alahai...Simpatilah kepada si Wajaperak yang sudah TKO (itu maksud saya). Bagi si Polan, orang Melayu tidak boleh menegur/ mengkritik LGE! Rasis katanya! Pemimpin2 Melayu pun saya selalu tegur. Alahai...Kalau orang Cina menghina Melayu / Islam si Polan tidak bising pula...Buta kot! Ini yang dikatakan dung* tahap gaban.

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Aku pun tak percaya walaupun aku bukan naga ori.

Yup, as the 7th prime minister of malaysia he has made the right decision in telling the truth of the financial situation and political structure in this country to pak china di beijing.

Is dsai impatient to be the prime minister, or such deal of tdm to become the prime minister never cross their mind since tdm said they did not expect to win the majority votes on that day.

The dust has settled for the next 5 years.

The ball passing has already begun, are you ready?

Apabila mereka rasa orang utara kena sokong orang utara, obviously orang selatan, barat, pantai timur laut mahupun orang sabah dan orang sarawak pun berebut2 kena sokong negeri2 mereka ma, tak gitu?

To be the perdana menteri of malaysia, all he/she needs to do is to be jack of all trades with master of none kerana jiwa dan hati orang melayu kena dijaga, kan melayu tu islam, bukan?

Wa...gaji suami yang dituliskan di sini sudah naik gila, iaitu, 16,000 kali ganda dari myr1 sebagai pakar ekonomi kerana mereka ini orang melayu first?

It is so obvious even yang bukan naga ori pun nampak.

Beruang makan ikan tongkol ke atau kerbau makan ikan tenggiri, itu terpulang kepada citarasa masakan orang melayu mahupun orang islam.

I am least worry about pak china since what they are going through is not something unfamiliar with us.

Good morning YAB Tun

Most of us here, just ordinary voters, kira normal, normal sangat, bukan politician. Kalau ada certain campaign untuk sekutu Tun, atau pun bukan sekutu Tun, kami tak minat.

Kami pilih PH hanya kerana Tun Mahathir, dan kami inginkan perubahan. Malang sekali apa yang kami nampak lately hanya perubahan dalam certain pocket politician.

Ok, this is another story.

Tun,

Semalam I sempat tonton video KCD. Video siswasah dengan Mazlee. I setuju dengan KCD. Apa yang jelas nampak situ, siswasah sudah diberi peluang jumpa Menteri face-to-face, masih tak faham itu peluang keemasan, mereka terus nyanyi lagu tema group mereka.

Buat I terfikir, macam gang planted by certain party.

Tun,

Semalam I buat calculation. Kalau anak dapat gaji 16K sebulan, katalah emak pun dapat gaji buruk2 pun 16K sebulan dan bapa pula bakal dapat gaji another 16K sebulan. Dah berapa tu. Not to mention the power comes with it.

The reason why I sebut 16K, sebab ada terbaca seorang MP donate 16K pada tabung harapan, MP ini ada sebut itu adalah sebulan gajinya.

That's all for now. Have a nice productive day!

Assalamualaikum Tun,

Selamat Menyambut Tahun Baru Hijrah 1440/2018. Semoga tahun ini membawa penuh keberkatan untuk kita semua.

Tun, everyone knows this and you know yourself too well that you are gutsy, determined and brave. You faced China and straight to the point with no nonsense but with careful diplomacy. This is the prime minister Malaysia truly needs.

Tun, you have used the word stupid a number of times and you do not hesitate to use this word in a permitted situation, but you used it in a rather careful and thoughtful manner, observing carefully before acting thus avoiding dangers, failures and wasted energy. You are a deep thinker. You make noises but not without information and solution to tackle them. All we need to do is just pay attention to the work you tend to, be patient for solutions, some come lately.

Prime minister-in-waiting..?..who confer him so, pkr?...I didn't and don't feel excited at all. When I pangkah PH you Tun were in my mind, not DSAI or anyone else. I just want the kleptokrasi and corrupted out. To climb up a ladder you have to snatch someone else's career? Tun, do you think this is nice. Some will say, so what who cares about being nice in politics. But to me it means everything. It maybe right according to the law but it is just not nice. You just simply don't do this kind of thing to someone who has sacrifices time and energy and has worked so hard to earn a little more respect and honour as a father, husband and representative. You can sacrifice to God and country but not to an individual who acts like dewa. I don't remember you asking anyone to relinquish his post for you, have you Tun?

Mdm TPM has defended her husband so earnestly, devotionally and so emotionally. It is nice of her as a wife but this is politics and she must think and act as a representative of and for the rakyat of Malaysia, so couldn't she have been neutral and be cool.

Since this is their hobby to create the serial "The Move" simply to cater to their wishes and dream to move to the very top, if they fail don't they dare blame Tun or the voters. They started it then they clean up the mess. Anyway, good luck to DSAI and gang, hope they have Plan B ready.

Dengan izin Tun. I really like reading Mubarakchan's comments and writings eventhough they're so lengthy but actually very fascinating, intriguing and deeply insightful. Mr Mubarakchan is like a huge living library with vast knowledge, experiences and memories stored for ages ready to share with us all here. Thank you so much Mr mubarakchan. May you be exceedingly happy.

Semoga diberkati segala usaha Tun untuk majukan Malaysia dan memimpin Malaysia lebih lama, Insyallah. Jaga kesihatan Tun baik2. Terima kasih Tun.

Assamualaikum Ayahanda Tun,

PERGOLAKKAN RAKYAT ANWAR TAKUT PADA BAYANG2..
DALAMAN JADI
PKR MANGSA..

Semuanya bermula dari Langkah Kajang apabila hajat keluarga Anwar tidak kesampaian dan Azmin pula yang dinobatkan MB Selangor.

Apabila Azmin berjaya memacu Selangor dan instrumental dalam menggalakkan ayahanda Tun menyertai pakatan pembangkang tanpa restu keluarga dan juak Anwar pada mulanya keadaan mulai tegang.

Hakikatnya Azmin, DAP dan PAN menyedari faktor penyertaan ayahanda Tun mengepalai pakatan pembangkang adalah lebih menjaminkan kemenangan jika dibandingkan Anwar yang pernah gagal membawa mereka ke Putrajaya pada PRU13.

Pemilihan ayahanda Tun sebagai calon PM PH mulanya tidak dipersetujui keluarga dan juak Anwar namun pasukan Azmin serta DAP dan PAN bertindak mengenenpikan kerendah keluarga dan juak Anwar kerana keyakinan yang tinggi terhadap aura luarbiasa ayahanda Tun di mata rakyat Malaysia.

Sebagai langkah kompromi dalam manifesto adalah dicadangkan bahawa ayahanda Tun hanya menjadi PM sementara selama 2 tahun sebelum digantikan Anwar. (Tetapi manifesto bukan kitab ya..)

Keluarga dan juak Anwar mula menggelabah apabila kemenangan PH menguatkan lagi pasukan Azmin dan lebih mengerikan calon pilihan keluarga dan juak Anwar menggantikan Azmin sebagai MB tidak terpilih sebaliknya calon pilihan Azmin pula diperkenankan baginda Sultan Selangor.

Dipendekkan cerita keluarga dan juak Anwar sebenarnya mulai gerun dengan kekuatan dan dominasi puak Azmin lebih dari kebimbangan samada ayahanda Tun akan menyerahkan tampuk pemerintahan kepada Anwar atau tidak.

Untuk mengalihkan perhatian sebenar hasrat mereka.. mereka telah spin cerita melalui Dollah Kapor kununnya Tun Daim tidak mahu Anwar naik menggantikan Tun M.

Hakikatnya panglima merangkap arkitek dan pakar strategi PKR iaitu Rafizi merasakan pengaruh Azmin harus dibendung dan disekat sekarang kerana jika ditunggu 2 tahun lagi nescaya jawatan PM tetap milik PKR seperti dijanjikan tetapi bukan berbinkan Ibrahim lagi.

Soalan : Pergolakkan dan perebutan kuasa sesama mereka tetapi kenapa libatkan rakyat?

Jawapan : Sebab keluarga dan juak Anwar ini tidak reti malu, tidak reti bahasa apabila mengganggap Malaysia ini keluarga dia sahaja yang punya!

Wallahualam.

p/s : Kalau takut pada bayang-bayang jangan pergi mana2 duduk diam2 dalam gelap2 sdr ABI ya.

Chedet,

Doesn't mean we don't want Najib as the PM means we want Anwar as the alternative. Let him wait for the next General Election. What's the hurry?

People had elected their representatives. Why do they have to reelect again just to give this guy the opportunity to pursuit his personal interest?

Is he going to be a better leader than those who are already holding position in the government?

I don't know Chedet, but if I look at the situation at hand, I think we are making a fool of ourselves because we allow a fool to take us for a joyride.

We got the first point right; no Najib. We need to also establish the second pillar; no Anwar!

Chedet, if your health permits, carry on until the end of the term. For goodness sake, we have better candidates come GE15. Just don't play this ridiculous game of deception and call it democracy.

Cheers,

SJ

When the mirror is cracked, the only option that owner of mirror have is to replace with a new mirror.

On may 9, 2018, voters already changed the cracked mirror with a new mirror.

Will the new mirror be cracked due to infightings of bapak ku, bapak mu in next 5 years?

The ball is on the tables of local political parties of the divide.

Adakah cara itu conquer, rampas, jilat, jinak, dodoi, bangsat, curi, tipu atau rogol, voters will decide when next general election is called, tak kisah you ini orang melayu, orang islam, orang asli, atau malaysian to vote for the next prime minister of malaysia.

Yup, they can hire the best of the best lawyers to defend them.

The final nail is on the table of hakim negara at putrajaya, adakah itu ikan tongkol atau tenggiri mahupun pak mubarak atu pak labu, the result would be made known very much depends on who is calling the shots.

Even when they can get away with malay bias policy, hakikatnya adalah sama saja.

On one hand, the ruling party set minimum salary unto private sector, but on the other hand, kakitangan though with low gaji, they have many benefits that private sector does not enjoy.

Dont forget, voters are from private sector, not from political party members mahupun kakitangan kerajaan wilayah atau negeri.

Assalam Chedet,

I never seen someone who is so desperate to become a Prime Minister as Anwar. Are you sure that is Malaysians' aspiration for he to become one? Perhaps it's a case of Pygmalion Effect.

If you ask me I don't *[] Anwar as a man of substance.

*External intervention.

Why do we want to deal with a 70 years old without substance? I just wonder what is the rational. Is it because he had been jailed thus he deserve the position?

Salam

I still don't understand kenapa ada nama seperti beruang, ikan tongkol dibelakang hahaha

Kalau in PR bear hug tu protective hug sehingga syarikat yang dipeluk sebegini oleh internal staff boleh mati lemas – kira macam peluk ular sawa.

As for tongkol, state yang sanjung ikan tonggol hanya Terengganu dan Kelantan. Cuba lihat masakan mereka, nasi dagang ikan tongkol, ikan yang tawar, keras, penuh dengan darah ini, pun sedap jadinya masak gulai. However di negeri2 lain ikan tongkol tak glamour, kita anggap ikan murah, ikan tenggiri lagi first class. I asal Perak orang Utara, kalau ikan bawal hitam masak kari my favourite. Bawal putih tak minat. Ikan tenggiri masak kari jatuh nombor 2. hahaha

Anyway balik pada isu beruang vs tongkol. I melihat dari sini (pandangan rakyat biasa) nothing much, satu sokong Najib bila Najib dah tumbang, satu songkong Najib masa diatas. Dua2 pun penyokong tapi dalam masa berbeza, kalau ada masaalah pun hanya dengan the government.

Riuh ini kenapa? Dia kacau LGE ke? Sorry la, kita tak dapat bantu, pandai2 la sendiri.

Sekian terima kasih.

Selamat Menyambut Maal Hijrah Tun

Tun,

Tahun hijrah pertama untuk kerajaan Pakatan Harapan. Lebih menarik pengumuman DS Anwar mahu berhijrah jadi ahli parlimen.

Orang yang selalu menyebut nyebut tentang duit rakyat yang dibazirkan kerajaan terdahulu kini mahu bertanding di parlimen Port Dickson.

Pendapat saya, inilah hadiah terbaik kerajaan PH untuk rakyat setakat ini.

Assamualaikum Ayahanda Tun,

Lokman

Vs

Jamal

Beruang Makan Ikan Tongkol

Kenapa si polan begitu naif mahu memuji tindakan yang dikatakan baik pihak BN/UMNO yang tidak menimbulkan huru-hara selepas kalah PRU 14?

Sudah kalah lagi mahu menimbulkan huru-hara? Sebenarnya mereka sudah bersiap sedia untuk kalah apabila sanggup menanggung biawak hidup berupa seorang tokoh kleptorat bernaji\$.

Apa yang hendak dihuru-harakan apabila SPR yang bekerjasama erat pun tidak terlarat hendak mengubah sama banyak sangat tempat hendak di'adjust'kan.

Sebaliknya kami memuji tindakan pihak penyokong pakatan harapan yang sudah lama mengetahui mereka telah menang tetapi tetap bersabar menunggu pengumuman SPR dan tidak masuk perangkap Ah Jib Gor untuk membuat huru-hara agar mudah diisytihar darurat dan membolehkan Ah Jib Gor terus memerintah.

Nama sahaja ada PhD perkara semudah inipun sukar di'tesis'kan si polan tu hihihi..

Bab usaha Lokman beruang menyambung legasi Jamal tongkol terhalang pun jadi sindiran si polan.

Amboi dahulu Bersih yang aman damai membantah Ah Jib Gor bernaji\$ tidak mendapat restu si polan sekarang mempersoalkan kenapa Lokman beruang harus dihalang sebab yang hendak diarakkan bertujuan membantah keputusan menggugurkan caj terhadap LGE iaitu musuh ketat si polan.

Kesimpulannya si polan membenci LGE yang tidak mencuri duit rakyat sepuluh kali lebih daripada Ah Jib Gor yang terang-terangan mencuri duit rakyat.

Satu lagi LGE itu Cina dan Ah Jib Gor itu Melayu apa-apa bangsa datang dahulu tak gitu si polan entahlah.

Yang halang Lokman beruang itu PDRM bukan kerajaan PH mungkin dia tidak dapat permit polis maka lain kali ikut cara Bersih mohon permit awal2 dan bawalah ratusan ribu penyokong yang sanggup keluar duit sendiri pergilah berarak kami pun gerenti tidak kacau macam Jamal tongkol.

Sekurang2nya mereka boleh rasa apa yang kami rasa dahulu minus gangguan si tongkol.

Akhirnya walaupun kami tidak seandai si polan tetapi kami pun tidak sebodoh mana apabila percaya kepada ayahanda Tun serta menyahut seruan menyertai Bersatu dan hari ini PH berjaya memerintah.

Sekian.

p/s : Masuk Bersatu bukan untuk kejar jawatan lagipun si polan yang bukan ahli pun tidak iktiraf kebolehan kami huhuhu.. bab KCD ke? KB2 ke? kami tidak ambil pusing kerana tidak gemar berpuak2 makanya kami 'lone ranger' janji kami tidak dipersalahkan anak cucu di belakang hari jikalau tidak bersama ayahanda Tun hari ini.

p/s : Kepada yang berkenaan yang menyatakan kami mengganggu pembaca lain senang sahaja tidak suka jangan baca just skip our comment selagi admin tidak blok.

p/s : Ada yang lucu bila saya bilang si polan hendak conquer semua dia tidak faham sila baca semula.. slip of the eye no problem.. nice try.

Macc too could be the tool of politicians behind the back of the voters especially in developing and poor countries.

A business that took you 20 years to build could be destroyed within 5 minutes since mps could be rigged to favor someone.

Kini, bumiputra, atau orang asli itu minority atau majority?

Back stabbing and mouthing is nothing new here.

When they cant even control their emotion and anger di padang bola sepak and violated the rules of world soccer requirement. you think they can be hailed as the best team representing their states mahupun negara?

Maybe they think american football is bola sepak kut.

Maybe they think basket ball is net ball kut.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

1. Tahun Hijrah baharu, azam mestilah baru.
2. Berhijrahlah ke jalan @ tempat yang lebih baik dan diberkati Allah SWT.
3. Saya doakan golongan yang suka memfitnah orang lain akan segera bertaubat kerana dosa memfitnah lebih besar dari dosa membunuh. Begitu juga dengan golongan yang selalu menghasut umat Islam lain supaya melanggar hukum hakam Islam dan meninggalkan ajaran Islam yang sebenar. Bertaubatlah sebelum terlambat.

Terjemahan Surah Al-Baqarah Ayat 217:

Mereka bertanya kepadamu tentang berperang pada bulan Haram. Katakanlah: "Berperang dalam bulan itu adalah dosa besar; tetapi menghalangi (manusia) dari jalan Allah, kafir kepada Allah, (menghalangi masuk) Masjidilharam dan mengusir penduduknya dari sekitarnya, lebih besar (dosanya) di sisi Allah. **Dan berbuat fitnah lebih besar (dosanya) daripada membunuh. Mereka tidak henti-hentinya memerangi kamu sampai mereka (dapat) mengembalikan kamu dari agamamu (kepada kekafiran),** seandainya mereka sanggup. Barangsiapa yang murtad di antara kamu dari agamanya, lalu dia mati dalam kekafiran, maka mereka itulah yang sia-sia amalannya di dunia dan di akhirat, dan mereka itulah penghuni neraka, mereka kekal di dalamnya.

Bak kata, when 1st step was a mistake, then, the following steps would be enedd up as mistakes.

Hakikatnya, adalah sama aja iaitu ultra atau tidak kukuh as mps could rigged base on race, not base on economic scarcity mahupun environment challeges.

Race base politics is no longer relevant since there are so many better indexes of choices could be usrd to measure wealth distribution gap.

When the love between husband and wife could be digalerikan sampai ke tahap joli duit husband atau wife, what would happened to such modern famili and their future generations?

Perhaps mereka sudah baca the hottest news tu, sound like them, but its not them, what can the voters and political parties do when mereka tarak happy?

Beside stadium, mosques and surau, there are so many parks in local neighbourhood mahupun negeri2 lain that was gazetted and built by the then bn, and to change such policy, suka atau tidak, kena ada 2/3 majority mp votes in federal parliament, tak gitu?

Jika nak buat park dan muzim untuk bag ds rosmah, then, lebih baik, leave the sg besi airport of mod as it is to jimat taxpayer monies mahupun infighings of itu bapak ku punya, bukan bapak mu mentality kerana aku orang melayu, aku orang islam as if this country is lawless dan tidak berdaulat mahupun berpelembagaan, dont you think so?

Opposition turned ruling parties can hailed fdi is haram in the name of nasionalism, and the official religion is islam, dont forget that.

If they can hailed such issues, then, the overseas projects approved by bn government could face the same fate too when their opposition turned ruling government are doing the same, and obviously, these overseas investment could be forced to cancel too.

Yup, apabila untung, itu kami punya.

Apabila rugi, kita mesti tanggung.

Frankly speaking, dsai can be named as the prime minister of malaysia to replace tdm since they are the winner of current ruling term, no need to call for seat vacant mahupun by election, dont you think such action is simple and direct and jimat duit kerajaan wilayah?

As the saying goes, intelligent people worry too much, the stupid ones have too much confidence.

What if you jump, but i dont jump?

Look before you leap because human weakness is humans take things for granted.

Assamualaikum Ayahanda Tun,

NAJIB DENGAN PAU SSTnya

Ini bukan salah LGE sebagai Menteri Kewangan waimanya jika ayahanda Tun menjadi Menteri Kewangan sekalipun SST tetap akan dilaksanakan menggantikan GST yang lebih menekan segenap lapisan masyarakat tidak kira umur dan Pau Tg Malim tetap kena SST jika pendapatan tahunannya mencecah RM1 juta dan ke atas (berdasarkan had ambang SST sebelum ini).

Zaman rejim Najib lebih dahsyat apabila GST dicukai kepada restoran yang berpendapatan RM500,000 setahun.

Ini menunjukkan semakin kurang restoran yang akan dikenakan cukai menerusi SST berbanding GST.

Apa yang geli hati bila Najib cakap Restoran Yik Mun ini bersaiz sederhana dan tidak patut kena cukai hahaha.. Yik Mun melaksanakan tanggungjawab cukainya dengan baik bila had ambang pendapatannya telah tercapai dan berdasarkan resit yang ditunjukkan jelas alamat kedai tiga pintunya yang menunjukkan bisnes lebih dari sederhana.

Walau kedai yang bersaiz sederhana pun boleh mencapai ambang bercukai apatah lagi seperti Yik Mun.

Kita boleh bernostalgia namun Yik Mun lebih mengalu-alukan kedatangan kita untuk menikmati pau tradisinya dengan Yik Mun dan pelanggan setianya sama-sama menyumbang kepada pembangunan negara melalui SST sementara ada restoran yang tidak mencapai ambang tidak layak mengenakan SST.

Isunya bukan LGE tetapi isunya ialah ada menteri yang sengaja buat2 lemah dari segi idea dan pelaksanaan untuk mensabotaj PM ke 7 supaya rakyat bising dan minta PM ke 8 naik cepat menggantikan PM ke 7.

Entahlah siapa menteri KPDNKK? Entahlah kalau beliau orang kuat DSAI?

Sekian.

p/s : Penulis juga kongsi peguam dengan ayahanda Tun dan tidak minat dengan KCD. Dalam blog ini tiada pantang larang dan yang senior janganlah corky sangat.. zaman sudah berubah "without fear or favour" amalan kami.

Good afternoon

Market merah menyala. Tengok pun sakit mata.

Well, sebelum undang2 dipinda boleh la bercakap. Bila pinda mungkin ramai tak boleh cakap including the press. I tengok press, tumpuan mereka dah macam sembang kedai kopi, dari the real news.

In I baca online

Daim : "If I can, I would like to suggest that the airport (old Sungai Besi air force base) be turned into a park, so those in KL can use it to have picnics and other recreational purposes.

"After that, we can build a museum to place all the handbags belonging to Rosmah, for the whole world to see".

Masa I buat business, paling mahal my handbag 1K lebih. I tidak tahu apa istimewa Birkin, Hemes. Sentuh pun tak pernah. But I can say this, many women suka joli duit husband. Kalau husband ada duit, dia joli. Moreover kalau tak joli duit husband, husband spend tempat lain pula hahaha

Oh yes I know this old airport, dulu selalu lalu tempat ini bila pergi KL. Macam icon Sg Besi. Historical site. Famous place. Bukankah tempat ini selalu penuh sesak dengan kereta? I remember menyampah lalu sini sebab kesesakkan lalu lintas.

Bila sebut old airport, if I'm not mistaken, ada satu public listed company dapat yang di Penang. Same thing like the one in Sg Besi. Can't remember the exact time and date, but masa ada sosek sosek sianu dapat projek Sg Besi so the other group masuk Penang pula.

That's all for now!

Sepatutnya ayat berikut berbunyi begini....

"Hakikatnya, PAS adalah Kepala-Bapak perpecahan Melayu-Islam di Malaysia.

Seperti Tun Dr.M pernah ucapkan, sejarah tertubuhnya PAS pada 1955 adalah akibat dari perpecahan Melayu dalam UMNO."

Sekian. Harap Maaf.

Sempena Menyambut Maal Hijrah ini, demi Kesatuan Malaysia, terutamanya Bangsa Melayu dan Agama Islam, saya amat berharap Kerajaan Baru PH dapat memisahkan Agama dari Politik.

Ketika Zahid Hamidi menjadi TPM & Menteri KDN dan melarang Mat Sabu, menggunakan Islam sebagai nama Party politik barunya... sambil berkata; "Agama Islam milik semua, bukan hanya hak exclusive sebuah Party Politik'...saya amat gembira. Saya sangkakan, Zahid Hamidi akan turut mengharamkan PAS menggunakan Agama sebagai modal meraih undi.

Hakikatnya, PAS adalah Kepala-Bapak perpecahan Melayu-Islam, seperti Tun Dr.M pernah ucapkan. Sejarah tertubuhnya PAS pada 1955 adalah akibat dari perpecahan Melayu dalam UMNO. Puncanya, setelah dipersetujui Penjajah British untuk diberi Kemerdekaan, Tunku Abdul Rahman tidak melantik golongan 'Agamawan' dalam UMNO, sebagai Menteri Kabinet. Kerana tidak puas hati... mereka keluar UMNO dan tubuh 'Party Agama' yang kemudiannya dikenali sebagai PAS.

Ketika itu British masih berkuasa di Malaya. Yang peliknya, di Negara mereka sendiri, England sejak 1650an lagi, Oliver Cromwell telah haramkan Agama Kristian dipolitikkan. Namum di Tanah jajahan Malaya... sama seperti di Palestine dan lain jajahan di Timur-Tengah... mereka benarkan pula Agama digunakan sebagai wadah untuk meraih undi Politik.

Sebabnya... sangat jelas & mudah difahami... 'Agama' jika dipolitikkan akan menyebabkan perpecahan. Kepada Penjajah, lebih mudah untuk mencatur atau manipulasi colony yang Rakyatnya tidak bersatu.

Sejak Zaman Dark Ages lagi, British dan masyarakat Eropah telah menyedari hakikat bahawa pengaruh Paderi/Gereja atau Agamawan Kristian didalam Istana telah banyak menyebabkan peperangan, tumpah-darah, kacau-bilau dan kebuluran. Sebab itu Oliver Cromwell 'banish' atau memaksa semua Agamawan mereka dihimpunkan di Vatican, Rome. Hasilnya, Eropah bertambah aman, makmur & sejahtera, walaupun masih ada sedikit perbalahan Catholic & Protestant di Utara Ireland.

Sebaliknya... amat malang bagi Umat Islam di Timur-Tengah, 200~300 tahun selepas Wafatnya Rasullulah... Pemerintah Islam Pak-Pak Arab telah mengambil pendekatan sebaliknya. Apa yang keluar dari mulut Agamawan atau 'waris-Rasul', dianggap sebagai 'wahyu'. Manakala, ilmu perubatan, sains & mathematic, astronomi oleh Cendikiawan Islam difitnah sebagai bida'ah dan buku-buku mereka dibakar. Akibatnya, cerdik-pandai Islam lari ke Negara Kafir melalui semenanjung Iberia ke Andalusia. Sejak itu, Yahudi & Kristian bertambah moden & maju, manakala Islam mula mundur kebelakang, berpecah kepada berbagai Puak & Kabilah dan mereka asyik berperang dan berbunuhan sesama-sendiri. Akhirnya KeAgungan dan Kegemilangan Islam mulai pudar dan runtuh... sehinggalah hari ini. Mungkin disebabkan masyarakat Pak-Pak Arab sudah sekian lama hidup dalam kacau-bilau dan persengketaan dan terlalu mendambakan Keamanan atau Peace, apabila bertegur-sapa, mereka ucapkan... Assalamualaikum atau 'Maybe Peace be Upon You'.

Maka munasabahlah... jika diperkatakan... 'Roh' Islam yang dibawa oleh Saudagar-Saudagar Kaya Arab ke Nusantara, lebih kurang 400 tahun dahulu, adalah 'Roh' yang sudah mulai 'malap'. Kegilapannya hanya kembali 'terang' setelah di'pelok' oleh pihak-Istana Hindu, kerana terpengaruh dengan kekayaan dan kemewahan yang dipamerkan Saudagar-Saudagar Arab ketika itu.

Oleh yang demikian, marilah kita pisahkan Agama Islam dari Politik Tanahair dengan mengumpulkan semua Institusi Agama dibawah Institusi Istana yang sepatutnya apolitical. Dengan itu, berbaloilah WANG Rakyat yang diperuntukkan untuk Institusi ini.

Di masa yang sama, waris kepada Tahta Kesultanan setiap Negeri harus ditentukan semasa Baginda masih kecil supaya boleh dijuruskan bidang pembelajaran mereka kepada Agama. Apabila menjadi Raja nanti, Baginda akan dikelilingi/nasihati oleh Para Mufti dan Cerdik Pandai Agama supaya boleh menasihati pula Pemerintah, jika ada sesuatu policy Kerajaan yang mendatangkan kesan tidak baik kepada Bangsa & Agama.

Dengan itu Institusi Raja & Agama akan lebih dihormati dan kekal lama. Semoga Melayu Bersatu dan Islam menjadi contoh pentadbiran yang bersih & beramanah. Jangan diikut perangai Pak Arab yang asyik berkelahi sesama sendiri.

Terlebih dahulu... Maafkan saya.

Nampakgayanya... ruang komen CheDet ni... sudah dipenuhi oleh komen-komen yang menjurus kepada permusuhan dan perkelahian yang langsung tiada kena mengena dengan tajuk dan juga tidak membina minda para pelawat blog.

Sudah-sudah la. Tak perlulah dibawa kutuk-mengutuk dan gelar-mengelar, berlarutan dari satu posting hingga ke posting Tun yang lain. Sepatutnya, sesuatu percanggahan pendapat atau pertengkaran, hanya tertumpu pada satu posting saja. Bila Tun tukar tajuk, pertengkaran itu, harus berhenti disitu.

Jika sedemikianlah adanya, perkelahian antara individu tidak akan 'mengganggu' pengunjung lain, kecuali Tuan-punya Blog atau pengendalinya saja.

Harap yang berkenaan maklum.

Salam

I nak tambah sikit. Komen2 yang dihantar sebenarnya depend on budi bicara moderator atau admin tempat tersebut. Jangan tanya I siapa admin sini. I don't have the slightest idea siapa gerangan orangnya.

Sebenarnya public forum ini biasa mana2, for example I pernah jadi ahli dalam 2 investment blogs. Satu tu based on contributions, berapa banyak you contributed you naik rank. The problem this type of system, you kena baik dengan the seniors dulu, kalau ada senior anti you, you hilang membership. The other forum lagi crazy, bila message ada 2 orang kasi flag. Message itu deleted. Nak kata ada unsur buruk dalam message itu, tak juga.

So hard to say samada orang atau robot. Kalau things dah set all pun boleh auto.

That's all for now.

P.S Market hijau sikit but my stocks tak naik.

Good morning Tun

Harap pagi ini Tun sihat dan teruskan usaha murni. Pada team Ministers diatas, I tak nak ucap apa2, all I can say, mereka selalu buat I pening. Dah tu mereka kata Tun dah tua, tak sabar2 nak takeover.

Musato,

Cantik buns yum yum

I jarang pergi tempat musato tinggal. 2 tahun sudah ada pergi ikut hubby. Hubby semi-retired, so bila ada kerja nak pantau projek atau meeting dengan pihak berkenaan baru hubby pergi. I tak selalu ikut. Agak boring tinggal dihotel walau pemandangan cantik.

FB pula I jarang2 update status, sudah lama I duduk kat FB, since mula2 FB diMalaysia, masa tu FB belum listed kat bursa America.

Kawan2 FB, my family, friends from the government dan swasta, lawyers termasuk lawyer Tun, orang kanan KCD etc.

That's all for now.

Assamualaikum Ayahanda Tun,

Tumpang laluan menyambung bual bicara dengan Cikgu Hajar.. round ke 4

Ala Hajar.. majoriti PhD holder di Malaysia ini adalah pensyarah maka kami andaikan kamu sepertinya dan pensyarah atau cikgu sama sahaja kerjanya iaitu sebagai seorang pendidik.

Jadi kami letak kamu lebih tinggi sedikit dari pemegang PhD dari kalangan kakitangan kerajaan seperti Dr Ali Kluang dan pemegang PhD dari kalangan ahli politik seperti Wak Zahid Ponorogo.

Cikgu juga mungkin sudah pencen sebab duduk blog keramat ini pun sudah hampir sepuluh tahun maka kami faham kecerdasan otak Cikgu yang dahulunya berfungsi kini sudah 'malfunction' dan sudah mula meracau sehingga apabila hilang modal terpaksa

ikut jejak langkah kawan baik Cikgu iaitu si PakPandir08 yang sering melabelkan orang lain bodoh (yelah Cikgu dan PakPandir08 dua orang sahaja yang pandai).

Pemegang PhD seperti Cikgu tidak seharusnya meletakkan diri Cikgu lebih pandai dari orang lain dalam blog ini, tidak juga kepada Wajaperak yang suka menyindir kerana kepandaian itu subjektif dan bukan kita sendiri yang menilai.

Kalau kami hendak ikut cara atau piawaian Cikgu maka kami juga boleh melabelkan Cikgu sebagai AMAT BODOH jika dibandingkan dengan jiran betul2 sebelah rumah kami yang juga seorang pemegang PhD bergelar Dato' dan antara beberapa orang sahaja dalam Malaysia ini yang dinobatkan sebagai Professor Ulung yang telah menerbitkan lebih 800 artikel atau jurnal yang dimasukkan di dalam Pengindeksan Pengetahuan Antarabangsa (ISI) serta memegang 10 paten produk inovasi yang diiktirafkan seluruh dunia.

Namun jiran kami ini cukup merendah diri orangnya dan tidak memandai dalam hal2 diluar bidang kepakarannya.

Entahlah apa bidang kepakaran cikgu tetapi yang pasti dan kita segani Cikgu ada double PhD, satu unknown dan satu lagi telah dikenalpasti Penyakit hasad Dengki hihhi.. tidak boleh orang lain lebih pandai dari dia.

Cikgu ini juga sering memberi ramalan yang salah apabila tidak merestui strategi ayahanda Tun turun ke padang menyertai kami sewaktu Bersih 5.0 yang membuahkan hasil dalam mendapatkan sokongan menjatuhkan Ah Jib Gor.

Begitu juga kemarahan membuak Cikgu apabila ayahanda Tun bekerjasama dengan DAP dan memperlekehkan kewajaran tindakan ayahanda Tun.

Kini kami mengerti apa yang Wajaperak pernah lalui sebelum kami menyertai blog keramat ini sehingga Wajaperak terpaksa menghamburkan apa yang tidak sepatutnya kerana spesies seperti Cikgu ini memang 'rare' dan hampir pupus.

Tidak salah berselisih pendapat tetapi belajarlah memproses pendapat dan pendirian ayahanda Tun kerana tidak terlalu lambat untuk anda belajar walaupun anda agak tua dan sedikit lembab penerimaannya. (Malam ini gerenti Cikgu tidak tidur untuk membalas segala dakwaan fitnah kami ini hihhi..silakan)

Maafkan kami sekiranya mata pena ini terlalu tajam untuk Cikgu terima tusukannya sebab topik Lokman beruang masih belum bermula.

Tunggu round ke 5 untuk sambungan..

Assalamualaikum Tun.

Selamat Menyambut Maal Hijrah 1440/2018.

Yup Sri Sense. Kita tak tahu kemana kita akan pergi.

Tapi saya tak kisah sangat bila Tun masuk kerja jadi Perdana Menteri sekali lagi.

Sejarah Terengganu mencatatkan bahawa Tokku Paloh pun mencapai usia 100 tahun (1818-1918). Beliau diiktiraf di antara 7 wali tanah Melayu.

Jadi secara logiknya mana mungkin kekasih Allah itu berhenti bekerja melainkan dipanggil mengadap Illahi.

Sesudah mengadap Illahi sekalipun, kekasih Allah itu tetap 'hidup'.

Blog ini adalah blog politik. Saya pun bukan seorang yang minat pada politik, lebih lebih lagi menonjolkan diri pada umum.

Ramai yang tidak meninggalkan komen di sini, tetapi sentiasa suka membaca pendapat pendapat di sini.

Maklumbalas yang saya dapat seperti dari Pn Maizatul – yang amat mengagumi Tun Mahathir tapi dalam masa yang sama suka saya menegur Tun Mahathir.

Harliza pula sentiasa online dan suka saya membantu Tun Mahathir hingga ke akhir hayat.

Dan saya pasti mereka ini bukanlah ahli BERSATU.

Yup, rasanya tiada gunanya untuk berkata "saya rapat dengan Tun Mahathir". Bukan dapat apa apa pun.

Bacalah pengakuan Tun Daim. Tun Daim tidak dibayar satu sen pun.

Peguam Shafee Abdullah pun kata tak dibayar langsung untuk guaman UMNO semasa Tun Mahathir jadi Perdana Menteri.

Yup, kita tak tahu ke mana kita akan pergi.

Kerana tidak tahu ke mana kita akan pergilah, maka saya telah menziarahi makam Syeikh Abdul Malek (Tok Pulau Manis) sebelum saya mengisi borang BERSATU. Saya akan memasuki bidang pentadbiran negara satu hari nanti. Mungkin. Mungkin. InsyaAllah.

Ziarah saya sama seperti mana saya ziarah kawasan makam Sharif Muhammad Al Baghdadi (Tok Ayah) sebelum PRU 14 tempohari.

Mereka ini adalah titisan darah yang sememangnya yang memerintah negara.

Yup, tidak dapat apa apa untuk berkata "saya ini rapat dengan Tun Mahathir".

Tetapi saya boleh tulis bahawa saya, Musthasor Bin Mukhtar adalah penasihat Tun Mahathir, bekas PM ke 4 yang mana sekarang adalah PM ke 7 Malaysia.

Saya adalah ahli BERSATU yang rasmi dengan jawatan semasa ini adalah ketua penerangan bahagian ; sekiranya kita tidak tahu ke mana kita akan pergi.

Facebook : Musthasor Bin Mukhtar

Salam Maal Hijrah ke 1440/2018

Terima kasih Tun.

Dear Tun,

Selamat menyambut Tahun Baharu Hijrah 1440. Semoga tahun baharu ini membuka jalan yang luas terbentang untuk semua orang Islam berubah ke arah yang lebih baik dan cemerlang. Semoga dipermudahkan bagi Tun untuk meneraju Malaysia ke arah pemulihan dan kejayaan.

Semoga Tun dikurniakan kesihatan dan usia yang lanjut bersua lagi dengan tahun-tahun hijrah yang akan mendatang.

Take good care dear Tun Dr. Mahathir. My prayers with you and Tun Dr. Siti Hasmah always.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

SELAMAT MENYAMBUT MAAL HIJRAH 1440/2018 kepada Tun dan seluruh umat Islam.

Kebelakangan ini saya membaca kenyataan Tun tentang pencapaian Melayu yang kurang memberangsangkan.

Saya ada terbaca sebuah artikel tentang Bangsa Melayu yang saya dapati menarik dan agak berani dan saya ingin kongsi disini.

Apa ada pada nama?

Penting sekali sesuatu nama. Sesuatu nama itu penting diketahui maksudnya dan pastikan hanya maksud dan makna yang baik sahaja ada pada nama.

Kerana bila selalu disebut sesuatu nama, itu merupakan doa dan yang punya nama didoakan sebagaimana maksud namanya.

Islam memberatkan kita menamakan memanggil anak anak kita dengan yang bermaksud baik baik.

Jika seseorang sudah diteramakan yang mempunyai maksud atau makna yang kurang baik, harus digantikan panggilannya dengan nama yang lebih baik.

Kerana seseorang, bila selalu dipanggil dengan nama yang kurang elok, panggilan yang merupakan doa, ianya akan membentuk sifat atau peribadi mengikut nama yang selalu.

Bukan sahaja orang, sesuatu bangsa pun kalau selalu dipanggil dengan nama yang kurang baik, demikianlah terbentuknya peribadi dan sifat sesuatu bangsa tu.

Dari itu, mulai sekarang, kita jangan terima nama bangsa kita sebagai MELAYU.

Kerana	layu	maknanya..
–	la-yu... tidak	segar
–	me-la-yu.... menjadi	lagi
–	la-yu-la-yu-an n 1 segala sesuatu yang telah layu	layu;

Maka itu kita pun harus menolak dipanggil orang Melayu.

Biarlah dipanggil Orang Malaysia ke..bangsa Malaya ke..Jawa ke, Bugis ke, orang Nogri ke...mamak ke...apa pun takpe..asal jangan Melayu.

Sebuah pandangan dhaif nukilan AJS.

Bagaimana penerimaan anda?

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

SELAMAT MENYAMBUT MAAL HIJRAH 1440/2018 kepada Tun dan seluruh umat Islam.

Saya doakan semua umat Islam di Malaysia dan di seluruh dunia agar diberi taufik dan hidayah agar kembali kepada asas-asas ajaran Islam yang sebenar, dan istiqamah serta diberi kekuatan dalam menegakkan kebenaran.

Biasalah, akan ada puak-puak Islam Liberal (amat menyedihkan...) yang cuba memesongkan aqidah umat Islam supaya melanggar perintah Allah SWT atas nama kebebasan dan hak asasi manusia.

Semoga Allah SWT merahmati kita semua.

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Salam YAB Tun

Pagi ini saya sempat baca tajuk ini **Muhyiddin: Umno is finished and its time Malays realised this**

To me ini, antara PPBM dan UMNO sama pengasas. UMNO lama dah lama diharamkan. Selepas diharamkan Tun Mahathir lah orang yang berusaha tubuh UMNO Baru. Bezanya antara dua parti ini PPBM, UMNO Baru pernah derhaka pada Tun Mahathir.

UMNO yang pernah Tun Mahathir tubuhkan semula telah diguna pakai sewenang-wenangnya oleh certain leader. It makes me sad just to think of it.

Anyway, in my humble opinion, boleh bubarkan UMNO but PPBM kena takeover. And Tun boleh train anak Tun jadi pengganti. Tun sudah selalu percaya pada anak orang lain, ada baiknya kali ini Tun concentrate pada anak Tun sendiri.

To Tan Sri Muhyiddin, you know I sayang both of you, Tun M dan Tan Sri M, but the current coalition buat I sedih, more sedih bila I turut sama sokong Tun masuk balik dalam politik. I just don't know where is this going. Satu kata ini, satu kata lain, nothing solves. Lots of potpet potpet.

That's all for now.
