The compilation of this book by Mr. Ho Ah Chon is indeed a splendid example of such nobility. I would like to extend my heartiest congratulations to Mr. Ho for an effort well done.

The focus of this book centres on the Youth Festival in the year 1965 - a historical event that has not been known or long forgotten by our youths today. The work of Mr. Ho Ah Chon will certainly help to enlighten or rekindle the interest of our youths to be more active and dynamic. In short, Mr. Ho's untiring efforts in compiling this book is indeed a historical and significant effort towards our nation building.
