## About Transparency International – Malaysia

Transparency International – Malaysia (TI-M) is an independent, non-governmental organisation committed to the fight against corruption. TI-M is an accredited chapter of the Berlin based Transparency International.

The vision of TI-M is committed to the achievement of a socially just society within a sustainable, plural democracy that is free of corruption. TI-M engages with the public sector, private sector and civil society through various programmes for advocacy, education, information, and research to combat corruption.

TI-M's programmes focus on organisational development, advocacy, projects related to public contracting and procurement, freedom of information, political financing, forestry governance integrity, integrity pacts, education and training, surveys, media relations, publications and networking. Policy advocacy is aimed at improving the institutional pillars of the National Integrity systems, reviewing anti-corruption policies and laws and promoting greater transparency and accountability in the public and private sectors.
