Throughout history there have only been a handful of people capable of supreme leadership. Read the words and actions of some astonishing leaders and learn exactly how they changed the world either for the better or for the worse. Their tasks were challenging to say the least, but despite all odds these great individuals helped to shape the political and social fabric of our time.

- Without Jesus Christ, Moses, Muhammed and Buddha, the major religions of the world simply would not exist.
- Experience the emotion as President Franklin D. Roosevelt delivers his Day of Infamy address.
- Feel Winston Churchill's power and confidence as he rallies a country against the powerful Nazi war machine.
