GOLDEN JUBILEE

GOLDEN JUBILEE occurs every fifty years. Golden is attributed to the number fifty and jubilee means anniversary or celebration. Jubilee occurs once in a normal person's life-span and life-time and may be considered one generation.

GOD'S dream for mankind is JUBILEE. It is a time 'set apart' by GOD for renewal and reconciliation with GOD, one another and with nature. Land is to lie fallow, people are to be liberated, debts cancelled, properties returned to original owners, families to re-unite, justice restored, enemies reconciled and sins forgiven by GOD. The essence behind all this is that what we have on earth are gifts from GOD and we are mere stewards.

What a perfect, splendid, caring, charitable and compassionate 'vision' of GOD for a life so harsh and unfair at times for some of us unfortunate humans, animals and even nature itself! As GOD'S children, we are challenged to follow HIS caring plan and make HIS vision a reality so as to honour and glorify HIM!!

We are required to be helpful and charitable to the 'least, last and lost' (especially the poor and needy, the women and children and those without spiritual leanings) amongst us just as our GOD is truly caring, charitable and compassionate to all of us!!!

RASIONAL LOGO

The logo is inspired by the high-flying 'Jalur Gemilang' which is a symbol of pride to all Malaysians. The waves of 'Jalur Gemilang' represent our affectionate love and devotion to our celebrated nation.

The red and white stripes is styled to the numeral '5', whilst the star and the crescent moon is styled to the numerical '0'. Together they formulate number '50' which is the core of the logo corresponding to the celebration of our 50th anniversary of Merdeka.

The end of the styled number 5 is joined to the stigma of hibiscus, our national flower. Five points are drawn to the stigma of the flower to illustrate five principles of 'Rukun Negara'.

The dynamic shape of the logo represents the pursuit and achievement of the nation ever since our independence 50 years ago.

The circle symbolizes the unity and integration of diverse ethnic groups living together in a diversified culture. The red and white colours represent citizens of the nation, while blue colour represents the unity and prosperity of the nation. The glorious yellow is a symbol of leadership of the Yang di-Pertuan Agong through the victory of the nation.
