## Acknowledgments

The inspiration for this book emerged from my experiences teaching college courses on political philosophy and ideology. Thanks, therefore, go to my students at the University of Cape Town and California State University, Stanislaus who helped me both to recognize the need for such a book and to sharpen my understanding of its subject. Thanks also go to Michael MacDonald, Michael Metelits, Michael Jon Olson, and Paul Thomas, who encouraged me to pursue the project and commented on the initial drafts. A sabbatical leave from California State University, Stanislaus in 2008 assisted tremendously in the completion of the final manuscript. Ken Barlow, Jakob Horstmann, and Ewan Smith at Zed Books guided the project through its final stages to publication.
