VISION & INSPIRATION

‘SETTING A SOLID FOUNDATION FOR
THE FUTURE GENERATIONS OF MALAYSIANS’

MBR Vision

Putting national interest above everything else was the driving factor that led to the setting up of The Malaysia Book of Records.

The need to accord recognition and reverence to national achievers and record breakers resulted in the birth of a publication that would document not only for posterity purposes, but also to serve a source of inspiration for others to try and earn honour and pride for the country.

With the country’s interest at heart, the founder fervently believed a compendium featuring the feats and achievements accomplished by Malaysians should see the light of day as these achievers could share their records with not only their families and friends, but also with the nation and the world.

MBR Mission

To record and recognise human feats & achievements

To support and encourage more human feats and achievements for worldwide recognition

To instil the spirit of excellence among Malaysians

To complement our country’s “1Malaysia” campaign

To provide interesting information and to enrich general knowledge of the public & tourists on Malaysians’ achievements

To store and exhibit outstanding achievements through the setting up of MBR “Museum Of Achievers”

Message from the Founder

DATUK DANNY OOI P.J.N

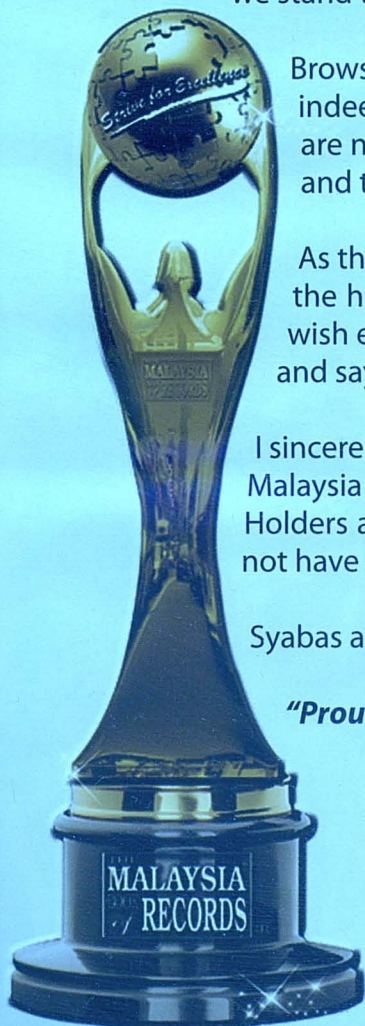

The journey is long but the destination still remains in sight - that is how the Malaysia Book of Records has been progressing from year to year. Starting off with a blank slate, the book has to date listed more than 4,000 records.

MBR, in short, has stamped its mark in every corner of our boundaries, searching for whatever efforts are worthy of mention in this prestigious treasure trove of the country, a book that takes pride of place in every Malaysian household.

This 8th Edition is a testimony of Malaysians' successes, be it individuals, groups or institutions - it is these success stories which will be archived for future generations to admire and emulate, if not exceed.

As the Official Record-keeper for the Country, the Malaysia Book of Records pays tribute to these achievements, for every record that is created will go down in history and become a storyteller in itself for many years to come.

I hope each and every one of you, young or old, will find an inspiration somehow by flipping through these pages, while instilling and inculcating the spirit of excellence in you. It is a feeling of pride that we stand tall as Malaysians.

Browse through the pictures in this Edition and you will notice that Malaysians indeed are one happy family, coming together to make the Country proud. There are no barriers between race and religion as far as breaking records is concerned, and this truly reflects the 1 Malaysia spirit.

As the Founder of Malaysia Book of Records, what is more joy than to see and feel the happiness of others when records are created, and this is one emotion that I wish every Malaysian will have a chance of feeling at the moment of achievement, and saying: "I am proud to be a Malaysian".

I sincerely thank the Government and the Leaders for their continuous support to the Malaysia Book of Records, the Advertisers of this 8th Edition and of course to all Record-Holders and Achievers, for without your RECORDS; the Malaysia Book of Records will not have come this far.

Syabas and Congratulations to all, and continue to create or break records.

"Proud To Be A Malaysian"
