

NATIONAL BESTSELLER

"DeYoung's written a portrait of Powell that is as revealing as it can be and remain flattering, and as flattering as it can be and remain revealing. And she's written it very well."

—*The New York Times*

*Acclaim for Karen DeYoung's*

# SOLDIER

“Fascinating. . . Sheds further light on a story whose broad outlines are well-known.”  
—*Los Angeles Times*

“It becomes clear that Powell—who harbored serious doubts about the wisdom of invasion and who frequently found himself an outsider in an administration dominated by neo-conservative hawks—was prescient about a host of issues, from the difficulties of rebuilding a postwar Iraq to the need for higher troop levels and multilateral support.”

—*The New York Times Book Review*

“DeYoung brings nuance and psychological depth to her analysis.”  
—*Salon*

“The story of a good soldier sacrificed. . . An excellent study in leadership—and lack thereof.”  
—*Kirkus Reviews*

“Explosive. . . Reveals . . . new information about the White House’s preparation for war, internecine conflicts within the War Cabinet, and—most surprising—Powell’s account of his unceremonious exit from the administration.”  
—*Esquire*

“A consistently interesting recollection of [Powell’s] varied career, shot through with heavy doses of duty, honor and rectitude.”  
—*The Atlantic Monthly*

“DeYoung covers Powell’s entire career in this nuanced, comprehensively researched first complete biography. . . DeYoung presents her subject as, above all, a soldier.” —*Publishers Weekly*

Karen DeYoung  
**S O L D I E R**

Karen DeYoung is an associate editor at *The Washington Post*, where she has held a number of senior editing positions and served as a foreign policy reporter in Washington and a correspondent abroad. She is the recipient of numerous awards for foreign correspondence and for diplomatic and explanatory journalism, including the 2002 Pulitzer Prize given to *The Washington Post* for national coverage of the war on terrorism.
